

The background of the entire slide is a photograph of a sunset or sunrise. The sun is a bright, glowing orb positioned in the center of the horizon, casting a long, shimmering reflection across the dark water. The sky is a deep blue, with wispy white clouds scattered across it. In the distance, dark, silhouetted mountains rise against the horizon. The overall mood is serene and contemplative.

Long Nights Of Mourning With Cd Audio:

The Last Lincolns Charles Lachman, 2010-01-25 Most books about Abraham Lincoln end on April 14 1865 the day he was assassinated at Ford's Theatre But that historic event takes place near the beginning of *The Last Lincolns* a singular title in the vast output of Lincolnia and one of the most unusual books ever written on the sixteenth president and his family Going far beyond that fateful day into uncharted territory it's a gripping page turner written by a TV producer with proven storytelling skills This absorbing American tragedy tells the largely unknown story of the acrimony that consumed the Lincolns in the months and years that followed the president's murder This was not a family that came together in mourning and mutual sadness instead they fell out over the anguished mental condition of the widowed Mary In 1875 Robert the handsome but resentful eldest Lincoln child engineered her arrest and forcible commitment to an insane asylum In each succeeding generation the Lincolns' misfortunes multiplied as a litany of alcohol abuse squandered fortunes burned family papers and outright dissipation led to the downfall of this once great family Charles Lachman traces the story right up to the last generation of Lincoln descendants great grandson Bob Lincoln Beckwith his estranged wife Annemarie and her son Timothy Lincoln Beckwith Bob who was according to all medical evidence sterile believes the son who bears the Lincoln name was the product of an adulterous affair Annemarie however wanted the boy to be a Lincoln putting the child in line for a vast inheritance There's even evidence uncovered by Lachman for the first time that a scheme to obtain possession of the Lincoln fortune was orchestrated by Bob Beckwith's chauffeur who may have been the notorious outlaw and skyjacker D B Cooper Published in advance of Abraham Lincoln's 200th birthday in February 2009 *The Last Lincolns* provides an unforgettable glimpse into the personal legacy left by the man who could unite a nation but not his own family *An Unusual Family History Reveals That Abraham and Mary Lincoln were very lenient with their younger sons and rarely imposed discipline on them At age 12 young Tad Lincoln whose education during the family's White House years was very lax could still not read Eldest son Robert Lincoln objected to the intense attention the media paid to the Lincoln family After her husband's assassination Mary Lincoln pleaded for financial assistance from family friends and people in government Mary's erratic behavior led Robert to swear out a warrant for her arrest and institutionalization* **Irish Monthly**, 1911 [The Irish Monthly](#), 1911 *Religion as Brand* Razieh Mahdiah, 2024-11-25 *Religion as Brand* An Analogy to Reconceptualize Religion delves into the complex relationship between religions and brands Through a process of abstraction the book creates an analogy to compare religion with brand which clarifies the similar functionalities of both within society and explores the complexities in this comparison beyond mere semiotic aspects Through this innovative lens it unveils the common mechanisms of both phenomena and unveils fundamental incentives and needs in human being nature that are evoked and fulfilled by these two social institutions Across four diverse case studies the book examines this analogy in real world contexts and demonstrates how this approach can generate hypotheses These cases explore diverse scenarios

including ISIS and Al Qaeda as sub brands of Islam the dynamic of Islam and Judaism as brands in the Israeli Palestinian conflict Ashura ceremonies as a campaign for Shi i Islam and the narrativity of Evangelicalism as a sub brand of Christianity This thought provoking exploration generates new hypotheses and challenges preconceived notions of both religion and brand Psalms I-LXXII James Glentworth Butler,1892 **The Bible-work** James Glentworth Butler,1892 Heaven On Earth Thomas Brooks,1728 **Transitions in Dying and Bereavement** Moira Cairns,Marney Thompson,Wendy Wainwright,2003 Find the words and the deeds to meet the psychosocial needs of chronically ill and dying people their families and caregivers in this first ever strengths based step by step guide through the labyrinthine process from diagnosis to death to bereavement Transitions in Dying and Bereavement puts a human face on a difficult yet unavoidable topic This book comprehensively and compassionately covers the key transitions that dying people and their families face and the most effective interventions to facilitate the transitions Employing their many years of experience in hospice and palliative care this team of counselors and other health care professionals provides clear explanations of current theory and research related to hospice palliative and bereavement care ways to help alleviate anxiety fear fatigue and feelings of denial and powerlessness ways to improve communication about the experience of dying help in planning for death the Palliative Performance Scale a functional assessment tool sensitive explanations on navigating the three phases of grief perspectives on difficult issues such as body image sexuality and intimacy multicultural and interdenominational perspectives on death and dying ways to support staff and much more Activities exercises case studies personal essays poetry and illustrations are liberally and strategically located throughout the text forming the perfect in service classroom or professional development tool for nurses physicians counselors social workers allied health professionals volunteers and others who work with people traversing the end of life experience *Music in the Middle Ages and the Renaissance* Harold Gleason,Warren Becker,1981 This is a complete revision of the second edition designed as a guide and resource in the study of music from the earliest times through the Renaissance period The authors have completely revised and updated the bibliographies in general they are limited to English language sources In order to facilitate study of this period and to use materials efficiently references to facsimiles monumental editions complete composers works and specialized anthologies are given The authors present this systematic organization in this volume in the hope that students teachers and performers may find in it a ready tool for developing a comprehensive understanding of the music of this period *Awake* Anjuli Paschall,2022-04-05 What If There Is More to Life than What You re Living You ve felt it the underlying anxiety that you re missing out on the good life So you zone out swipe up slim down work hard and spin in circles trying to get it Anjuli Paschall calls it carpe diem syndrome the fear of not living life to the fullest But the full life isn t found by chasing it It s found by coming awake to it As she puts it I want to be awake I don t want to nervously navigate my life one to do list email and espresso shot at a time When my life comes to a slow halt I want to know I savored the small moments and watched the sky change color I want to know I didn t
