

"To discover the right balance between grace and nature is a daily struggle in the history of the Church and in the heart of each Christian."

In this controversial book, Cardinal Suenens warns against the dangers of an excessive concentration on "self" which he sees as a danger for today's Christian. "A Christian cannot live his faith as a solitary being. He needs to live it with other Christians who quite literally share it with him. And all Christians must share their faith with each other." He warns against the excessive concentration on self emphasized by some humanist writers and by certain forms of psychology. In doing so, he outlines his own understanding of true Christian growth; it is achieved by a harmonious integration of nature with grace. The spiritual life is life with the Holy Spirit and every attempt at introspection and personal growth should be seen in the light of this belief. Only thus can Christian renewal take place.

Cardinal Léon-Joseph Suenens, formerly Archbishop of Brussels-Malines, is the author of many books including *A New Pentecost?*, *Your God?*, *Open the Frontiers*, *Charismatic Renewal and Social Action* (with Dom Helder Camara), and *Renewal and the Powers of Darkness*.
