BRUSSELS SPROUTS A NEW FORCE

PHILIP BRUTTON

Maggies Foundation Brubels Sprouts A New Force

D. Keith Peacock

Maggies Foundation Brubels Sprouts A New Force:

Maggie's Foundation philip Bruton, 2003-09-01 Her ideas of running Great Britain have now been hijacked plagiarized and placed in jeopardy latterly retooled inexpertly by New Labor it wishes to submerge her beloved country which saved Europe under some amorphous and irresponsible bureaucracy feather bedded in Brussels luxuriating in its misplaced power to generate incessant impedimenta which erode British independence It is time her ideas were returned to sender and Maggie herself installed to lead the United States of Europe Matters she mused would then begin to hum **Thatcher's Theatre** D. Keith Peacock, 1999-03-30 The Thatcher administration of 1979 to 1990 had a profound and apparently lasting effect on British theatre and drama It is now roughly a decade since the fall of Margaret Thatcher and with the benefit of hindsight it has become possible to disentangle fact from fantasy concerning her effect on the British theatre During her administration there was a significant cultural shift which affected drama in Britain While some critics have argued that the theatre was simply affected by financial cutbacks in arts subsidies this volume challenges that view While it looks at the economic influence of Thatcher's policies it also examines how her ideology shaped theatrical and dramatic discourse It begins by defining Thatcherism and illustrating its cultural influence It then examines the consequences of Thatcherite policies through the agency of the Arts Council of Great Britain Having established this political and cultural environment the book considers in detail the effect of Thatcher's administration on the subject matter and dramatic and theatrical discourse of left wing drama and on the subsidized political theatre companies which proliferated during the 1970s Attention is then given to the development of constituency theatres such as Women's and Black Theatre which assumed an oppositional cultural stance and in some cases attempted to develop characteristic theatrical and dramatic discourses The penultimate chapter deals with the effect of Thatcherite economic policy and ideology on new writing and performance while the final chapter draws conclusions and suggests that the cultural shift perpetrated by the Thatcher regime has altered the status of subsidized theatre from an agency of cultural spiritual social or psychological welfare to an entertainment industry which is viewed as largely irrelevant to the workings of society

Immerse yourself in the artistry of words with Experience Art with is expressive creation, Immerse Yourself in **Maggies Foundation Brubels Sprouts A New Force** .
