Near Changes Poems:

Near Changes Mona Van Duyn, 1990 *Mona Van Duyn's Near Changes* is a valuable addition to contemporary American poetry. This work provides a variety of riches surpassing even that of her earlier work. For wit, inventiveness, true feeling, and a sharp eye for the passing scene, there is no one better than she. From the Trade Paperback edition **Encyclopedia of American Poetry: The Twentieth Century** Eric L. Haralson, 2014-01-21 *The Encyclopedia of American Poetry: The Twentieth Century* contains over 400 entries that treat a broad range of individual poets and poems along with many articles devoted to topics, schools, or periods of American verse in the century. Entries fall into three main categories: poet entries which provide biographical and cultural contexts for the author's career; entries on individual works which offer closer explication of the most resonant poems in the 20th century canon; and topical entries which offer analyses of a given period of literary production, school, thematically constructed category, or other verse tradition that historically has been in dialogue with the poetry of the United States. **Selected Poems of Mona Van Duyn** Mona Van Duyn, 2008-12-30 This generous selection of Mona Van Duyn's distinguished award-winning work spans four decades. Beginning with her classic Valentines to the Wide World (1959) encompassing the intimate voice of *Bedtime Stories* (1972) and the moving *Letters from a Father* (1982) crowned by the life-spanning *Firefall* (1993), *Selected Poems* reacquaints us with a poet whose ear is keenly tuned to the music of nature and human conversation. In lively and varied forms, from her minimalist sonnets to her magisterial longer pieces, Van Duyn captures a multiplicity of worlds within her world in a tone inflected by both Midwestern pragmatism and a deep metaphysical intelligence. As she contemplates the act of reading in bed, a Rhenish sculpture in the Cloisters, or the loss of her mother, the poet goes beyond context to discover consciousness, an expression of the larger ideas and emotions, finally, the art in the smallest details of our lives. *Chronicle of the Pulitzer Prizes for Poetry* Heinz-D. Fischer, 2010-01-13 Joseph Pulitzer had not originally intended to award a prize for poetry. An initiative by the Poetry Society of America provided the initial impetus to establish the prize, first awarded in 1922. The supplement volume chronicles the whole history of how the awards for this category developed, giving an account based mainly on confidential jury protocols from the Pulitzer Prizes office at New York's Columbia University. This volume completes the series *The Pulitzer Prize Archive*. **Heart Change Poetry** Heart Change Tammy S. Eudy, 2005-02-09 This poetry is a result of my quiet time. It is the product of my devotional time spent in prayer and meditation. It is the quiet yearnings from my heart to the heart of God. These are more than poems or words on paper. The words set to poetry are my prayers to God. I pray that whoever reads them will be touched and changed. The message is simplistic but real. **Discovery & Reminiscence: Essays on the Poetry of Mona Van Duyn (p)** Michael Burns, 1998 *Mona van Dyun* is a former U.S. poet laureate (1992) and winner of a Pulitzer Prize (1991). To help broaden and inform our understanding of her work, the editor of this volume has gathered together ten essays, a poem, and a biographical sketch, as well as the author's own laureate address to the Library of Congress. The first section of this collection includes

tributes by other poets that elucidate the special effect Van Duyn's poetry has had on their work and thought as well as a poem that extols the qualities of her poems and places those qualities within her contemporary scene The second section contains eight essays exploring aspects as varied as Van Duyn's penchant for particularity her remarkable ability to rediscover for us the strangeness of everyday living and her elegant style fluid in both free verse and form The final section opens with Van Duyn's overview of the state of poetry in America at the close of the twentieth century and a short narrative history of her literary career *The Oxford Companion to Modern Poetry in English* Jeremy Noel-Tod, Ian
