Natural Motivation In The Pauline Epistles:

Natural Motivation in the Pauline Epistles Robert J. Austgen, 1969 *Natural Motivation in the Pauline Epistles*
Robert J. Augusten, 1966 **Natural Motivation in the Pauline Epistles...** Robert J. Austgen ((père de Sainte Croix., Le P.), 1966 Biblical Natural Law Matthew Levering, 2008-03-21 Natural law theory is controversial today because it presumes that there is a stable human nature that is subject to a law How do we know that human nature is stable and not ever evolving How can we expect law not to constrict human freedom and potential Furthermore if there is a law there must be a lawgiver Matthew Levering argues that natural law theory makes sense only within a broader worldview and that the Bible sketches both such a persuasive worldview and an account of natural law that offers an exciting portrait of the moral life To establish the relevance of biblical readings to the wider philosophical debate on natural law this study offers an overview of modern natural law theories from Cicero to Nietzsche which reverse the biblical portrait by placing human beings at the center of the moral universe Whereas the biblical portrait of natural law is other directed ordered to self giving love the modern accounts turn inward upon the self Drawing on the thought of St Thomas Aquinas Levering employs theological and philosophical investigation to achieve a contemporary doctrine of natural law that accords with the biblical witness to a loving Creator who draws human beings to share in the divine life This book provides both an introduction to natural law theory and a compelling challenge to re think current biblical scholarship on the topic Natural Motivation in the Pauline Epistles. Dissertation, Etc Robert J. AUSTGEN, 1966 *Seven Pauline Letters* Peter F. Ellis, 1982 These insights on the literary structure and theological argumentation of Paul's letters lead to a deeper and more unified understanding of Paul's message and spirituality Explanations of apocalyptic literature eschatology and the kenotic hymn Phil 2 6 11 contribute to this thorough study of Paul's mind and theology An Exegetical Bibliography of the New Testament: Romans and Galatians Günter Wagner, 1983 Library has v 1 3 Jewish Law in Gentile Churches Markus Bockmuehl, 2000-11-20 Why did the Gentile church keep Old Testament commandments about sex and idolatry but disregard many others like those about food or ritual purity If there were any binding norms what made them so and on what basis were they articulated In this important study Markus Bockmuehl approaches such questions by examining the halakhic Jewish legal rationale behind the ethics of Jesus Paul and the early Christians He offers fresh and often unexpected answers based on careful biblical and historical study His arguments have far reaching implications not only for the study of the New Testament but more broadly for the relationship between Christianity and Judaism The Reshaped Mind Lace Marie Williams-Tinajero, 2010-11-11 A number of biblical scholars and theologians have had interest in speech act theory ever since J L Austin 1911 1960 outlined how a speaker can perform actions with words John R Searle has made a significant contribution to speech act theory after Austin by rooting his philosophy of language in the philosophy of mind however Searle's categories remain largely under or misrepresented in theological circles In this book the author works exclusively with Searle's categories to examine five NT

texts on the blood of Christ motif Rom 3 25 Heb 9 12 John 6 52 59 Rev 1 5b 6 Rev 7 13 14 The main result is a broader understanding of Christ's blood in a literal sense rather than simply as a metaphor for his death Exegetical Guide to the Greek New Testament, Volume 12 Murray J. Harris, 1991-01-30 This first volume of the Exegetical Guide to the Greek New Testament series is designed to help the student or pastor understand and expound the Greek text of the Books of Colossians and Philemon For each paragraph the exegetical notes include the Greek text structural analysis grammatical discussion topics for further study and homiletical suggestions

Learning from the Sages Roy Check B. Zuck, 2003-10-15 Superior studies on salient themes and texts of Proverbs now join similar anthologies on Job and Ecclesiastes that have been compiled by Roy B Zuck Learning from the Sages assembles thirty two essays by twenty seven scholars covering genre themes and expositions of selected passages Some include technical details of Hebrew but in depth linguistic knowledge is not necessary Part 1 looks at the structure context and message of Proverbs and offers suggestions on understanding its content terms used and metaphors for wisdom wealth and poverty Essays on individual texts are arranged in canonical order in Part 2 Commentators discuss such memorable sections as the advice to young men in Chapter 3 the seductress of Chapter 5 and the comparisons of the fool and the wise Contributors include Kathleen Farmer R N Whybray William Mouser Jr Bruce Waltke William McKane Roland Murphy Duane Garrett Sid Buzzell Allen Ross and David Hubbard

Paul and Power Bengt Holmberg, 2004-09-27 The study of the evolution of church structure and order has been subject to considerable research and debate often with theological presuppositions determining the direction taken In this highly original work Bengt Holmberg separates historical groundwork from theological analysis by reviewing the issues from a sociological point of view What emerges is an unusually lucid study of the network of power relationships which can be traced in the decades of St Paul's ministry The principal actors and situations in the Pauline Epistles suggest what the organizational and leadership realities of the times were like and how Paul his co workers and his churches related to one another In Part One Holmberg provides a historical description of the distribution of power at three levels in the primitive church that between the church in Jerusalem and the apostle Paul at the regional level where Paul operates in local churches personally through co workers and by letters and at the local intrachurch level In Part Two Holmberg develops a sociological analysis of the shape and location of authority in the church He examines the New Testament literature for evidence and then interprets it in terms of categories derived from modern theoretical sociology and in particular from Max Weber's sociology of authority Holmberg describes the nature of authority in the early church and concludes that a charismatic authority was continuously reinstitutionalized through interaction of persons institutions and social forces within the church This persuasive and provocative study combines serious New Testament interpretation with sociological analysis of a crucial issue in earliest Christianity It advances the case of sociological exegesis by offering a model for further investigations of the entire structure of church leadership and authority in emergent Christianity

The Practice of Hope Néstor Oscar Míguez, 2012-06 In Not Like Those

Who Have No Hope Nestor O Miguez brings the insights of historical critical study and political analysis together with incisive theological reflection Taking on European philosophical interpretations of Paul the North Atlantic consensus regarding social stratification in the Pauline churches and the distortions of rapture theology Miguez situates Paul's mission in the political context of Roman Thessalonica and reads his first letter in engagement with Latin American realities The result is a surprising rediscovery of Paul as an organic intellectual for whom hope is always a socially concrete reality

The National Union Catalogs, 1963-, 1964 Colossians and Philemon Murray J. Harris, 2010 One of twenty projected volumes in the Exegetical Guide to the Greek New Testament series helping students and pastors alike to understand and expound the Greek text *A Spiritual Portrait of a Believer* Chet Cataldo, 2010-02-19 The focus of this study is to discover the identity of the emphatic I of Rom 7 with the added purpose of attempting to draw a spiritual portrait of a mature Christian believer To accomplish this purpose the process is as follows An examination of Rom 7 within its context is conducted This examination is followed by an attempt at determining the experience of the emphatic I found within Rom 7 The next step in the process is to compare the experience of the emphatic I of Rom 7 as found within its context of Rom 1-8 with what Paul wrote elsewhere on the experience of new life in Christ for Christian believers The purpose of this comparison is to discover if Paul had a consistent portrait of spirituality and Christian maturity The final step is to compare the experience described by Paul both in Rom 7 and in the wider Pauline Corpus with the experience which John Wesley called perfection and with the Mystical experience called the spiritual marriage The study of Romans Wesley and the Mystics coupled with the wider study of the secondary literature showed that there is a remarkable consistency in the teaching and understanding that the closer a Christian believer gets to God the more this Christian believer is aware of his or her own sinfulness Paul in describing the experience of the emphatic I is describing a person who is becoming more and more aware of his or her own sinfulness The conclusion to be drawn from this study is that the identity of the emphatic I is of a regenerate Christian believer one who is growing ever closer and closer to God and at the same time is in pain over the remaining effects of sin **Ephesians** Harold W. Hoehner, 2002-12 Destined to become the definitive commentary on Ephesians this resource combines detailed exegesis and extensive interaction with contemporary scholarship **NIVAC Bundle 7: Pauline Epistles** Douglas J. Moo, Craig L. Blomberg, Scott J. Hafemann, Scot McKnight, Klyne Snodgrass, Frank S. Thielman, Daniel Garland, Michael W. Holmes, Walter L. Liefeld, 2015-11-03 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context To bring the ancient messages of the Bible into today's world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical

messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today s preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God s Word with the same powerful impact it had when it was first written **Writers Directory** NA NA,2016-03-05 *Catalog of Copyright Entries.
