Looking For Dilmun:

Looking for Dilmun Geoffrey Bibby, 1970 Dilmun was a land which stretched beyond the confines of Bahrain as far north as Kuwait and as far south as Saudi Arabia The quest for the real Dilmun began when the author revisited Bahrain in order to explore the thousands of undated burial mounds scattered across the country A seasons digging established the existence of a major civilisation dating from around 2300 BC First published in 1969 this fascinating book of discovery tells the story of archaeological detective work with style and humour It is re issued here for a new generation of readers and introduced by Carl Phillips one of the leading archaeologists of the region Looking for Dilmun Brenda Jackson, Penguin Books

Encounters With American Culture Peter S. Prescott,2005-10-01 This collection of essays discusses some of the important books authors and literary trends of a volatile era in American and world literature whose cultural repercussions are still being felt Peter S Prescott was one of the most penetrating knowledgeable and sensitive critics to write for a general audience in the tradition of Edmund Wilson Readers will discover not only Prescott s acute and subtle comments on the enduring and or representative books of the time but also his humor and style his way with an anecdote or aphorism his talent for parody and his ability to laugh at himself as well as at the authors he sometimes skewers Prescott s writing has an immediacy and vivacity that suggests what it was like to read new books during his time Here is one critic s view ironic and complex of good books by famous writers like Norman Mailer Jorge Luis Borges Joyce Carol Oates Aleksandr Solzhenitsyn and Vladimir Nabokov as well as of good books by little known writers and others who would later achieve reknown Here too is some astringent criticism of distinguished and popular authors who have fallen into self indulgence Prescott writes about the New Journalism in its early days and about fragmentary autobiography as a literary form genres whose importance he was among the first to recognize His essays also touch on theater film food and politics The criticism in this volume are examples of the literary essay in its truest sense an attempt to explore in however brief space allowed what the author sees around him and connections between books and other aspects of the way people live Always personal and urbane these essays are often hilarious generally moving and exemplify the essay as an art form Peter S Prescott was book review editor for Newsweek His books include *A Darkening Green Notes from the Silent Generation* and *The Child Savers Juvenile Justice Observed* Anne L Prescott is Helen Goodhart Altschul Professor of English at Barnard College

[Search for the Paradise Land](#) Michael Rice,1985 *The Secret Astrology of the Bible* Michael Ledo,2010-05-02 *The Secret Astrology of the Bible* by Michael Ledo is a landmark book that will change the way the scholarly community and the general public views the Bible history and myth Epic in scope this provocative book explores the connections between religious belief and cosmic theory even as it attempts to explain contradictions and irregularities in the text The Bible states Ledo was constructed as a living document with much of its text

expanded as time went on If readers stripped away this added material they could actually be left with an Early Bronze Age text over a thousand years older than what is currently accepted by scholars This text suggests Ledo would be a veritable cosmic myth which follows the constellations with stories in a contiguous fashion that combine both history and myth Originally sold as On Earth as it is in Heaven The Cosmic Roots of the Bible *Kuwait: Prospect and Reality* H.V.F.

Winstone,Zahra Freeth,2017-08-18 For many the story of this small Arabian state begins and ends with the wealth that has accrued from its vast oil deposits But the real fascination of Kuwait lies in its geological and archaeological history in its long struggle for survival among powerful neighbours in its ambitious plans for industrial and economic development This book first published in 1972 shows the effects of the new material wealth opened up by oil in relation to the country s remote past and its Islamic background **Seals and Sealing in the Ancient World** Marta Ameri,Sarah Kielt Costello,Gregg

Faith and Action R. J. Rushdoony, 2019-08-26 Faith and Action is the complete collection of the essays of R J Rushdoony written for the Chalcedon Report between 1965 and 2001 along with several transcripts of his recorded talks The large volume The Roots of Reconstruction only contained his Chalcedon Report essays up until 1985 so most of the essays included in Faith Action were unavailable to readers for many years until now In order to make the author s knowledge more accessible this three volume collection features some of the most extensive indexing we ve ever done including a General Index a History Index a Scripture Index a Works Cited Index and a Chalcedon Report Directory A total of 183 pages of indexing This handsome set of books is a must have for any serious library The central theme of this collection of essays is Christian Reconstruction which to Rushdoony meant the responsibility of Christian citizenship in the Kingdom of God For him his central drive behind his research and writing was to move men to faith and action Rushdoony was primarily an essayist who vigorously and prolifically wrote on a multiplicity of subjects issues and disciplines Despite his being critical of both the contemporary church for its compromise and the humanistic state for its will to be as God these essays are replete with Rushdoony s undying faith in the victory of God in history Rushdoony s big idea was Christian Reconstruction which centered not on a pursuit of political power but rather an equipping of Christians to take back government by means of self government in terms of God s law This three volume collection will no doubt serve the larger church for many generations as they seek first the Kingdom of God in their spheres and in their times
