Nazi Empire Building And The Holocaust In Ukraine:

Nazi Empire-building And The Holocaust In Ukraine Wendy Lower, 2005 Focusing on the Zhytomyr region and weaving together official German war time records diaries memoirs and personal interviews this work provides an assessment of German colonization and the Holocaust in Ukraine It shifts attention from Germany itself to the eastern outposts of the Reich where the regime truly revealed its core beliefs

The Holocaust and the Germanization of Ukraine Eric C. Steinhart, 2015-02-09 The German invasion of the Soviet Union during the Second World War was central to Nazi plans for territorial expansion and genocidal demographic revolution To create living space Nazi Germany pursued two policies The first was the systematic murder of millions of Jews Slavs Roma and other groups that the Nazis found undesirable on racial religious ethnic ideological hereditary or behavioral grounds It also pursued a parallel albeit smaller program to mobilize supposedly Germanic residents of Eastern Europe and the Soviet Union so called Volksdeutsche or ethnic Germans as the vanguard of German expansion This study recovers the intersection of these two projects in Transnistria a portion of southern Ukraine that because of its numerous Volksdeutsche communities became an epicenter of both Nazi Volksdeutsche policy and the Holocaust in conquered Soviet territory ultimately asking why local residents whom German authorities identified as Volksdeutsche participated in the Holocaust with apparent enthusiasm

mobile killing units and in 1943 thousands of these policemen deserted from German service to join the OUN led nationalist insurgency during which UPA killed Jews who had managed to survive the major liquidations of 1942
