For Love and Money: the Literary Art of the Harlequin Mills and Boon Romance Laura Vivanco, 2011-01-01 Laura Vivanco's study challenges the idea that Harlequin Mills Boon romances are merely mass produced commodities churned out in accordance with a strict and unchanging formula She argues that many are well written skilfully crafted works and that some are small masterpieces For Love and Money demonstrates the variety that exists beneath the covers of Harlequin Mills Boon romances They range from paranormal romances to novels resembling chick lit and many have addressed serious issues including the plight of post Second World War refugees threats to marine mammals and HIV AIDS The genre draws inspiration from Shakespearean comedies and Austen's novels as well as from other forms of popular culture Laura Vivanco's For Love and Money is an impressive study of the popular fiction of Harlequin Mills and Boon that is a must read for any student of popular fiction and for those who write and love the genre Liz Fielding author of over 50 Harlequin Mills Boon romances Deep learning wide reading and clear thinking are very much in evidence in Vivanco's exploration of HM B A welcome addition to popular romance criticism Professor Pamela Regis author of A Natural History of the Romance Novel Laura Vivanco's analysis of the category romance is both meticulous and inspiring And while Vivanco limits her examples and discussions to category romances by Harlequin Mills Boon and the HQN imprint her application of Frye's mimetic modes begs for expansion to texts and authors across the genre This piece of literary criticism should serve as a template for romance scholars to move from defending the genre to discussing its values and complexity as a literary art Maryan Wherry Journal of Popular Romance Studies

Jack Cade's Rebellion of 1450 I. M. W. Harvey,1991 Jack Cade s Rebellion of 1450 was one of the most important popular uprisings to take place in England during the Middle Ages It began as an orchestrated demonstration of political protest by the inhabitants of south eastern England against the corruption mismanagement and oppression of Henry VI s government This is the first full length study of Cade s revolt to be published this century Harvey charts the course of the rebellion and its associated troubles during the early 1450s and explores the nature of the society which gave rise to these upheavals She uncovers the identities of the rebels explains their actions assesses their relations with the magnates and examines their achievements illuminating the eventual collapse of Henry VI s reign into the War of the Roses **Poor Relief and Community in Hadleigh, Suffolk 1547-1600** Marjorie Keniston McIntosh,2013-04-01

At the cutting edge of new social and demographic history this book provides a detailed picture of the most comprehensive system of poor relief operated by any Elizabethan town Well before the Poor Laws of 1598 and 1601 Hadleigh Suffolk a thriving woolen cloth center with a population of roughly 3 000 offered a complex array of assistance to many of its residents who could not provide for themselves orphaned children married couples with more offspring than they could support or supervise widows people with physical or mental disabilities some of the unemployed and the elderly Hadleigh s leaders also attempted to curb idleness and vagrancy and to prevent poor people who might later need relief from settling in the town Based upon uniquely full records this study traces 600 people who received help and explores the social religious and economic considerations

that made more prosperous people willing to run and pay for this system Relevant to contemporary debates over assistance to the poor the book provides a compelling picture of a network of care and control that resulted in the integration of public and private forms of aid *Calendar of Treasury Books ...
