and devastating satire of consumer culture Set in a bizarre all too real imaginary of American pop culture Honey I Killed the Cats introduces us to two independent young women struggling to live the lives that television and glossy magazines have promised them In a collision of street slang and mass media sloganeering Mas owska s electrifying prose drives a propulsive story about spiritual longing in a dispirited world Mas owska s novel examines the ways we attempt to exist and find meaning in lives defined by what we buy In this warped world saturated by advertising and materialism where everything can be bought from personality and physical traits to religion and self fulfillment Joanne and Farah two very different women form a friendship both bonded in and ultimately destroyed by the manipulations of consumer culture Joanne has everything the commercials say you should want confidence a carefree life happiness to excess Farah is a self loathing envious germophobic malcontent Through a shared metaphysical dream experience that spills over into their increasingly troubled day to day lives these best friends find themselves consumed by their equal and opposite obsessions Widely regarded as Polish literary sensation Mas owska s best novel yet Honey I Killed the Cats is a powerfully emotional hilariously grotesque satire of Western consumer culture and the trends that go along with it      Kerouac: Selected Letters Jack Kerouac,2000-11-01 An illuminating glimpse into the life and art of Beat legend Jack Kerouac through a collection of letters that reveals the boldness and originality of Kerouac s artistic vision The Boston Globe It remains clear from his later letters that Kerouac understood what he was doing as a writer He consistently explains his aesthetic his plan to create the Duluoz Legend of books and the essentially benign charity of his vision San Francisco Chronicle The first volume of Jack Kerouac s selected letters was hailed as an important and revealing addition to Kerouac scholarship This second and final volume comprising letters written between 1957 the year On the Road was published and the day before his death in 1969 at age forty seven tells Kerouac s life story through his candid correspondences with friends confidants and editors among them Allen Ginsberg William Burroughs Philip Whalen Lawrence Ferlinghetti Joyce Johnson and Malcolm Cowley Documenting his continuing development as a writer and his travels love affairs and complicated family life the letters also reveal Kerouac s amazing courage in the face of criticism and his never ending quest to be the best writer possible Kerouac Selected Letters 1957 1969 offers unparalleled insight into the life and mind of this giant of the American landscape      To Touch the Whale Lynne Mitchell,2008-12-30 Life along the bay is slow and hot and full of deep rooted memories For all those that live along this sandy shore they have to be weather tough and strong as the salt encrusted shells to survive the hard tide pull of their lives Katherine an unfulfilled artist goes to a cabin by the bay to rediscover her art and her life before it is too late For some the dark reflective waters can reveal too much but Katherine is determined to dive in and confront the faces of her past and cut loose the anchors that have left her feeling stranded in place Along the way she is helped by Annie and Amos two old survivors with stories of their own Together they will peer into the slow hot tides of this Southern coast and see things which for some can take nearly a lifetime to see at all      The Flaming Sword ,1898      **Current Opinion** Edward Jewitt Wheeler, Frank Crane,1917      *Current*

Tougias,2021-03-15 Untamed Unsupervised Uncontrolled Boyhood in the 1960s and 70s was a time for exploration and mischief Author Michael Tougias found more than his share of misadventures in the woods and on the water some life threatening but others innocently hilarious Over time and after reading a multitude of adventure books these experiences took shape in his quest to be a mountain man owning a cabin in the forest and living off the land Part of that dream would come true but only after a family tragedy that shook his world and forced changes in his life This is also a story of a complex and strained relationship between father and son the efforts at understanding and ultimately respect and devotion In *The Waters Between Us* Tougias channels Bryson's *A Walk in the Woods* to mix laugh out loud humor with insight into the natural world through the eyes of a curious boy Tougias is a New York Times Bestselling author and co author of 31 books including *There's A Porcupine In My Outhouse* Winner of the Independent Publishers Best Nature Book of the Year and *The Finest Hours* inspiration for a 2016 Disney movie He has received many writing awards
