[Harper's Monthly Magazine](#) ,1902 *Quick Fix: Seven Steps to Happiness* Dr. Bonita C. Glover,2014-01-03 With happiness fleeing from those who once had it and becoming an elusive dream for many it is important to provide an answer to the question How do I find happiness Even though happiness is as abstract as the air we breathe both provide evidence that they exist The proof of the lack of air is death and the proof of the lack of happiness is unhappiness misery and discontentment lack of joy and gratefulness and being disgruntled and dissatisfied Happiness is obtainable when we are willing to do whatever it takes to get it In finding happiness we must remember that walking through this life is not all about us Its about who we are through the creator finding our purpose and destiny so we can live happy fulfilled lives and live life in according to the plan that was designed for us individually It is important to find happiness not only so you can live a better life but also because the mental status of parents and role models affect the mental stability of the children Unhappy situations happen every day and anyone can recall a situation of unpleasantness death divorce loss of a job demotion etc Even so the question is not whether we have been unhappy but rather whether our level of happiness over time is strong enough to bring us back to the momentum on the continuum of happiness If you are uncertain about your happiness *A Quick Fix Seven Steps to Happiness* offers a guide to help you find your happiness *God'S Mysteries and Paradoxes: Looking Through the Glass, Darkly* Dr. Carroll M. Helm,2013-11-01 Gods Mysteries and Paradoxes Looking through the Glass Darkly is a book

about paradoxes and how they were actually created by God to bring unique enlightenment but also to confound the so called earthly wisdom Paradoxes also keep believers humble by showing them that Gods ways are not always mans ways For this is what the high and lofty One sayshe who lives forever whose name is holy I live in a high and holy place but also with him who is contrite and lowly in spirit to revive the spirit of the lowly and to revive the heart of the contrite Isaiah 57 15 This book introduces the reader to the ancient idea of The Divine Paradox written by Hermes Trismegistus thrice great in The Divine Pylander An additional book Corpus Hermeticum was translated by Marsilio Ficino during the early Renaissance and helps frame the philosophical paradox of nature versus faith This book along with other fragments written by Hermes Trismegistus was translated in the early 1400s and caused a rebirth of its teachings during the Renaissance Modern secret societies and the occult are using much of the same knowledge to deceive people in the world today Evidence shows Albertus Magnus Roger Bacon and the Knights Templar possessed ancient knowledge and from it gave rise to secret organizations and societies operating today including the Illuminati Freemasons and modern occultists

Valleys and Victories Lorraine Williams-Lewis, 2021-07-26 The reason why I wrote this book is to assist women of all culture and races with some form of knowledge of how to cope in the valleys of life I hope women will learn from my mistakes and do it better I am not a saint or self righteous My hope is that they will get to know Christ in an intimate way because if women have a personal relationship with Jesus Christ their lives will become better They will have a better survival rate than someone who is on their own and has no one The bad things that people do to you God turns it around in your favor God has a purpose for all our lives He is always working behind the scenes When people come against you God allowed it because it is all in his plan to work the kinks out of you and to take the bad parts of you to make you better Life sometimes is not fair but it is serving his plan to create you to be better stronger wiser self assured and direct you into his purpose for your life God intended it for good when he use the Judas of your life It was hurtful to me when people ostracized me lied on me betrayed me etc It made me stronger wiser nonjudgmental humbled me and gave me empathy for others Everything serves a purpose in your life Stay strong keep the faith trust God stay prayerful decree and declare great things for your life Believe and see those great things for your life is happening even if it is not physically in existence Hebrews 11 1 Never give up for if you keep on moving and doing the right things you will someday succeed and be victorious over your obstacles in your life God is giving you strength by allowing adversities to come into your life Your adversities come not to destroy you but to push you further into God s great plan for your life This is my life lesson learned and Christ was guiding me the whole time Yea I walk through the valley of the shadow of death I will fear no evil For thou are with me thy rod and thy staff they comfort me Psalm 23 4
