Ferraro, 2005-05-01 2006 American Book Award presented by the Before Columbus Foundation Southern Italian emigration to the United States peaked a full century ago descendents

are now fourth and fifth generation dispersed from their old industrial neighborhoods professionalized and fully integrated into the melting pot Surely the social historians are right Italian Americans are fading into the twilight of their ethnicity So why is the American imagination enthralled by The Sopranos and other portraits of Italian ness Italian American identity now a mix of history and fantasy flesh and bone people and all too familiar caricature still has something to teach us including why each of us as citizens of the U S twentieth century and its persisting cultures are to some extent already Italian

Contending that the media has become the primary vehicle of Italian sensibilities Ferraro explores a series of books movies paintings and records in ten dramatic vignettes Featured cultural artifacts run the gamut from the paintings of Joseph Stella and the music of Frank Sinatra to The Godfather s enduring popularity and Madonna s Italian background In a prose style as vivid as his subjects Ferraro fashions a sardonic love song to the art and iconography of Italian America *World Made Sexy* Paul Rutherford,2007-08-11

The cult of eroticism is a pervasive force in modern society affecting almost every aspect of our daily lives In this book Paul Rutherford argues that this phenomenon is a product of one of the major commercial and political enterprises of the twentieth and twenty first centuries the creation of desire for sex for wealth and for entertainment A *World Made Sexy* examines museum exhibitions art books magazines films and television to explore the popular rise of eroticism in America and across the developed world Starting with a brief foray into the history of pornography Rutherford goes on to explore a sexual liberation movement shaped by the ideas of Marx and Freud the erotic styles of Salvador Dali and pop art the pioneering use of publicity as erotica by Playboy and other media and the growing concerns of cultural critics over the emergence of a regime of stimulation In one case study Rutherford pairs James Bond and Madonna in order to examine the link between sex and aggression He details how television advertising after 1980 constructed a theatre of the libido to entice the buying public and concludes by situating the cultivation of eroticism in the wider context of Michel Foucault s views on social power and governmentality and specifically how they relate to sexuality during the modern era A *World Made Sexy* is about power and pleasure emancipation and domination and the relationship between the personal passions and social controls that have crafted desire

Singing for Themselves Patricia Spence Rudden,2009-03-26

Singing for Themselves Essays on Women in Popular Music is a fresh look at a topic that has attracted increasing interest in recent years In this collection scholars from a number of disciplines look at various artists and movements and come to some new conclusions about the ways in which female artists have contributed to the past four decades of pop rock blues and punk From new looks at major artists Etta James Laura Nyro and Patti Smith to later figures Ferron Bj rk and Melissa Etheridge these chapters suggest new ways to view and hear music that is already part of our culture Essays on the Indigo Girls Dixie Chicks and Destiny s Child prove that the girl groups tradition is alive and well but with additional new dimensions and a three essay section on Joan Jett and the Riot Grrrls phenomenon sheds new light on their implications for feminist artistic expression The final piece an annotated bibliography of academic writing on women in rock helps make this collection a

useful addition to the library of students of popular music while the solid research and accessibility of the text make this a good choice for the general reader as well as the seasoned scholar If you think that adoration of certain pop music is a guilty pleasure not worthy of higher intellectual aspirations then *Singing For Themselves* offers absolution It s far from trivial to ponder the Tao of Canadian singer Ferron the classical allusions of Laura Nyro s lyrics the postfeminist booty shaking of Destiny s Child or the historical milieu that turned Jamesetta Hawkins into blues great Etta James Reading these essays made me want to go right back to the music feeling wiser yes but also validated in the desire to go as deep as any song or singer can take me Michele Kort author of *Soul Picnic The Music and Passion of Laura Nyro* and senior editor at Ms magazine I ve read *Singing for Themselves Essays on Women in Popular Music* and am happy to provide an endorsement *Singing for Themselves* is a consistently interesting collection of new essays on women and popular music The collection is all the more welcome for being so current It mixes essays on recent phenomena such as electronic punk group Le Tigre and the Dixie Chicks stirring of political controversy with new perspectives on canonical figures like Patti Smith or Etta James The essays gathered here are written with clear commitments but all are marked by care and scholarly rigour I found the interdisciplinary breadth of *Singing for Themselves* refreshing new avenues for research are opened up here and new theoretical paradigms are explored Will Straw PhD Acting Director McGill Institute for the Study of Canada Associate Professor Department of Art History and Communication Studies Opening this book was like opening the door onto a surprise party Everyone I ve ever wanted to meet was in there including myself Ferron *Music and Culture in the Middle Ages and Beyond* Benjamin Brand, David J. Rothenberg, 2016-10-27 The essays in this volume offer diverse innovative approaches to medieval music and culture *The Fiction of America* Susanne Hamscha, 2013-05 The Fiction of America juxtaposes classic literature of the American Renaissance with twentieth century popular culture pairing for instance Ralph Waldo Emerson with Finding Nemo Walt Whitman with Spiderman and Hester Prynne with Madonna to investigate how the Americanness of American culture constitutes itself in the interplay of the cultural imaginary and performance Conceptualizing America as a transhistorical practice Susanne Hamscha reveals disruptive spectral moments in the narrative of America which confront American culture with its inherent inconsistencies *'Rock On': Women, Ageing and Popular Music* Abigail Gardner, 2016-03-16 For female pop stars whose star bodies and star performances are undisputedly the objects of a sexualized external gaze the process of ageing in public poses particular challenges Taking a broadly feminist perspective *Rock On* women ageing and popular music shifts popular music studies in a new direction Focussing on British American and Latina women performers and ageing the collection investigates the cultural work performed by artists such as Shirley Bassey Petula Clark Madonna Celia Cruz Grace Jones and Courtney Love The study crosses generations of performers and audiences enabling an examination of changing socio historical contexts and an exploration of the relationships at play between performance strategies star persona and the popular music press For instance the strategies employed by Madonna

and Grace Jones to engage with the processes and issues related to public ageing are not the same as those employed by Courtney Love or Celia Cruz The essays in this insightful collection reflect on the ways that artists and fans destabilise both the linear trajectories and the compelling weight of expectations regarding ageing by employing different modalities of resistance through persona re invention nostalgia postmodern intertextuality and even early death as the ultimate denial of age
