Through the Eyes of Love Shawn Bolz,2019-10-01 But now faith hope love abide these three but the greatest of these is love 1 Corinthians 13 13 Seeing the world through a lens of love is not easy but when you commit to this practice you will begin to see God s power move in surprising ways Through the Eyes of Love shows us how operating from a place of love is the most effective way to walk in the Spirit This book will help you grow in spiritual authority and learn how to speak powerful words As someone who heard God s voice at a young age Shawn has been diligent to continue to seek the Lord s voice for more than two decades as a sought after international teacher In this book Shawn shares multiple first person stories of people he has met and spoken to over the years Whether sitting at a table eating dinner with billionaires or pulling over on the highway to give a construction worker a word of knowledge Shawn is amazed at how often God wants to speak personally to people from every area of life If you pursue spiritual gifts especially words of knowledge you will begin to realize that knowing God s thoughts shifts the lens through which you see people and culture In fact being on the receiving end of a direct message from God will open your spiritual eyes It s like seeing a color you never knew existed As you sincerely pray and ask God what He wants to say to your coworkers your neighbors and your city you will be surprised at how often He speaks

The Burning Flame of Love Jean Maalouf, 2017-08-17

Nothing is neither fuller nor better in heaven and earth Every authentic love story is in its essence a journey toward God and every time we truly love we unveil the face of God because God is love 1 John 4 16 No wonder Thomas Kempis affirmed that nothing is sweeter than love nothing stronger nothing higher nothing wider nothing more pleasant nothing fuller nor better in heaven and earth because love is born of God and cannot rest but in God above all things But if it is so why in the world do we find ourselves very often dissatisfied with our love life and why do we have so many dysfunctional relationships with our families neighbors and others Why do we seem to love to hate each other and make enemies rather than friends not only with individuals and groups but also with other nations as well What is missing from our earthly love What has happened to love To these questions and to many more Dr Maalouf whose focus is one of gentle revolution in human development as leading critics said when describing his prolific works Is suggesting here a different way of seeing the reality of love Although it is based on psychological sociological philosophical and theological principles this adopted way conveys the message through a poetic contemplative and mystical method in the style of Meister Eckhart and St John of the Cross This is not intended to be a comprehensive study on love but a fresh awakening to the existential deeper and richer level of consciousness of the living love for the love of one another John 13 34 is not just a commodity for social arrangement but the evidence of our divine origin and destiny and the critical condition for our very survival Thus a book like this should be read meditatively the way one listens to a great symphony or perceives a masterpiece in an art museum and comprehensively for it is not just the total sum of its paragraphs as a symphony and a painting are not the total sum of their different notes and colors Then wonder of wonders one will realize that there is nothing more mysterious more magical more life changing than love It is indeed the philosophers stone that converts whatever it touches into a golden reality Then everything will start to make sense for nothing not even all the money in the world can buy the strength and the happiness of a true loving heart

Through Eyes of Love Katherine Arthur, 1989 *Through Eyes Of Love* by Katherine Arthur released on May 25 1989 is available now for purchase *Come Look with Me Through the Eyes of a Child* Patricia A. Sherrick, 2010-09-13 There is no available information at this time *Shakespeare's Comedy of Love* Alexander Leggatt, 2013-10-11 First published in 1987 This study removes some of the critical puzzles that Shakespeare's comedies of love have posed in the past The author shows that what distinguishes the comedies is not their similarity but their variety the way in which each play is a new combination of essentially similar ingredients so that for example the boy girl changes in *The Merchant of Venice* are seen to have a quite different significance from those in *As You Like It*

Redemption Through the Eyes of the Condemned John D Montana, 2022-04-13 Not just another commentary on Romans *Redemption through the Eyes of the Condemned* makes Paul's letter come alive with a fresh perspective from a context reminiscent of Paul's that of a convicted felon in

prison The combination of a seminary degree fourteen years in a state penitentiary and eight years of teaching Romans affords John Montana the ability to see parallels to prison life that can help all readers grasp Paul's most theologically dense letter Not only are terms such as condemnation justification redemption law patience and hope all too familiar to the prisoner concepts such as the old and new realm the already not yet tension and corporate identity dominate in the prison experience Montana's surprisingly accurate illustrations connect these terms and concepts to prison life and help clarify not only the more difficult passages in Romans but will stir readers to a reinvigorated viewpoint that will help enrich their devotion to the Lord Appleton's Magazine ,1908 Walking the Path of Love Joseph J. Mazzella,2010-06 Joseph Mazzella has been writing inspirational articles for newspapers and online for over 20 years He lives in the mountains of West Virginia with his daughter two sons four cats and five dogs Over the years he has worked as a busboy lumber mill worker teacher and mental health care worker His greatest joy however has been sharing the love learning experiences and wisdom that God has blessed him with over the years This book is meant to be a part of that Sharing Through the Eyes of Titans: Finding Courage to Redeem the Soul of a Nation Danjuma G. Gibson,2024-01-10 Human beings tend to romanticize history or idealize historical figures This is nowhere more apparent than the civil rights era of the twentieth century The problem is that when we idealize history we fail to learn from it The result is that history repeats itself along with its sins and atrocities The January 6 Capitol insurrection and the current racial reckoning we are experiencing is unoriginal to the American experience We have been here before This book seeks to humanize people we have idealized Readers are invited to challenge racial hatred and injustice in their own context by looking to the lives of historical figures who have faced the challenges we currently face By examining the self care practices of personalities like Ida B Wells Fannie Lou Hamer Benjamin Elijah Mays and Martin Luther King Jr this book examines the practices of introspection and self work these historical figures engaged in that enabled them to fulfill the body of work they are celebrated for today By humanizing these historical titans we can emulate similar practices of self care and introspection in our own lives that can equip us in continuing the ongoing work of dismantling structures of racial hatred and oppression and promoting freedom love equity and justice to redeem the soul of a nation **Look with Eyes of Love** James Dillet Freeman,1969
