Looking Back...Moving Forward

Byaruhanga Solomon, 2021-04-21 You can deal with an issue all your life but until you choose to move on with a positive attitude you will remain stuck in your past There s power in a single positive thought Therein lies the flashlight to shine your path to recovery which reveals that you hold the power to your mind because it s you who feeds it and you hold the switch to a brighter day So turn it on My experience in moving forward in life began with me looking back and understanding the hurts of life I went through which led me to discover the power of forgiveness And when I did I made the decision to forgive and understand that everything happens for a reason it could be a life lesson Your future has a lot to do with your past You might not have had the chance to determine your past but you have a choice to turn your life around as well as the lives of the people around you So choose to use it wisely and so it matters with what attitude you are reflecting on your past I give you two options 1 the positive or 2 the positive

and mother Candace Wayne's beloved husband John is diagnosed with Lewy Bodies Dementia she finally has a name for the small changes she's born witness to for years In this essay collection Candace offers snapshots of the years leading up to John's death and those that unfold afterward Task oriented and responsible Candace is efficient in her role as caretaker learning how to best support a husband who must come to terms with his slow creeping loss of self sufficiency Meanwhile Candace's daughters have their own experience with their father's changes and the whole family must bend without breaking to accommodate his loss By turns raw and contemplative Candace's essays depict family road trips restaurant outings and doctors appointments and finally John's last breaths Much like Joan Didion's *The Year of Magical Thinking* this collection is true to the experience of mourning taking the reader through the author's real time experiences before revisiting episodes through the lens of retrospect Ultimately the author's sadness makes way for reluctant optimism as Candace awakens to the bittersweet realization that the person her husband's death caused her to become is a woman she's grateful to know

Looking Backward, Moving Forward Richard G. Hovannisian, The decades separating our new century from the Armenian Genocide the prototype of modern day nation killings have fundamentally changed the political composition of the region Virtually no Armenians remain on their historic territories in what is today eastern Turkey The Armenian people have been scattered about the world And a small independent republic has come to replace the Armenian Soviet Socialist Republic which was all that was left of the homeland as the result of Turkish invasion and Bolshevik collusion in 1920 One element has remained constant Notwithstanding the eloquent compelling evidence housed in the United States National Archives and repositories around the world successive Turkish governments have denied that the predecessor Young Turk regime committed genocide and like the Nazis who followed their example sought aggressively to deflect blame by accusing the victims themselves This volume argues that the time has come for Turkey to reassess the propriety of its approach and to begin the process that will allow it move into a post genocide era The work includes *Genocide An Agenda for Action* Gijs M de Vries *Determinants of the Armenian Genocide* Donald Bloxham *Looking Backward and Forward* Joyce Apsel *The United States Response to the Armenian Genocide* Simon Payaslian *The League of Nations and the Reclamation of Armenian Genocide Survivors* Vahram L Shemmassian *Raphael Lemkin and the Armenian Genocide* Steven L Jacobs *Reconstructing Turkish Historiography of the Armenian Massacres and Deaths of 1915* Fatma M ge G ek *Bitter Sweet Memories The Armenian Genocide and International Law* Joe Verhoeven *New Directions in Literary Response to the Armenian Genocide* Rubina Perroomian *Denial and Free Speech* Henry C Theriau **Moving Forward, Looking Back** Sarah M. Misemer, 2010 Many critical shifts in concepts of time and society's consciousness of modernity were derived from the railway and World

Standard Time in the nineteenth century These innovations restructured the way people viewed the world and dealt with public and private time The forward projectile motion along a linear track mimicked the passage of public chronological time Conversely the train also invoked a private nostalgic view of time as the traveler was yanked from his/her traditional view of the space-time continuum via the train's velocity Travelers observed the landscape disappear in their backward glance from the window although the landscape and interior compartment's space remained stagnant This optical illusion caused passengers to perceive the world in new ways Thus the train unveils a conflictive blend of nostalgia and progress in the River Plate as these countries move forward but look back
