Defence Management, 2003 **Generational Tensions and Solidarity Within Advanced Welfare States** Asgeir Falch-Eriksen, Marianne Takle, Britt Slagsvold, 2021-09-12 This book explores generation as both a reference to family or kinship structures and a reference to cohorts or age sets The principal objective is branching out this two part concept through studies of tensions and solidarity within and between generations of advanced and robust welfare states Answering key questions using multiple disciplinary approaches the book considers how generations challenge advanced and robust welfare states how new and young generations are affected by living in an advanced welfare state with older generations how tensions or solidarity are understood when facing challenges and what the key characteristics are of certain generation types It contributes to the development of a more comprehensive generation approach within social sciences by developing the concept of generation by exploring different challenges to the welfare state such as migration digitalization environmental damages demands for sustainability and marginalization Highlighting the escalating tensions and altered versions of solidarity between generations this book shows how a comprehensive concept of a generation can create new insights into how we collectively coordinate and resolve challenges through the welfare state It will be of interest to all scholars and students of social policy sociology political science and social anthropology **Wholesome Leadership:**

Being authentic in self, school and system Tom Rees, 2018-05-28 Spanning the comprehensive perspective of self school and system this tour de force is both well informed and uplifting whilst at the same time being full of practical advice and guidance rooted in the author's front line role leading a school Tom Rees's depth of thinking and knowledge of leadership and his ability to translate that into both a structure and tone that will be relevant to leaders in schools today will resonate with leaders at levels The book is brilliantly supplemented with the thoughts and views of colleagues spanning the whole educational spectrum including Sir David Carter Clare Sealy Daisy Christodoulou MAT CEOs Julia Kedwards Stephen Tierney and Andrew Morrish plus his very own actual dad **Looking At Life Differently** Cukapōtānāntā (Cuvāmi.), 2003 **The**

impact and effectiveness of ministerial reshuffles Great Britain: Parliament: House of Commons: Political and Constitutional Reform Committee, 2013-06-14 Reshuffles are damaging to the effectiveness of individual Ministers and of Government as a whole They also hinder Parliament's ability to hold Government to account Every time there is a reshuffle it is preceded by months of speculation about who will move where which in itself causes a kind of paralysis within Government The Committee calls for Secretaries of State to be left in post for the length of a Parliament Taken together with the advent of fixed term Parliaments this should enable them to make a real difference Some reshuffling of ministers is inevitable because of resignations and illness but reshuffles have become a habit in the UK The majority of the Committee concluded that there should be a specific Minister in the Cabinet Office who is responsible for ministerial development He or she should oversee ministerial training and appraisal There should also be compulsory training for all new Ministers

continuous professional development for experienced Ministers and basic ministerial training for shadow Ministers in the 12 months before the expected date of a general election Outgoing Ministers should handover directly to their successors rather than relying exclusively on the civil service to conduct handovers Conflict and Governance Susan Brown,2005 The Authors interrogate the manner in which South Africa's changing economy is re-shaping the political and the social landscape Based on in-depth analysis of the data suggestions are made for future policy development **Mindful Leadership For Dummies** Juliet Adams,2016-06-02 The easy way to become a more mindful leader Want to become a more mindful leader With Mindful Leadership For Dummies you'll find accessible and authoritative guidance for cultivating focus clarity and creativity from within your colleagues Packed full of useful tips this friendly how-to guide will help you incorporate mindfulness in your leadership style to manage and reap the benefits of a more attentive working life all while nurturing compassion in the service of others You'll discover how mindfulness can help improve decision making and communication skills manage modern workday challenges and so much more Mindful leadership is currently a high trending topic in the self-help business world making headlines in such prominent publications as Forbes Time magazine and The Guardian and even earning a dedicated blog on Huffington Post And all for good reason the benefits of practicing mindfulness in the workplace are far-reaching and as we begin to uncover more research that supports its effectiveness it's no wonder business leaders are jumping aboard this positive bandwagon Includes tips on incorporating mindfulness into your leadership style Shows you how mindfulness can help develop and deepen your leadership qualities Explains how mindfulness enhances productivity and minimizes the effects of stress in the workplace Outlines how adding mindfulness to your leadership approach will enable you to make positive choices that support your well-being If you're a businessperson looking to add mindfulness to your leadership tool belt Mindful Leadership For Dummies has everything you need to get started today *Bulletin of the Atomic Scientists* ,1993-11 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin's iconic Doomsday Clock stimulates solutions for a safer world *South African Journal of Philosophy* ,2000 Surrealism Against the Current Michael Richardson,Krzysztof Fijalkowski,2001-09-20 Bringing together many Surrealist texts that have never previously been available in English this collection is an essential guide for anyone who wishes to understand the Surrealist movement It traces its development in the words of the Surrealists themselves offering a definitive expression of Surrealism as a collective movement It shows the extent of Surrealist positions and interests and shows how having become a major cultural phenomenon of the twentieth century the issues it has raised remain central to current debates Covering the period 1922-91 these texts illuminate its philosophical political and ethical positions and locate Surrealism in a broader social and cultural context Comprising statements from Surrealist groups in Paris Belgium Romania Sweden and Czechoslovakia and signed by the major participants it reveals the international dimension of Surrealism **Transport Infrastructure Investment**

Energy Efficiency and Sustainable Consumption H. Herring,S. Sorrell,2008-11-27 This book challenges conventional wisdom by showing how in some circumstances improved energy efficiency may increase energy consumption Relying upon energy efficiency to reduce carbon emissions could therefore be misguided This book explores the broader

implications for climate change and sustainable consumption Street Performance and Alternative Organisation Marta Połec, 2025-08-15 The book presents a description of the phenomenon of organising street performances both informal and within formalised structures as well as its interpretation from the point of view of humanistic management The book is a result of ethnographic fieldwork conducted in Polish and European cities from 2014 to 2024 The central focus is the aspects of organisational aesthetics of the activities of street performers and street festival organisers The dynamics of street performances are structured and emerge as a type of alternative organisation The book aims at throwing light on these processes from the point of view of humanistic management which is a relatively new topic in organisational studies and overlooked in other academic fields The book also identifies and outlines some research implications for the combined area of humanistic management and arts management It offers a model of the management of street performance embedded in a theoretical context of 1 humanistic management 2 arts management and 3 organisation informed by values such as community and social entrepreneurship Ultimately the organisation of art in the urban sphere can gain from lessons from the alternative organisational practices depicted in this book which in turn can inform broader humanistically oriented managerial visions Davidson's Principles and Practice of Medicine E-Book Ian D Penman, Stuart H.
