[The Battle for Norway: April-June 1940](#) Geirr Haarr,2010-05-10 The acclaimed historian and author of *The Gathering Storm* continues his in depth study of Northern European naval warfare during WWII The Nazi invasion of Norway in 1940 was the first modern campaign in which sea air and ground forces interacted decisively In this detailed history Gierr H Haarr presents a comprehensive study of the naval aspects of the operation He begins with the events off the coast of southern and western Norway where Norwegian and British forces attempted to halt the German advance out of the invasion ports as well as the stream of supplies and reinforcements across the Skagerrak Strait Haarr then focuses on the British landings in Central Norway where the Royal Navy first had its mastery challenged by air superiority from land based aircraft Next he examines the events in and around Narvik where Allied naval air and land forces were engaged in the first combined amphibious landings of World War II Finally Haarr sums up the the evacuation in June in which the first carrier task force operations of the war including the loss of the HMS *Glorious* figure prominently As Haarr s previous volume *The Gathering Storm* the narration shifts between strategic and operational issues and the experiences of the officers and soldiers on the frontlines Extensive research and use of primary sources reveal the many sides of this battle some of which remain controversial to this day

[The Great Sea War: The Story Of Naval Action In World War II](#) E. B. Potter,Fleet-Admiral Chester W. Nimitz,2015-11-06 A brilliant concise and perhaps best single volume history of the Second World War at Sea Written by veteran historian E B Potter during his time as resident historian at the United States Naval Academy this history is filled with action and analysis As the conflict raged from the Pacific to the North Sea the author takes the action in each theater for the purposes of clarity but masterfully links the actions and events together to preserve the historical integrity of the work A classic of Naval History

Churchill Stephen Napier,2018-08-24 Churchill has gone down in history as one of the greatest leaders the world has ever known From the day the Second World War was declared he stood out as the only man wanting to take offensive action But is this accolade

deserved The first few years of the war were nothing short of disastrous and author Stephen Napier shows how Churchill's strategies and his desire not to be the first British prime minister to surrender the nation brought the war effort to the brink of ruin and back again Did his series of retaliatory raids in response to a German accidental bombing help cause the Blitz Were plans already at large for the US to join the war with Churchill as the primary puppet master Napier explores all this and more in a controversial examination of Churchill's leadership using first person accounts from his peers and electorate
