Ncss Presidential Addresses 1936 1969 Perspectives On The Social Stud:

The Ncss Presidential Addresses, 1936-1969: Perspectives on the Social Studies ... Ed460065 ... U.s. Department of Education United States. Office of Educational Research and Improvement,2004* The New Social Studies Barbara Slater Stern,2009-11-01 This volume The New Social Studies People Projects and Perspectives is not an attempt to be the comprehensive book on the era Given the sheer number of projects that task would be impossible However the current lack of knowledge about the politics people and projects of the NSS is unfortunate as it often appears that new scholars are reinventing the wheel due to their lack of knowledge about the history of the social studies field The goal of this book then is to sample the projects and individuals involved with the New Social Studies NSS in an attempt to provide an understanding of what came before and to suggest guidance to those concerned with social studies reform in the future especially in light of the standardization of curriculum and assessment currently underway in many states The authors who contributed to this project were recruited with several goals in mind including a broad range of ages interests and experiences with the NSS from participants during the NSS era through new young scholars who had never heard much about the NSS As many of the authors remind us in their chapters much has been written of the failure of the NSS However in every chapter of this book the authors also point out the remnants of the projects that remain **Reel Character Education** William B. Russell,Stewart Waters,2010-10-01 Values attitudes and beliefs have been depicted in movies since the beginning of the film industry Educators will find this book to be a valuable resource for helping explore character education with film This book includes an overview of the history of character education a discussion of how to effectively teach with film and a discussion about analyzing film for educational value This book offers educators an effective and relevant method for exploring character education with today s digital and media savvy students This book details how film can be utilized to explore character education and discusses relevant legal issues surrounding the use of film in the classroom Included in this book is a filmography of two hundred films pertaining to character education The filmography is divided into four chapters Each chapter details fifty films for a specific educational level elementary middle high school and postsecondary Complete bibliographic information summary and applicable character lesson topics are detailed for each film This book is clearly organized and expertly written for educators and scholars at the elementary middle high school and postsecondary levels **Addressing Social Issues in the Classroom and Beyond** Samuel Totten,Jon Pedersen,2007-01-01 Addressing Social Issues in the Classroom and Beyond The Pedagogical Efforts of Pioneers in the Field is comprised of essays that delineate the genesis and evolution of the thought and work of pioneers in the field of social issues and education The authors many of whom themselves are noted professors of education and who have done significant work in the field of social issues and education delineate and analyze the efforts e g theoretical work research curriculum development and teaching of such pioneers within the larger framework of their life story As a result the reader is not only

introduced to the significant work of each pioneer but valuable and often fascinating insights into how his her life experiences informed his her thinking beliefs goals and work This book constitutes a rich and unusual record of the thinking and accomplishments of those luminaries who worked tirelessly in the belief that a well educated and well informed populace was absolutely imperative in a democracy if the latter were to remain healthy and vibrant Beyond current scholars and students we believe that this book will be of great interest to a wide spectrum of individuals teacher educators who perceive the need to avail their students of the rich history rationales and methods for incorporating the study of social issues across the curriculum professors who teach history of curriculum courses and or history of education courses are likely to be drawn to the book both for the rich stories as well as the bounty of information found in each chapter those who specialize in autobiographical studies in the field of education are likely to find the book to be remarkably rich and valuable both for their own research as well as in their teaching secondary level teachers in science social studies and English who are interested in incorporating the study of social issues into the courses they teach will glean incredibly rich insights into why and how to go about such an endeavor and future scholars and students who care deeply about how society impacts education education impacts society and how individuals and groups can have a positive impact on society through their collective efforts are bound to find the book both fascinating and instructive

Movies and Moral Dilemma Discussions Stewart

Waters,William B. Russell,2020-07-01 Movies and Moral Dilemma Discussions A Practical Guide to Cinema Based Character Development explores the values attitudes and beliefs depicted on film Since the beginning of the film industry movie makers have depicted morals and values on the silver screen Teachers will find the book to be a valuable guide for infusing character education and film into the classroom The book includes an overview of character education a discussion of film pedagogy and explores utilizing film for educational purposes The Social Studies Professional ,2004 Who's who in American Education ,1990
