Micah Malachi Word Biblical Themes:

Micah-Malachi Ralph Smith, 2020-12-15 A companion series to the acclaimed Word Biblical Commentary Finding the great themes of the books of the Bible is essential to the study of God's Word and to the preaching and teaching of its truths. These themes and ideas are often like precious gems; they lie beneath the surface and can only be discovered with some difficulty. While commentaries are useful for helping readers understand the content of a verse or chapter, they are not usually designed to help the reader to trace important subjects systematically within a given book. The Word Biblical Themes series helps readers discover the important themes of a book of the Bible. This series distills the theological essence of a given book of Scripture and serves it up in ways that enrich the preaching, teaching, worship, and discipleship of God's people. Volumes in this series, written by top biblical scholars, feature authors who wrote on the same book of the Bible for the Word Biblical Commentary series. Distill deep and focused study on a biblical book into the most important themes and practical applications of them. Give readers an ability to see the big picture of a book of the Bible by understanding what topics and concerns were most important to the biblical writers. Help address pressing issues in the church today by showing readers how the biblical writers approached similar issues in their day. Ideal for sermon preparation and for other teaching in the church. Word Biblical Themes are an ideal resource for any reader who has used and benefited from the Word Biblical Commentary series and will help pastors, bible teachers, and students as they seek to understand and apply God's word to their ministry and learning.

Testament Andrew T. Abernethy,Gregory Goswell,2020-11-03 Two respected Old Testament scholars offer a fresh comprehensive treatment of the messiah theme throughout the entire Old Testament and examine its relevance for New Testament interpretation Addressing a topic of perennial interest and foundational significance this book explores what the Old Testament actually says about the Messiah divine kingship and the kingdom of God It also offers a nuanced understanding of how New Testament authors make use of Old Testament messianic texts in explaining who Jesus is and what he came to do **Conversations on Canaanite and Biblical Themes** Rebecca S. Watson,Adrian H. W.

Curtis,2022-08-01 Arguments over the relationship between Canaanite and Israelite religion often derive from fundamental differences in presupposition methodology and definition yet debate typically focuses in on details and encourages polarization between opposing views inhibiting progress This volume seeks to initiate a cultural change in scholarly practice by setting up dialogues between pairs of experts in the field who hold contrasting views Each pair discusses a clearly defined issue through the lens of a particular biblical passage responding to each other s arguments and offering their reflections on the process Topics range from the apparent application of chaos and divine warrior symbolism to Yahweh in Habakkuk 3 the evidence for monotheism in pre Exilic Judah in 2 Kings 22 23 and the possible presence of chaos or creatio ex nihilo in Genesis 1 and Psalm 74 This approach encourages the recognition of points of agreement as well as differences and exposes some of the underlying issues that inhibit consensus In doing so it consolidates much that has been achieved in the past offers fresh ideas and perspective and through intense debate subjects new ideas to thorough critique and suggests avenues for further research The Unity of the Twelve Paul R. House,1990-05-01 Scholars have long noted the consistent canonical ordering of the minor prophets yet have not located their unity In this instructive book Paul House presents a close reading that demonstrates the Twelve s cohering principles Both literary criticism and the minor prophets are succinctly introduced

here Biblical theology is also furthered through the study's focus on unity **Playing with Dragons** Andy Angel, 2014-03-13 There be dragons all over the Bible From the great sea monsters of Genesis to the great dragon of Revelation dragons appear as the Bible opens and closes and they pop their grisly heads up at various junctures in between How did they get there and what on earth or indeed in heaven are they doing there This is a book for those who find standard discussions of faith and suffering frustrating Andy Angel opens up the rich biblical tradition of living with God in the midst of suffering He takes the reader on a journey of exploration through biblical texts that are often overlooked on account of their strangeness texts about dragons He shows how these peculiar passages open up a language of prayer through suffering in which people share their anger weariness disillusionment and even joy in suffering with God Angel explores how such weird Scriptures open up a whole new way of praying and reveal a God who approves of honest spirituality a spirituality that the Bible holds open but too many of its interpreters do not **The Obedient Son** Brandon D. Crowe, 2012-04-02 It has often been observed that Jesus filial obedience is an important Matthean theme In this work the author argues that the articulation of Jesus as Son of God in Matthew is significantly influenced by the Deuteronomic concept of obedient sonship After noting the complexities of Matthew's use of Scripture including the subtle ways he engages texts Deuteronomy's pervasive influence in ancient Judaism and Christianity is considered It is argued that the requirement of Israel's covenantal obedience as God's son's is a major concern in Deuteronomy as well as in other Jewish and Christian texts that appear to echo Deuteronomy Indeed it is argued that a pattern can be detected in which the sonship of Israel is invoked either to summon Israel to obedience or to rebuke the nation for disobedience The author concludes that the necessity of Israel's obedient sonship is an important part of Matthew's interpretive milieu that derives ultimately from Deuteronomy and our understanding of Matthean Christology is greatly enhanced when viewed in this context This study may further help us understand why Matthew's concern with obedient sonship applies not only to Jesus uniquely but also to the early Christian community *Essential Bible Study Tools for Ministry* Professor David R. Bauer, 2014-03-18 This up to date highly selective bibliography is designed to acquaint students and ministers with major works significant publishers and prominent scholars in biblical studies It is the perfect guide for beginning a research project or building a ministerial library References are included based on the following considerations 1 usefulness for the theological interpretation of the Bible within the context of the faith of the church 2 significance in the history of interpretation and 3 representation of evangelical and especially evangelical Wesleyan scholarship **The Book of Zechariah** Mark J. Boda, 2016 Over the centuries the prophetic book of Zechariah has suffered from accusations of obscurity and has frustrated readers seeking to unlock its treasures This work by Mark Boda provides insightful commentary on Zechariah with great sensitivity to its historical literary and theological dimensions Including a fresh translation of Zechariah from the original Hebrew Boda delivers deep and thorough reflection on a too often neglected book of the Old Testament *Metánoia (Repentance): A Major Theme of the Gospel of Matthew* ChoongJae Lee, 2020-04-13 Matthew

describes the beginning of Jesus's ministry with the summary words repent turn for the kingdom of heaven is at hand 3 2 4 17 Why does Matthew use this command at the beginning of his ministry and how does it relate to the rest of the Gospel What do and mean Scholars have stated that in 4 17 has critical value for understanding Matthew because the verse functions as a summary statement or key phrase of Jesus's public ministry and teaching This book argues the thematic significance of turning repentance in the Gospel of Matthew The lexical idea of and involves a turning of mind or heart will thinking and behavior and so in turn of one's whole being and life This opening commandment of turning especially the concept the essence and the contents is fully revealed throughout the body of Matthew in various ways Discipleship the language of righteousness doing the will of God changing one's heart and mind the Great Commission and Matthean soteriological theme convey the essence of and the contents of the fruit worthy of 3 2 8 4 17 The five major teaching blocks 5 7 10 13 18 23 25 teach the theme and the content of The IVP Women's Bible Commentary Catherine Clark Kroeger, Mary J. Old Testament Theology Paul R. House, 2012-11-30 Paul R House provides a comprehensive theology of the Old Testament carefully exploring each Old Testament book thematically summarizing its content and showing its theological significance within the whole of the Old Testament canon Student friendly and useful to a wide audience this impressive work has proved a profitable read for many *Index to Book Reviews in Religion*, 1992 **"The Place is Too Small for Us"** R. P. Gordon, 1995 The title of this volume is of course taken from 2 Kgs 6 1 where the prophetic group about Elisha point out that their accommodation is too cramped It seemed an apt comment on the capacity of any proposed volume to house and adequate representation of the work that has recently been done on Israelite prophecy To this I now have to add the all too ironic confession that the so called pre classical prophets including Elisha and his colleagues could not be accommodated in the present volume Let no one complain about being misled by the subtitle when the title is so honest there are thirty six items of varying length and they divide almost equally between journal articles and excerpts from volumes some of these of composite authorship Naturally they represent one individual's selection from within his personal reading and this itself accounts for only a fraction of the vast scholarly output on the prophets whether since 1875 or since 1975 It will be apparent at several places in the volume that I take with great seriousness the study of Near Eastern non Israelite prophecy as background to the Israelite phenomenon so that the first short section The Near Eastern Background was unavoidable Editor's preface Fingerprints of Fire, Footprints of Peace Noel Moules, 2012-09-16 Christian spirituality with attitude Fourteen provocative pictures from Radical Mystic to Messianic Anarchist that explore identity destiny values and activism

Loving God and Disturbing Men Donald A. Leggett, 2003 *Loving God and Disturbing Men* is an excellent resource for preachers and teachers that provides a balance between technical scholarly commentaries and popular devotional works Its unique strength lies in the author's ability to show the relevance of the prophets for the contemporary church and its ministry Readers will appreciate the detailed scholarly treatment of the prophetic literature the author provides But equally important the author demonstrates that what the prophets said about God evil repentance history social justice and eschatology has the ring of immediacy for us Moreover the study is helpful in treating the lives of the prophets as models of spirituality in prayer suffering and preaching While the book is primarily for those who preach from the prophets it is suitable for a much wider audience A book on preaching from the prophets is desperately needed today by the Christian audience if we are to be faithful in declaring the whole counsel of God to our contemporary generation Professor Donald Leggett is to be commended on his desire to aid the Christian community and its proclaimers in advancing this cause It is a pleasure to commend this work Walter C Kaiser Jr Here is a pump primer and launch pad for preachers Dr Leggett's aim is to show us the wisdom of the prophets in a way that will excite us and enable us to share what we have seen I appreciate this book for I think it will do its job And the job is an important one J I Packer Donald A Leggett Th D Free University Amsterdam is Professor Emeritus of Old Testament at Tyndale University College and Seminary in Toronto Ontario For 25 years he also served as a pastor and elder at Village Green Baptist Church in London Ontario
