parents can't live together He misses his grandad terribly and he hates to see his grandmother the only person who understands his eco worrying so sad He misses his dad too and wishes he could see him more and that the separation didn't make his mom so lonely though he sure doesn't like her talking to creepy Brent And things only get worse when Phin's mom desperately worried about his animal obsession takes him to see a rather unsympathetic psychologist When his Grade 4 class gets a pet frog a White's Tree Frog from Australia it becomes the perfect focus for all Phin's worrying He can't bear to see Cuddles penned up in a cage so very far from his natural habitat just for the amusement of humans It's just another example of how cruel and self-centred humans are And so Phin and his best pal Bird are spurred to action
