Novelist As Philosopher

John Cruickshank

Novelist As Philosopher:

Charles Johnson Marc C. Conner, William R. Nash, 2007 Essays by Herman Beavers Gena Chandler Marc C Conner William Gleason William R Nash Linda Selzer Gary Storhoff and John Whalen Bridge In Charles Johnson The Novelist as Philosopher leading scholars examine the African American author's literary corpus and major themes ideas and influences The essays explore virtually all of Johnson's writings each of his novels his numerous short stories the range of his nonfiction essays his many book reviews and even several unpublished works These essays engage Johnson's work from a variety of critical perspectives revealing the philosophical cultural and political implications of his writings The authors seek especially to understand philosophical black fiction and to provide the multifocal whole sight analysis Johnson's work demands Johnson b 1948 author of Dreamer Oxherding Tale and the National Book Award winning Middle Passage draws upon influences as diverse as Richard Wright Herman Melville Thomas Aquinas Franz Kafka W E B Du Bois and Ralph Waldo Emerson He combines rigorous training in western philosophy with a lifelong practice in eastern religious and philosophical traditions He has repeatedly told interviewers that he became a writer specifically to strengthen the interplay between philosophy and fiction Marc C Conner is associate professor of English at Washington and Lee University William R Nash is associate professor of American studies and director of African American studies at Middlebury College *The novelist as philosopher* John Cruickshank, 1958 Iris Murdoch: Philosophical Novelist Miles Leeson, 2011-10-27 This book provides a concise and highly readable reassessment of Iris Murdoch's engagement with philosophy throughout her life and proposes that she was most importantly a philosophical novelist By investigating her use of philosophical argument in her fictional writing it becomes clear that her narratives always depend upon a strong metaphysical underpinning Leeson proceeds thematically through the philosophical phases of Murdoch's life and develops a clear argument that Murdoch reacts against the philosophies of Sartre Plato Nietzsche and Heidegger not only in her philosophical writings but also in her fiction Indeed it is in her fiction that her philosophical argument is most persuasive and accessible This timely study provides new information regarding Murdoch's engagement with Martin Heidegger and also provides a detailed critique of critics who have overlooked Murdoch's engagement with philosophy within her fiction *The Novelist as Philosopher* John Cruickshank, 1962 **Iris Murdoch, Philosopher Meets Novelist** Sofia de Melo Araújo, Fátima Vieira, 2011-05-25 Iris Murdoch Philosopher Meets Novelist aims to gather some of the world's present experts on Iris Murdoch in an effort to promote dialogue between philosophy and literature This is due not only to the nature of Iris Murdoch's work itself but also to our belief that within Humanistic Studies there is a constant need for breaking down disciplinarian barriers and reaching a deeper fuller awareness of human thinking Thus the book brings together scholars from a variety of fields and places Brazil England Iran Ireland Italy Portugal Spain Turkey Taiwan and the United States and testifies to the interest that the work of Murdoch continues to inspire The book is divided into two major sections Part A Reading Philosophies in Literature includes articles

focusing on Iris Murdoch's philosophical concerns and their general influence in her work Part B Reading Literature through Philosophy is intended as a sort of application ground a series of case studies wherein authors depart from novels to retrieve the underlying philosophical thinking *The Little Book of Humanism* Alice Roberts, Andrew Copson, 2020-08-27 THE SUNDAY TIMES BESTSELLER We all want to lead a happy life Traditionally when in need of guidance comfort or inspiration many people turn to religion But there has been another way to learn how to live well the humanist way and in today's more secular world it is more relevant than ever In THE LITTLE BOOK OF HUMANISM Alice Roberts and Andrew Copson share over two thousand years of humanist wisdom through an uplifting collection of stories quotes and meditations on how to live an ethical and fulfilling life grounded in reason and humanity With universal insights and beautiful original illustrations THE LITTLE BOOK OF HUMANISM is a perfect introduction to and a timeless anthology of humanist thought from some of history and today's greatest thinkers The Catalogue of Extolled Philosophers of the Millettarian Tradition Cometan, 2019-11-26 The Catalogue of Extolled Philosophers of the Millettarian Tradition is the seventy ninth instalment in the Little Blue Book Series and comprises the fifth to thirteenth discourses of the Tetradoxy which is itself the fourth disquisition of the Omnidoxy Astronism's founding text This publication is constituted by a significant list of philosophers who are considered by the Astronist Institution to be distinguished in the field of philosophy and are therefore considered as having made major contributions as all extolled persons are expected to have achieved The Little Blue Book Series was created and first published by Cometan himself as a way to simplify and commercialise the immensity of the two million word length of the Omnidoxy into smaller more bite size publications A successful series from its very first published entry the Little Blue Book Series has gone on to become a symbol of Astronist commercial literature and a way for Cometan's words to reach readers of all ages and abilities who remain daunted by the beauty and yet the sheer extensiveness of the Omnidoxy as the longest religious text in history Kierkegaard's Influence on Philosophy Jon Bartley Stewart, 2012 Tome III traces Kierkegaard's influence on Anglophone philosophy It has long been thought that Kierkegaard played no role in this tradition which for years was dominated by analytic philosophy In this environment it was common to dismiss Kierkegaard along with the then current European philosophers who were influenced by him However a closer look reveals that in fact there were several thinkers in the US Canada and Great Britain who were inspired by Kierkegaard even during the heyday of analytic philosophy Current thinking now suggests that Kierkegaard has made some serious inroads into mainstream Anglophone philosophy with many authors seeking inspiration in his works for current discussions concerning ethics personal identity philosophy of religion and philosophical anthropology Crossword Lists & Crossword Solver Anne Stibbs Kerr, 2013-02-08 Anyone who regularly tackles challenging crossword puzzles will be familiar with the frustration of unanswered clues blocking the road to completion Together in one bumper volume Crossword Lists and Crossword Solver provide the ultimate aid for tracking down those final solutions The Lists section contains more than 100 000 words and phrases listed both alphabetically and by

number of letters under category headings such as Volcanoes Fungi Gilbert try Stage and Screen Personalities The Solver section contains more than 100 000 potential solutions including plurals comparative and superlative adjectives and inflections of verbs The list extends to first names place names technical terms compound expressions abbreviations and euphemisms Grouped according to number of letters up to fifteen this section is easy to use and suitable for all levels of crossword puzzle At the end a further 3 000 words are listed by category along with an index of unusual words **Volume 11, Tome III: Kierkegaard's Influence on Philosophy** Jon Stewart, 2016-12-05 Kierkegaard's relation to the field of philosophy is a particularly complex and disputed one He rejected the model of philosophical inquiry that was mainstream in his day and was careful to have his pseudonymous authors repeatedly disassociate themselves from philosophy But although it seems clear that Kierkegaard never regarded himself as a philosopher there can be no doubt that his writings contain philosophical ideas and insights and have been profoundly influential in a number of different philosophical traditions The present volume attempts to document these different traditions of the philosophical reception of Kierkegaard's thought Tome III traces Kierkegaard's influence on Anglophone philosophy It has long been thought that Kierkegaard played no role in this tradition which for years was dominated by analytic philosophy In this environment it was common to dismiss Kierkegaard along with the then current European philosophers who were influenced by him However a closer look reveals that in fact there were several thinkers in the US Canada and Great Britain who were inspired by Kierkegaard even during the heyday of analytic philosophy Today it can be said that Kierkegaard has made some serious inroads into mainstream Anglophone philosophy with many authors seeking inspiration in his works for current discussions concerning ethics personal identity philosophy of religion and philosophical anthropology *Daily Gratitude - 365 Days of Reflection* National Geographic, 2014 The third entry in National Geographic's popular daily inspiration series combines uplifting words of wisdom and stunning photographs into a yearlong celebration of life's blessings large and small Filled with striking natural world photographs and insightful quotations National Geographic's latest inspirational book takes on the most timeless and universal of topics gratitude Illuminating the diverse elements that make life precious this book invites readers to savor what's really important from friends and family to adventure and success to the simple comforts of home Targeted to anyone interested in celebrating reflecting on and sharing the gift of appreciation this beautiful book will be a keepsake to treasure every day of the year *Dictionary of Modern American Philosophers* John R. Shook, 2005-01-01 The Dictionary of Modern American Philosophers includes both academic and non academic philosophers and a large number of female and minority thinkers whose work has been neglected It includes those intellectuals involved in the development of psychology pedagogy sociology anthropology education theology political science and several other fields before these disciplines came to be considered distinct from philosophy in the late nineteenth century Each entry contains a short biography of the writer an exposition and analysis of his or her doctrines and ideas a bibliography of writings and suggestions for further reading While all the major

post Civil War philosophers are present the most valuable feature of this dictionary is its coverage of a huge range of less well known writers including hundreds of presently obscure thinkers In many cases the Dictionary of Modern American Philosophers offers the first scholarly treatment of the life and work of certain writers This book will be an indispensable reference work for scholars working on almost any aspect of modern American thought

Modern Czech Literature: Writing in Times of Political Trauma Andrew M. Drozd, 2025-05-20 Modern Czech culture has experienced a series of political traumas starting in the 1930s Despite the difficult shifting conditions Czech writers have not only managed to contend with the situation but have produced many fine literary efforts This volume consists of seven articles by an international team of authors who are specialists in Czech literature The first four chapters treat very well known writers There is one chapter on Karel Capek and his play *The White Plague* There are three chapters on Milan Kundera the internationally best known Czech writer with one of these chapters covering both Kundera and Bohumil Hrabal The last three chapters deal with more recent and or lesser known writers One chapter treats the Brothers Topol and the music underground one chapter treats Czech literary responses to the period of the Normalization and the final chapter treats Eda Kriseviov This volume presents new perspectives on Czech literature and will be of interest to specialists in Czech literature and history Central European literature and history Nazism and Communism For example although much has been written about Kundera the three articles provide further treatments of three different aspects of his work his ties to Russian literature his misogyny and the philosophical content of his novels Specialists interested in the period of the Normalization and after will find the last three chapters particularly useful The chapters are suitable for classroom use in courses in both Czech literature and Czech or Central European history All material from Czech language sources presented in the chapters is given in English translation

The New Century Book of Facts Carroll Davidson Wright, 1910

Intende, Lector - Echoes of Myth, Religion and Ritual in the Ancient Novel Marília P. Futre Pinheiro, Anton Bierl, Roger Beck, 2013-10-29

Representation of myth in the novel as a poetic narrative and aesthetic device is one of the most illuminating issues in the area of ancient religion for such narratives investigate in various ways fundamental problems that concern all human beings This volume brings together twenty contributions six of them to a Roundtable organized by Anton Bierl on myth originally presented at the Fourth International Conference on the Ancient novel ICAN IV held in Lisbon in July 2008 Employing an interdisciplinary approach and putting together different methodological tools intertextual psychological and anthropological each offers a illuminating investigation of mythical discourse as presented in the text or texts under discussion The collection as a whole demonstrates the exemplary and transgressive significance of myth and its metaphorical meaning in a genre that to some extent can be considered a modernized and secular form of myth that focuses on the quintessential question of love

Fyodor Dostoevsky-Darkness and Dawn (1848-1849) Thomas Gaiton Marullo, 2024-11-15 Fyodor Dostoevsky *Darkness and Dawn* 1848 1849 the third and final volume on the writer's childhood adolescence and youth seeks to disclose in a

detailed and intimate way Dostoevsky's last two years before his exile to Siberia Together with the first two volumes it attempts to present for the first time a complete and congruent picture of the writer's first twenty-eight years Thomas Gaiton Marullo first examines diverse responses of the Russian church state and citizens to the French socialists in particular Charles Fourier and to the revolutions of 1848 before he moves to lively debates on Dostoevsky's socialism and new attacks on his writings He then considers the dynamics of the Petrashevsky and Durov circles fresh assaults on Dostoevsky's works and the increasing desperation of the writer himself particularly with Andrei Kraevsky In the final sections of the book Marullo sheds light on Dostoevsky's readings of Belinsky's letter to Gogol the arrests of Petrashevsky and company including Dostoevsky and his brothers Andrei and Mikhail as well as his responses to members of the Investigative Commission for the Petrashevsky Affair his eight months in prison in the Peter Paul Fortress his mock execution on the Semyonovsky Parade Ground and his departure to exile in Siberia This volume will be of interest to scholars students and devotees not only of Dostoevsky but also of Russian and European history culture and civilization Graham Greene Robert O. Evans, 2021-05-11 This collection of fourteen essays by American and English scholars many of them hitherto unpublished and all of them selected with a view to avoiding the duplication of essays already familiar and available offers new testimony of the range and accomplishments of Graham Greene's talent The essays vary from considerations of general topics to critical analyses of single novels from a discussion of Greene as a writer of Christian tragedy to a witty irreverent assessment of *The Power and the Glory* The authors here are chiefly concerned with the novels though frequent allusions reveal something of the nature and importance of the entertainments and the travel books A number of the essayists focus upon Greene's commitment to the Roman Catholic faith and the definition it has given to his work As a writer he is shown to be preoccupied with a dual vision of human frailty and of God's saving grace a vision found by some to assert sin to the point of virtual heresy though it never loses sight of that mercy which may catch up a soul between the stirrup and the ground As one essay points out traces of this vision are to be found in Greene's earlier works as well as in his entertainments Greene's own particular bent as a Catholic writer is brought out by a comparison with Francois Maruic another essay is concerned with the tension that exists between the life of art and the life of sanctity Round out this presentation of Greene's accomplishments are discussions of his work in the drama the short story and as a motion picture critic Finally this collection is notable for its inclusion of the most comprehensive bibliography of Greene's work and the criticism of them yet published Graham Greene emerges from this composite judgment as a writer of consummate artistry who sees behind the facade the emptiness of a secular world

Volume 20: The Auction Catalogue of Kierkegaard's Library Katalin Nun, Gerhard Schreiber, 2016-12-05 This volume is a revised and improved edition of the auction catalogue of Kierkegaard's private library The catalogue has long served as one of the most valuable tools in Kierkegaard studies and has been actively used by commentators translators and researchers for tracing the various sources of Kierkegaard's thought With the catalogue in hand one can determine with

some degree of probability what books he read and what editions he used for his information about specific authors The present volume represents the fourth printing of the catalogue and it differs from its predecessors in many respects The previous editions contained incomplete erroneous and inconsistent bibliographical information about the works in the catalogue The primary goal of the present edition was to obtain all of the books and check their title pages for the precise bibliographical information The result is an accurate and reliable edition of the catalogue that conforms to the needs of Kierkegaard studies in the digital age Nineteenth century John Clark Ridpath, 1890 **Philosophical Dilemmas** Phil Washburn, 2014 Philosophical Dilemmas is a historical and thematic introduction to philosophy The chapters are organized around traditional philosophical questions Each presents two historical figures with different views followed by two brief essays in a contemporary idiom defending opposing answers to the traditional question The main goals of the text are to help students enter the debates about important questions learn about great philosophers practice critical thinking skills and develop their own views on philosophical questions This book is ideal for Introduction to Philosophy courses It can also be used in Critical Thinking courses that cover philosophical content This topically organized text clearly outlines the positions of major philosophers and offers succinct pro and con arguments for these positions

Reviewing **Novelist As Philosopher**: Unlocking the Spellbinding Force of Linguistics
