Lookaway, Lookaway Wilton Barnhardt, 2025-09-23 One of Slate's and Kirkus Review's Best Books of 2013 and The New York Times National Public Radio and Indie Bound bestseller *Lookaway* is a wild romp through the South and therefore the history of our nation written by an absolute ringmaster of fiction Alice Sebold New York Times bestselling author of *The Lovely Bones* Jerene Jarvis Johnston and her husband Duke are exemplars of Charlotte North Carolina's high society where old Southern money and older Southern secrets meet the new wealth of bankers boom era speculators and carpetbagging social climbers Steely and implacable Jerene presides over her family's legacy of paintings at the Mint Museum Duke the one time college golden boy and descendant of a Confederate general whose promising political career was mysteriously short circuited has settled into a comfortable semi senescence as a Civil War re enactor Jerene's brother Gaston is an infamously dissolute bestselling historical novelist who has never managed to begin his long dreamed of literary masterpiece while their sister Dillard is a prisoner of unfortunate life decisions that have made her a near recluse As the four Johnston children wander perpetually toward scandal and mishap Annie the smart but matrimonially reckless real estate maven Bo a minister at war with his congregation Joshua prone to a series of gay misadventures and Jerilyn damaged but dutiful to her expected role as debutante and eventual society bride Jerene must prove tireless in preserving the family's legacy Duke's fragile honor and what's left of the dwindling family fortune She will stop at nothing to keep what she has but is it too much to ask for one ounce of cooperation from her heedless family In *Lookaway* Wilton Barnhardt has written a headlong hilarious narrative of a family coming apart a society changing beyond recognition and an unforgettable woman striving to pull it all together A Kirkus Reviews Best Fiction Book of 2013 **The Gateway**, 1904 *Planet Fires* Thomas Babe, 1987 THE STORY The action of the play centers on the picaresque adventures of Henry Hitchcock a Union Army deserter and Will Hill a runaway slave with whom Henry has journeyed to the north They join the traveling circus run by a flamboyant impresario *Journal of American Folklore*, 1927 Before Speech Margaret Bullowa, 1979-09-27 Long before they can make any sounds approaching language infants can share in communication though what this means is the subject of much scrutiny This 1979 volume deliberately draws on people whose different backgrounds have brought them to explore questions that have a bearing on communication in this earliest phase of human infancy This is then as Dr Bullowa says in her introduction primarily a book about how scientists go about finding out how infants and adults communicate with one another It is nowhere dogmatic contributors have all been encouraged to say why they came to do the research reported how they set about it and what they discovered Dr Bullowa herself provides a useful introduction which makes its own substantial contribution while surveying the broad context of the particular research discussing some of the themes that recur in the book and relating them to the wider literature **The Crystallization of the Epistle to the Romans** Lee Witness, 1996-08 **Jonathan** D. W. Whittle, 1900 *The Golden Harp; Or, Campmeeting Hymns, Old and New* George W.

The Dry Grass of August Anna Jean Mayhew,2019-01-29 In this beautifully written debut Anna Jean Mayhew offers a riveting depiction of Southern life in the throes of segregation what it will mean for a young girl on her way to adulthood and for the woman who means the world to her On a scorching day in August 1954 thirteen year old Jubie Watts leaves Charlotte North Carolina with her family for a Florida vacation Crammed into the Packard along with Jubie are her three siblings her mother and the family s black maid Mary Luther For as long as Jubie can remember Mary has been there cooking cleaning compensating for her father s rages and her mother s benign neglect and loving Jubie unconditionally Bright and curious Jubie takes note of the anti integration signs they pass and of the racial tension that builds as they journey further south But she could never have predicted the shocking turn their trip will take Now in the wake of tragedy Jubie must confront her parents failings and limitations decide where her own convictions lie and make the tumultuous leap to independence Infused with the intensity of a changing time here is a story of hope heartbreak and the love and courage that can transform us from child to adult from wounded to indomitable Mayhew keeps the story taut thoughtful and complex elevating it from the throng of coming of age books Publishers Weekly Beautifully written with complex characters an urgent plot and an ending so shocking and real it had me in tears Eleanor Brown New York Times bestselling author of The Weird Sisters A must read for fans of The Help Woman s World

Flight from Destiny Michael Sandusky,2007-12-12 You may remember David as the boy who killed the giant with a slingshot You may see him as the King of Israel You may know that many of the Psalms are attributed to him However do you know how those Psalms were written Did he just sit down one day and decide to write a nice Psalm Nothing could be further from the truth The Psalms were a natural part of his everyday experiences in prayer admonition to the public discourses with friends and music Flight from Destiny Psalmwriter The Chronicles of David Book I is the first volume of a six volume devotional novel on David and his life The boy who became a king may amaze youoh not because he was extraordinary but because he was so ordinary He was just like each of us Here is a boy who made his way through adolescence to manhood by the skin of his teeth He fell in love and then lost his love He acted crazy in front of royalty showed great courage in facing the giant and yet was scared to death of those who hunted him for one purpose to kill him A number of hair raising exciting adventures several of which bring him close to death will keep you on the edge of your seat You may cry but you will surely laugh at some of the hilarious situations in which he and those around him find themselves Sometimes a person just needs to face life as it is and go on David had a hard time with this thought For years he felt his anointing by Samuel had been for the purpose of killing the giant He resisted the thought that it was for any other undertaking This was not the destiny of a shepherd Heroes were the ones who should become kings Yet during this confusing

time of his young adult years he encounters four men that will have a mighty impact on his life One of them will save his life and another of them will have the audacity to tap the warriors chest in chastisement Who will save the man and his followers when they are backed up against a chasm with six thousand soldiers against them The answer may surprise you Get ready to empathize with David Be prepared to experience his heartache self doubt loneliness despair defeat and depression as well as his life of praise prayer and victory We will look in on his marital problems and raise his children with him If we are ordinary like the man of this volume then we may just see ourselves running from life sometimes discouraged and defeated We question God and search for him In fear we run from lifes problems and although we may not have someone trying to kill us we still struggle with our marriages and our children We still hurt terribly when we have lost that mate or that best friend We want to know what Gods will is for us and how not to succumb to temptation and then when we do fall how to come back to God with a contrite heart

Psalmwriter Michael Sandusky,2006-09 Sandusky offers the first of a six volume devotional novel on the life and loves of David the boy who became king the Star of Bethlehem *Why Confederates Fought* Aaron Sheehan-Dean,2009-08 Despite the massive volume of writing on the American Civil War one of the fundamental questions about it continues to bedevil us Why did non slave holders sacrifice so much to build a slave republic Non slave holders commitment was not marginal they formed the vast majority of soldiers who fought on behalf of the Confederacy Nor was slaver

Religious Folk Songs of the Negro as Sung on the Plantations Hampton Institute,1909 **Collis' Zouaves** Edward J. Hagerty,2005-03-30 Led by the enthralling and controversial colonel Charles H T Collis the 114th Pennsylvania Infantry was in many ways unique among the regiments serving in the Union Army In Collis Zouaves Edward J Hagerty reconstructs the Civil War experiences of this unusual group of soldiers who embraced the flamboyant uniform style made famous by the French army s Zouaves Recruited in the summer of 1862 from Philadelphia and surrounding counties the regiment battled Stonewall Jackson in the Shenandoah Valley campaign and went on to participate in many of the major battles of the war including Fredericksburg Chancellorsville Gettysburg and Petersburg
