Drugs and Society Glen R. Hanson, Peter J. Venturelli, Annette E. Fleckenstein, 2006 *Drugs and Society* Ninth Edition clearly illustrates the impact of drug use and abuse on the lives of ordinary people and provides students with a realistic perspective of drug related problems in our society. Written in an objective and user friendly manner this best selling text continues to captivate students by incorporating personal drug use and abuse experiences and perspectives throughout. Statistics and chapter content have been revised to include the latest information on current topics. Journal of the American Pharmaceutical Association, 1997. **Mosby's Pharmacology in Nursing** Leda M. McKenry, Evelyn Salerno, 1998. This pharmacology text for nurses covers the principles of pharmacology, drug classes and individual drugs. Chapters new to this 20th edition highlight important variations on interactions, dosage and administration and side effects regarding maternal, child and geriatric pharmacology. **Medical Emergencies in Dentistry** Jeffrey D. Bennett, Morton B. Rosenberg, 2002. This new text outlines a practical framework for treating both common and uncommon emergencies in the dental office. It also promotes an understanding of the many underlying disease states that can precipitate such emergencies. A wide variety of medical emergencies ranging from treating a child with an epileptic seizure to treating a schizophrenic patient are discussed and illustrated with real life case scenarios. This logical approach to diagnosis and treatment of medical emergencies presents a concise review of pathophysiology to support clinical correlations. *Medical Emergencies in Dentistry* provides a solid foundation in assessment, problem based decision making and disease that helps clinicians react quickly and decisively when time is of the essence. Pharmacology for Health Professionals Evelyn Salerno, 1999. From basic pharmacology principles to the latest advancements in drug therapy. **PHARMACOLOGY FOR HEALTH PROFESSIONALS** provides comprehensive coverage of medication that today's student needs to know. Part I: Basic Concepts discusses pharmacology fundamentals and issues important in today's healthcare settings. These include legal foundations, over the counter and alternative medications, principles of drug action, life span aspects of drug therapy and substance misuse and abuse. Part II: Clinical Aspects includes drugs classified by body system and drug function. Body system format facilitates easy access to the content and student learning. Clearly written discussions of drug groups and individual drugs provide the most thorough and comprehensive information available. Key Drugs are thoroughly reviewed, highlighted with an icon and listed in the chapter openers for quick reference to help students learn the most important drugs in a class. Chapter 3: Over the Counter and Alternative Medications addresses timely issues in today's health care settings related to self medication with traditional or non traditional therapies. Chapter 5: Lifespan Aspects of Drug Therapy discusses important implications for geriatric and pediatric patients as well as considerations for pregnant and breast feeding patients. Management of Drug Overdose and Pregnancy Safety boxes alert the student to important information and guidelines regarding overdoses for specific medications. Drug reference tables and over 100 illustrations help explain how drugs work in the body. Drug name

pronunciations teach the student the correct drug name Chapter overviews objectives key terms with page numbers summaries and review questions encourage the student to focus on key content and use the book more effectively as a learning tool Serious drug interactions are highlighted to alert the student to those drug interactions that the health care professional must take special care to prevent Separate disorders index features alphabetical reference to disorders conditions and diseases for quick easy access Pharmacology Update e mail newsletter Therapeutics in the Elderly Jeffrey C.
