hubs Shea crafts a narrative that encapsulates the intersection of art and existential inquiry reflecting the chaotic yet beautiful experience of artistic creation that has marked his personal and professional journey Look Out for Paint is an essential read for those who seek to understand the depths of artistic expression and human experience Shea s unique perspective and evocative writing create a compelling tapestry that invites readers to reflect on their own interpretations of art and life It is a powerful testament to the notion that in every stroke of paint there lies a story waiting to be uncovered

Gitlin,2010-07-01 There s only one place Joanna Kane can tell it like it is Her journal I hate Terri Rubin the woman I m in love with She called and told me she s dating a woman named Sonya I hate this Sonya and I hate Terri and I hate myself because I was never like this in my life Do you know what it s like to come out when you re in your forties having menopausal symptoms for God s sake and then fall madly in love with someone All of a sudden you re in adolescence for the first time You don t even recognize yourself My whole adult life I was this cool collected writer strutting around in jeans and leather jacket

advising friends and siblings about their relationships being a devoted daughter and a responsible professional person and a good citizen and then one day I woke up and realized I was gay and then this sassy woman walked into my life and I fell in love at first sight after spending my life thinking that never really happened and only watching West Side Story because of the gangs And now I've become the kind of person I used to make fun of who becomes hysterical because her beloved tells her she's dating some woman named Sonya who has an apothecary store in Bethesda Maryland I'm sick of being in this endless rut I'm sick of Cleveland and I'm thinking of moving to Washington DC to be with Terri Rubin who I hate **Watch Out for the Big Girls 3** J.M. Benjamin, 2017-05-30 Starrshma Fields is officially back on the scene with the intent of returning to the head of the Double Gs organization with a new game plan After a close call she is all too eager to put into motion the plan she conjured up while in custody at the Clark County Jail However she is clueless as to all that has been going on while she's been out of the loop Although she is still somewhat salty with her lover and leader Diamond Morgan has been handling business running the Double Gs in Starr's absence She has managed to repair the damage caused by some of Starr's recent decisions by making some better and stronger ones of her own but she is not sure if some things are beyond repair Queen Fem is uneasy behind the mess that her protege has brought to the doorstep of the organization that she founded It has been a long time since she has had to make a tough decision but she feels her hand is being forced She is unsure whether the Double Gs need to be under new leadership and whether Starr should step down Dealing with the illness of his only child and the strain it put on his marriage Agent McCarthy is back with a vengeance He throws himself into his work the only thing he loves as much as his family His only focus is to take down the Double Gs But with one of his plants now deceased and the other off the grid he is forced to roll up his sleeves to figure out how to dismember the Double Gs on his own Monica is caught between a rock and a hard place She is torn between the feelings she has built for Starrshma Fields her new love interest and her commitment to uphold the law With that and then some going on the Double Gs still operate on the highest level executing their missions to ensure that their grip on the corporate political and underworld remain firm New alliances are made and new orders are rendered If you're a major player in the Las Vegas area you still need to watch out for the big girls better known as the Double Gs **#4 Out of the Cold** Norah McClintock, 2012-09-01 Please I said It was all I had the chance to say He looked at me then at the stairs behind me He rushed at me and pushed hard throwing me off balance I reeled backward stumbled over and started to fall After a homeless man dies during a cold winter night Robyn and her friends work to uncover who the man was before his time on the streets They have only two clues to guide them a class ring and an old photograph that the man left behind Robyn just wants to honor the homeless man's memory But as the search heats up she begins to suspect that someone's investigating her too *Giving and Taking Voice in Learning Disabled Theatre* Tony McCaffrey, 2023-04-26 Giving and Taking Voice in Learning Disabled Theatre offers unique insight into the question of voice in learning disabled theatre and what is gained and lost in making performance It is

grounded in the author's 18 years of making theatre with Different Light Theatre company in Christchurch New Zealand and includes contributions from the artists themselves This book draws on an extensive archive of performer interviews recordings of rehearsal processes and informal logs of travelling together and sharing experience These accounts engage with the practical aesthetics of theatre making as well as their much wider ethical and political implications relevant to any collaborative process seeking to represent the under or unrepresented Giving and Taking Voice in Learning Disabled Theatre asks how care and support can be tempered with artistic challenge and rigour and presents a case for how listening learning disabled artists to speech encourages attunement to indigenous knowledge and the cries of the planet in the current socio ecological crisis This is a vital and valuable book for anyone interested in learning disabled theatre either as a performer director dramaturg critic or spectator
