Noddy Surprise Surprise Bk 1:

Enid Blyton: The Biography Barbara Stoney, 2011-08-26 Enid Blyton is known throughout the world for her imaginative children's books and her enduring characters such as Noddy and the Famous Five. She is one of the most borrowed authors from British libraries and still holds a fascination for readers old and young alike. Yet until 1974 when Barbara Stoney first published her official biography little was known about this most private author even by members of her own family. The woman who emerged from Barbara Stoney's remarkable research was hardworking, complex, often difficult and in many ways childlike. Now this widely praised classic biography has been fully updated for the twenty-first century and with the addition of new colour illustrations and a comprehensive list of Enid Blyton's writings documents the growing appeal of this extraordinary woman throughout the world. The fascinating story of one of the world's most famous authors will intrigue and delight all those with an interest in her timeless books. **Whitaker's Cumulative Book List**, 1970 **Whitaker's**

Five-year Cumulative Book List, 1968 **Where's Noddy?** Martin Hill-Jones, 2013-08-07 A very British institution is the Holiday Camp. At the heart of Pontins Holidays was the entertainments team, the Bluecoats. When not running competitions and bingo, introducing cabaret acts, acting as compère for Glamorous Grandmother and Talent shows and performing in the weekly Bluecoat Show, they mingled with guests, campers, telling jokes, being charming and being pretty adept at the waltz and the foxtrot. An oft-asked question was: What do you do in the winter? In 1982 two Bluecoats, one from Wales, one from Scotland, found themselves working together and falling in love. At the end of the season, separated, their love letters answered this question. In an age before mobile phones, texts, social networking, digital cameras and the Internet, these letters explore the difficulties, frustrations, doubts and occasional hilarity of loving at a distance and surviving Thatcher's Britain. The letters span the period from near the end of the 1982 season to the start of the 1984 season and cover working at three Pontin's Holiday Camps.
