Promiscuities A Secret History Of Female Desire:

Promiscuities Naomi Wolf,1998 In this dynamic new book Naomi Wolf explores and celebrates the phenomenon of female sexuality empirically imaginatively anatomically and personally By following a group of four contemporary girls including her younger self as they come of age in the seventies Wolf shows how our culture tries to shape and confine women s desire Embarking on a voyage of discovery she illustrates how flawed and prescribed are the notions of what women want and how these change through the ages from Taoist techniques for giving women pleasure to Victorian repression and the so called liberated nineties Drawing on scholarly texts secret diaries real life and fantasy she demonstrates that female sexuality is wilder more demanding and more powerful than our culture dares to accept

Promiscuities Naomi Wolf,2011-05-31 By following a group of four contemporary girls including her younger self as they come of age in the seventies Wolf shows how our culture tries to shape and confine women s desire Embarking on a voyage of discovery she illustrates how flawed and prescribed are the notions of what women want and how these change through the ages from Taoist techniques for giving women pleasure to Victorian repression and the so called liberated nineties Drawing on scholarly texts secret diaries real life and fantasy she demonstrates that female sexuality is wilder more demanding and more powerful than our culture dares to accept

Promiscuities Naomi Wolf,1998 Finally Wolf looks at the popular culture of the recent past as well as at the history and mythology of female desire to show how our liberated culture still fears and distorts female passion Bold and candid funny and revelatory Wolf s stories illustrate the fear and excitement the fantasies and sometimes crippling realities that make up a young contemporary woman s journey of erotic and emotional discovery

Erotic Memoirs and Postfeminism J. Gwynne,2013-01-18 This book analyses the impact of postfeminist discourse and the mainstreaming of pornography on our understanding of intimacy and female sexuality It is a broad critical survey of a recent publishing phenomenon the female authored erotic memoir and positions the texts under analysis as complex and contradictory expressions of popular feminism

Pop-Feminist Narratives Emily Spiers,2018-04-12 In *Pop Feminist Narratives* Emily Spiers explores the recent phenomenon of pop feminism and pop feminist writing across North America Britain and Germany Pop feminism is characterised by its engagement with popular culture and consumerism its preoccupation with sexuality and transgression in relation to female agency and its thematisation of intergenerational feminist discord portrayed either as a damaging discursive construct or as a verifiable phenomenon requiring remediation Central to this volume is the question of theorising the female subject in a postfeminist neoliberal climate and the role played by genre and narrative in the articulation of contemporary pop feminist politics The heightened visibility of mainstream feminist discourse and feminist activism in recent years especially in North America Britain and Germany means that the time is ripe for a coherent comparative scholarly study of pop feminism as a transnational phenomenon This volume provides such an account of pop feminism in a manner which takes into account the varied and complex narrative strategies employed in the telling of pop

feminist stories across multiple genres and platforms including pop literary fiction the popular guide to feminism film music and the digital

Elevated Realms - An Anatomy of Mina Loy Sara Crangle, 2024-04-30 Mina Loy has long been recognised as a writer who insists on the primacy of the corporeal Over two volumes Sara Crangle excavates how Loy's relationship to the human body was inextricable from her esoteric understanding of the human soul *Elevated Realms* is the first study book length study devoted to Loy's affinities with alternative spiritualities ancient and modern Aligning Loy's heterodoxies with her vanguardism this volume considers Loy's engagements with mesmerism spiritualism and telepathy enchantment and visionariness psychoanalysis philosophy and physics Christian Science and Theosophy Attending to Loy's presentations of the upper half of the body heartscapes spines eyes and nerve centres *Elevated Realms* unearths the coordinates of Loy's esoteric Eros a transcendent orgasmic love that is cosmic intimate aesthetic and a corrective to women's disregarded satiation The requisite counterpart to her acerbic feminist satires Loy's Eros re-visions abjectified feminised posturing as a dorsality with the potential to access the beyond

American Fiction of the 1990s Jay Prosser, 2016-04-01 *American Fiction of the 1990s Reflections of History and Culture* brings together essays from international experts to examine one of the most vital and energized decades in American literature This volume reads the rich body of 1990s American fiction in the context of key cultural concerns of the period The issues that the contributors identify as especially productive include Immigration and America's geographical borders particularly those with Latin America Racial tensions race relations and racial exchanges Historical memory and the recording of history Sex scandal and the politicization of sexuality Postmodern technologies terrorism and paranoia *American Fiction of the 1990s* examines texts by established authors such as Don DeLillo Toni Morrison Philip Roth and Thomas Pynchon who write some of their most ambitious work in the period but also by emergent writers such as Sherman Alexie Chang Rae Lee E Annie Proulx David Foster Wallace and Jonathan Franzen Offering new insight into both the literature and the culture of the period as well as the interaction between the two in a way that furthers the New American Studies this volume will be essential reading for students and lecturers of American literature and culture and late twentieth century fiction Contributors include Timothy Aubry Alex Blazer Kasia Boddy Stephen J Burn Andrew Dix Brian Jarvis Suzanne W Jones Peter Knight A Robert Lee Stacey Olster Derek Parker Royal Krishna Sen Zoe Trodd Andrew Warnes and Nahem Yousaf

Talking Up Rosamund Else-Mitchell, Naomi Flutter, 1998 Annotation Covers a diversity of themes including relationships between older and younger women and feminists experiences of young migrant women the marginalization of non white and lesbian women and the emerging role of young women in corporate legal and educational institutions

Values in Sex Education J. Mark Halstead, Michael Jonathan Reiss, 2003 An accessible yet authoritative book situating sex education both in the primary and secondary school within the current focus on values and citizenship

[Sexuality and Women with Learning Disabilities](#) Michelle McCarthy, 1999 *Sexuality and Women with Learning Disabilities* makes a significant contribution to both feminist and

disability literature because it challenges common assumptions about the sexuality of people with learning disabilities forces a reconsideration of how this group of people are viewed by those around them and links gender and disability in its analysis Tizard Learning Disability Review By tackling issues that have received little meaningful attention McCarthy both makes a valuable contribution to the literature and provides a useful practical guide to those wishing to support their clients more effectively Mental Health and Learning Disabilities Care The thoroughness and attention to detail with which McCarthy has investigated and written about the sexual lives of a small number of women with mild to moderate learning difficulties is to be commended Drawing upon interviews with the women who participated in this study there is explicit detail about the reality of their sexual lives that overall comes across as sad poignant and often shocking with a high level of sexual abuse revealed however McCarthy has a strong code of ethics and sensitivity and a reflexive honesty about her role and stance as a feminist researcher that removes any possibility or suggestion of prurient voyeurism or exploitation being a part of this research McCarthy writes as a woman with and about women allowing their voices about their sexual experiences to be heard through the medium of in depth interviews Within the book the sexual experiences of women with learning disabilities are set in a wider policy and practice framework and discussed in relation to ideologies surrounding learning disability gender and sexuality in a cultural context The book ends with a chapter discussing and listing policy and practice recommendations including suggestions about changes to the law Overall this was a convincing and compelling book that deserves serious attention and I would strongly recommend it to anyone with an interest in learning disability issues including practitioners carers relatives advocates and counsellors CSPRD Newsletter In this study of women with mild and moderate learning disabilities Michelle McCarthy investigates how these women experience their sexual lives basing her research on interviews with the women themselves She argues the importance of informing the work of those responsible at research practice and policy levels with the voices of people with learning disabilities In the interviews women talk openly about what form their sexual activity takes and what it means for them the circumstances in which it occurs and the pleasures or lack thereof associated with it These interviews directly shape the policy and practice recommendations the author makes Michelle McCarthy s findings suggest that women with learning disabilities commonly find themselves engaged in sexual activity which is not to their liking and not of their choosing A high level of sexual abuse was also reported The author discusses this in relation to the cultural forces which have influenced Western perceptions of sexuality feminism and theories and prejudices about learning disabilities She also studied the impact of institutional and community settings on the sexuality of women with learning disabilities In *Sexuality and Women with Learning Disabilities* McCarthy makes recommendations for policy and practice which will protect this vulnerable group and advises on education support and seeking justice for abused women

Girls Catherine Driscoll,2002 Driscoll argues that both girls and culture as ideas are too problematic to fulfill any useful role in theorizing about the emergence of feminine adolescence in popular culture

Feeling Gender Harriet Bjerrum Nielsen, 2017-02-15 This book is open access under a CC BY 4.0 license This book explores how feelings about gender have changed over three interrelated generations of women and men of different social classes during the twentieth century The author explores the ways in which generational experiences are connected what is continued what triggers gradual or abrupt changes between generations and between women and men within these generations The book explores how new feelings of gender gradually change gender norms from within and how they contribute to the incremental creation of new social practices Nielsen suggests a new way of conducting psychosocial research that focuses on generational psychological patterns of gender identities and gendered subjectivities in times of change from a psychoanalytic perspective Combining generational and longitudinal research the book works with temporality as a theoretical as well as a methodological dimension Theoretically it combines Raymond Williams idea of a structure of feeling with the work of Eric Fromm Hans Loewald Nancy Chodorow and Jessica Benjamin *Making Social Science Matter* Bent Flyvbjerg, 2001-01-15 *Making Social Science Matter* presents an exciting new approach to the social and behavioral sciences including theoretical argument methodological guidelines and examples of practical application Why has social science failed in attempts to emulate natural science and produce normal theory Bent Flyvbjerg argues that the strength of social sciences lies in its rich reflexive analysis of values and power essential to the social and economic development of any society Richly informed powerfully argued and clearly written this book opens up a new future for the social sciences Its empowering message will make it required reading for students and academics across the social and behavioral sciences
