

The Longest Wait

THE BRIEF

Dogs rescued by the American Red Cross and American Humane Society have a far longer wait to adoption if they're spayed or neutered. In response, the ASPCA, and the US Humane Society, the highest percentages of dog rescues, are determined to help end this discrimination and close the gap between these dogs' rights.

THE EXECUTION

By combining the shelter dog's story, waiting - and waiting - to adopt, the ASPCA, and the US Humane Society, we created an unforgettable video narrative for the long, lonely most unwanted shelter dogs that exist. These long-term dogs need a responsible home or, if they can't find one, the ASPCA and the US Humane Society need to help them. The ASPCA and the US Humane Society are the only organizations that are determined to help end this discrimination and close the gap between these dogs' rights.

THE RESULTS

The campaign is one of the ASPCA's most successful adoption campaigns to date, leading to thousands of adoptions and shelter dogs finally finding the homes they deserve.
