Extreme North Bernd Brunner,2022-02-15 An entertaining and informative voyage through cultural fantasies of the North from sea monsters and a mountain sized magnet to racist mythmaking Scholars and laymen alike have long projected their fantasies onto the great expanse of the global North whether it be as a frozen no man s land an icy realm of marauding Vikings or an unspoiled cradle of prehistoric human life Bernd Brunner reconstructs the encounters of adventurers colonists and indigenous communities that led to the creation of a northern cabinet of wonders and imbued Scandinavia Iceland and the Arctic with a perennial mystique Like the mythological sagas that inspired everyone from Wagner to Tolkien Extreme North explores both the dramatic vistas of the Scandinavian fjords and the murky depths of a Western psyche obsessed with Nordic whiteness In concise but thoroughly researched chapters Brunner highlights the cultural and political fictions at play from the first discoveries of northern landscapes and stories to the eugenicist elevation of the Nordic phenotype which in

turn influenced America's limits on immigration to the idealization of Scandinavian social democracy as a post racial utopia Brunner traces how crackpot Nazi philosophies that tied the Aryan race to the upper latitudes have influenced modern pseudoscientific fantasies of racial and cultural superiority the world over The North Brunner argues was as much invented as discovered Full of glittering details embedded in vivid storytelling Extreme North is a fascinating romp through both actual encounters and popular imaginings and a disturbing reminder of the power of fantasy to shape the world we live in

**Germanic and Slavic Paganisms** Kaarina Aitamurto, Ross Downing, 2024-12-12 Providing an intensive and up to date analysis of far right ethno purist and nationalistic currents as well as the inclusive visions for social and ecological change this book explores the complexities of contemporary Slavic and Germanic Paganisms This timely volume re evaluates what we know about contemporary Paganism particularly addressing the social threat and impact of radicalism In light of the war in Ukraine the authors deconstruct heritage narratives that are at the heart of current geopolitical and nationalist social tensions in Central and Eastern Europe including the West versus East problem With suggestions on how we can mitigate and overcome the potential security threats connected to radical forms of Paganisms this book shows how minority groups are advancing solutions to global challenges Exploring multiple perspectives through a diverse blend of contributors this volume bridges the gap between academia governmental institutions and Pagan communities providing a rich resource for all parties Highlighting broader religious and security issues this volume is the first to consider the dialogue between ethno exclusivist and inclusivist positioning within contemporary Slavic and Germanic Paganisms **Lonely is the Night**
