El Narcotraficante Mark Cameron Edberg, 2004-02-01 Since the late 1970s a new folk hero has risen to prominence in the U S Mexico border region and beyond the narcotrafficker Celebrated in the narcocorrido a current form of the traditional border song known as the corrido narcotraffickers are often portrayed as larger than life social bandits who rise from poor or marginalized backgrounds to positions of power and wealth by operating outside the law and by living a life of excess challenging authority whether U S or Mexican and flouting all risks including death This image rooted in Mexican history has been transformed and commodified by the music industry and by the drug trafficking industry itself into a potent and highly marketable product that has a broad appeal particularly among those experiencing poverty and power disparities At the same time the transformation from folk hero to marketable product raises serious questions about characterizations of narcocorridos as narratives of resistance This multilayered ethnography takes a wide ranging look at the persona of the narcotrafficker and how it has been shaped by Mexican border culture socioeconomic and power disparities and the transnational music industry Mark Edberg begins by analyzing how the narcocorrido emerged from and relates to the traditional corrido and its folk hero Then drawing upon interviews and participant observation with corrido listening audiences in the border zone as well as musicians and industry producers of narcocorridos he elucidates how the persona of the narcotrafficker has been created commodified and enacted and why this character resonates so strongly with people who are excluded from traditional power structures Finally he takes a look at the concept of the cultural persona itself and its role as both cultural representation and model for practice

pequeña aldea situada en la costa atlántica. Allí disfruta de una infancia solitaria con la naturaleza y el océano como únicos compañeros de juegos. Todos la conocen como la hija de la sirena. Su madre fue un misterio. Una leyenda sobre la que hacer conjeturas al calor de la lareira en las largas noches de invierno. Sin embargo, la superstición y el recelo de los aldeanos propician el rechazo con el que Mairi ha convivido desde la extraña desaparición de su madre durante una tormenta. La construcción de una enigmática casa de estilo indiano sobre las rocas y la llegada al pueblo de la distinguida familia Andrade Puig i Serra transforman por completo el mundo de la niña. Junto a Julia y Alfonso descubrir el significado de la verdadera amistad, pero una traición marcará el destino de sus vidas para siempre.

2007 Clara regresa a Galicia en plena crisis existencial, dispuesta a encontrarse a sí misma y a indagar sobre la historia de la mansión indiana que la obsesiona desde su infancia, así como la decadencia de la familia que la habitó. En ella, la joven sensible e introvertida consigue trabajo como asistente de Hilda Silva, una anciana escritora que parece esconder muchos secretos. Clara emprende un viaje al pasado en busca de la verdad que se oculta en las palabras silenciadas y que le permitirá reconstruir sus raíces y liberar viejos fantasmas.

Lucía Lago debuta en ficción con una novela con ecos de Kate Morton, Daphne du Maurier o Charlotte Brontë y el toque mágico del folclore gallego. Misterio, leyendas, romanticismo y amistad vertebran *El faro de la sirena*, una hermosa historia escrita con la delicadeza de los atardeceres y la ferocidad contenida de las tormentas, y que como el canto de las sirenas consigue hechizarte desde la primera página.

[Conjuro de luna](#) Bettina Belitz, 2014-05-02. Lejos queda ya el verano en el que Elisabeth Sturm descubrió el peligroso mundo de los ladrones de sueños. El verano en el que se enamoró de uno de ellos. Hace meses que Colin desapareció y Ellie sobrevive atormentada a un invierno que no quiere acabar nunca. Los días se suceden con monotonía y por la noche tiene pesadillas que la dejan agotada. Para intentar pensar en otra cosa, Ellie se marcha a Hamburgo a ver a su hermano. Pero apenas lo reconoce, parece agotado y angustiado como si quisiera ocultar algo. Cuanto más se introduce en el mundo de Paul, más le invade a Ellie una sensación de amenaza y de pronto ya no sabe en quién puede confiar. Ignora que su preocupación por Paul y su amor por Colin podrán herirla más que el peor de los sueños.
