Women of the Durham Coalfield in the 20th Century Margaret Hedley, 2021-03-08 Life in the early twentieth century coalmining communities changed very little for the women who dedicated their lives to their miner husbands The women s working days were much longer than the miners who typically worked an 8 hour shift Their living conditions were poor and lack of investment by the coal owners greatly challenged their homemaking skills as they faced life without many basics such as clean water and sewerage systems Health services were slow to develop and women s health was only just beginning to be of some importance to the medical profession Coal miner wives in the twentieth century also had to cope with demands put upon their families by the First World War which highlighted the importance of solidarity a feature of mining communities that had proved itself to be at the heart of colliery village life This follow up book to the popular *Women of the Durham Coalfield in the 19th Century* continues with the story of Hannah s daughter as she negotiates homemaking in the most challenging of conditions

The Loveless Child Elsie Mason, 2025-02-13 England

1940s Minnie has spent most of her life feeling like a plain Jane watching things happen around her waiting for something just something to once happen to her When her old best friend the beautiful and callous Junie unexpectedly returns to Sixteen Streets Minnie s not quite sure how to feel Once inseparable the two now find themselves at odds And when Junie strikes up a romance with Minnie s brother Derek Minnie can t help but feel lonelier than ever Junie s looking to start anew she s running from her mucky strained life in South Manchester and the cruel man she shared it with But when she returns to Sixteen Streets all her old wounds from her mother to her friends resurface And she has no choice but to face them and this place she once called home In the midst of it all can the two women find their way back to each other and themselves once again Or will Sixteen Streets really break them apart Readers can t get enough of Elsie Mason Could not put it down A brilliant story from a brilliant author I enjoyed every bit of this book The end had me in tears Stays with you long after you ve turned the last page **Prohibition and Prussianism, a Parallel** Ernest Hugh Fitzpatrick,1919 **One Hundred**

Modern Scottish Poets David Herschell Edwards,1885 *Never to Return* Sandy Reid,2008-10-23 I d never been given a cuddle in my life been read a bedtime story or called anyone mum or dad In the dead of night the authorities swooped on the tinker camp It was the middle of winter but the tents were still warm This time they took Sandy Reid and his sister Maggie into care Sandy was just one year old and he would never see his mother again Sandy Boy is the true story of what happened to Sandy Reid and to many other tinker children Removed from his family and their way of life Sandy was put into care for the rest of his childhood and denied access to his mother his father and his family This is also the story of the abuse he suffered regular beatings at his foster family cruelty at a children s home and later systematic abuse Without any love or affection Sandy became uncontrollable and at the age of eight he was sent to a psychiatric unit and separated from his sister the last link he had with his family Soon after a chance meeting led to the discovery that his mother had died It would be another six years before he got the letters from his mother that proved that she had never stopped looking for him Letters that had been opened and read by the authorities but deliberately kept from him This is the shocking story of how a child s life was destroyed and of a stolen generation snatched in the night and forbidden from seeing their families It s also the story of how one boy endured terrible hardship and deprivation and how he survived against all odds *In Oban Town. A Novel* Campbell McKellar,1896 *Nae Mammie's Kisses* Mhairi Pyott,2013 Nae Mammie s Kisses is a moving story which will have the reader both laughing and crying while journeying through life with Maggie Orphaned when she was ten years old then separated from her brothers Maggie s is a remarkable journey through life as she fights against poverty Scottish hypocrisy and the cruel hardship of Victorian standards sustained only by her dreams of family love and togetherness Nae Mammie s Kisses is a well researched and accurate reflection of the social history of Maggie s time *Ben Hanson* Jessie Margaret Edmondston Saxby,1884
