Macarthur And Wainwright Sacrifice Of The Philippines:

MacArthur and Wainwright John Jacob Beck,1974 **The Times When Men Must Die: The Story of the Destruction of the Philippine Army During the Early Months of World War II in the Pacific, December 1941-May 1942 ,**

Philippine-American Military History, 1902-1942 Richard B. Meixsel,2015-10-02 Military obligations rested lightly upon the Filipino people for much of the period that America occupied the Philippines but Filipinos could enlist in the United States Army and Navy attend the service academies at West Point and Annapolis or join military organizations restricted to duty in the islands such as the Philippine Scouts Philippine Constabulary Philippine National Guard and the navy s insular force In the 1930s the Philippine government established its own armed forces Throughout much of this time the U S army also kept a substantial portion of its troop strength in the Philippines This annotated bibliography of nearly 700 titles highlights the extent and variety of the Philippine American military experience from the conquest of the islands by the United States in 1902 to the defeat of Philippine and American forces by the Japanese in 1942 The bibliography includes memoirs and biographies of Filipino and American officers and enlisted men from MacArthur to Ferdinand Marcos unit histories army post and navy base histories medals and insignia books and the most extensive list of prisoner of war memoirs yet published Annotations address controversies such as the widely disparate estimates of American deaths on the Bataan Death March and include previously unpublished information such as casualty figures for American and Philippine forces in 1941 1942 **America's Heroes** James H. Willbanks,2011-03-11 This book features the stories of 200 heroic individuals awarded the Medal of Honor for their distinguished military service while fighting for their country from the Civil War to the conflicts in Iraq and Afghanistan America s Heroes Medal of Honor Recipients from the Civil War to Afghanistan pays tribute to Americans who have demonstrated uncommon valor in the face of great danger The Medal of Honor recipients featured in this book all acted heroically to earn this highly coveted award many of them by risking or sacrificing their lives to save the lives of others The stories of these individuals chosen to reflect the wide diversity of ethnic and cultural backgrounds branches of service and conflicts of the recipients will broaden readers understanding and appreciation of the Medal of Honor and the distinguished Americans who have received it In addition to the gripping stories of these heroic Americans this unique encyclopedia includes an introduction that chronicles the evolution in the award s significance The Medal of Honor has changed greatly over the last 150 years not only in the design of the physical decoration itself but also in terms of the qualifying criteria for the award s recipients **Held To A Higher Standard: The Downfall Of Admiral Kimmel** Lt-Commander Matthew R. Pettinger,2014-08-15 In the aftermath of the Japanese attack on Pearl Harbor Admiral Husband Kimmel was relieved of command of the United States Pacific Fleet and forced into retirement Eight official investigations were conducted to determine his accountability for the attack These investigations produced mixed and often contradictory findings Though he was never brought to court martial accusations of dereliction of duty damaged his reputation

considerably. Ultimately he was one of only two World War Two flag officers not to be retired at the highest rank held during the war; the other was Lieutenant General Walter Short, the Army's Hawaiian commander at the time of the attack. In contrast, only nine hours after the Pearl Harbor attack, General Douglas MacArthur suffered a similar crushing surprise defeat in the Philippines despite his knowledge that the Japanese had initiated hostilities. Yet he became a national war hero. The differing treatment accorded Admiral Kimmel compared to General MacArthur stands as a lesson on biased judgement. Today military commanders in the Global War on Terrorism may find themselves in circumstances similar to either of these two commanders. Knowledge of their situations may help today's commanders avoid similar pitfalls or may prevent comparable unbalanced treatment.

Eagle Against the Sun Ronald H. Spector, 2020-11-03. The best book by far on the Pacific War. The New York Times Book Review. This classic one-volume history of World War II in the Pacific draws on declassified intelligence files, British, American, and Japanese archival material, and military memoirs to provide a stunning and complete history of the conflict. This superbly readable, insightful, gripping Washington Post Book World contribution to WWII history combines impeccable research with electrifying detail and offers provocative interpretations of this brutal forty-four month struggle. Author and historian Ronald H. Spector reassesses US and Japanese strategy and shows that the dual advance across the Pacific by MacArthur and Nimitz was more a pragmatic solution to bureaucratic, doctrinal, and public relations problems facing the Army and Navy than a strategic calculation. He also argues that Japan made its fatal error not in the Midway campaign but in abandoning its offensive strategy after that defeat and allowing itself to be drawn into a war of attrition. Spector skillfully takes us from top secret strategy meetings in Washington, London, and Tokyo to distant beaches and remote Asian jungles with battle-weary GIs. He reveals that the US had secret plans to wage unrestricted submarine warfare against Japan months before Pearl Harbor and shows that MacArthur and his commanders ignored important intercepts of Japanese messages that would have saved thousands of lives in Papua and Leyte. Throughout, Spector contends that American decisions in the Pacific War were shaped more often by the struggles between the British and the Americans and between the Army and the Navy than by strategic considerations. Spector vividly recreates the major battles, little-known campaigns, and unfamiliar events leading up to the deadliest air raid ever, adding a new dimension to our understanding of the American war in the Pacific and the people and forces that determined its outcome.

The Philippines in World War II, 1941-1945 Walter F. Bell, 1999-12-30. Because of their strategic location, the Philippines exercised a profound influence in the thinking of both Japanese and American strategists before and during World War II. Fighting for Freedom, 1990 The Ghost Mountain Boys James Campbell, 2008-09-30 A harrowing portrait of a largely forgotten campaign that pushed one battalion to the limits of human suffering Despite their lack of jungle training the 32nd Division's Ghost Mountain Boys were assigned the most grueling mission of the entire Pacific campaign in World War II to march over the 10 000 foot Owen Stanley Mountains to protect the right flank of the Australian army during the battle for New Guinea Reminiscent of the classics like Band of Brothers and The Things They Carried The Ghost Mountain Boys is part war diary part extreme adventure tale and through letters journals and interviews part biography of a group of men who

fought to survive in an environment every bit as fierce as the enemy they faced. Theirs is one of the great untold stories of the war. Superb Chicago Sun Times Campbell started out with history but in the end he has written a tale of survival and courage of near mythic proportions. America in WWII magazine. In this compelling and sprightly written account, Campbell shines a long overdue light on the equally deserving heroes of the Red Arrow Division. Military.com Race Against Death: The Greatest POW Rescue of World War II (Scholastic Focus) Deborah Hopkinson, 2023-04-18. A thrilling account of the most daring World War II rescue mission liberating hundreds of American prisoners of war. Scholastic Focus is the premier home of thoroughly researched, beautifully written and thoughtfully designed works of narrative nonfiction aimed at middle grade and young adult readers. These books help readers learn about the world in which they live and develop their critical thinking skills so that they may become dynamic citizens who are able to analyze and understand our past, participate in essential discussions about our present and work to grow and build our future. Following the bombing of Pearl Harbor, America entered World War II and a new theater of battle opened up in the Pacific. But US troops along with thousands of Filipino soldiers who fought alongside them were overtaken in the Philippines by a fiercely determined Japanese navy and many Americans and Filipino fighters were killed or captured. These American and Filipino prisoners of war were forced to endure the most horrific conditions on the deadly trek known as the Bataan Death March. Then the American servicemen who were held captive by the Japanese military in Cabanatuan Camp and others in the Philippines faced beatings, starvation and tropical diseases and lived constantly under the threat of death. Unable to forget their comrades' fate and concerned that these POWs would be brutally murdered as the tides of war shifted in the Pacific, the US Army Rangers undertook one of the most daring and dangerous rescue missions of all time. Aided by the Angels of the Underground, the Sixth Ranger Battalion and courageous Filipino guerrilla soldiers set out on an uncertain and treacherous assignment. Often called the Great Raid, this remarkable story remains largely forgotten. Sibert Honor author Deborah Hopkinson presents an extraordinary and unflinching look at the heroic servicemen and women who courageously weathered the worst of circumstances and conditions in service to their country as well as those who answered the call to save their fellow soldiers. Floyd, 1997. *Apocalypse Undone* Preston John Hubbard, 1990. *Apocalypse Undone* recounts Preston Hubbard's four and a half year odyssey from a young idealistic CCC worker to a much older, troubled man full of contempt for war and those who make it. He survived the Bataan Death March, imprisonment at Camp O'Donnell where the death rate exceeded 400 a day, a jungle work detail on Tayabas Isthmus, the starvation diet of Manila's Bilibid Prison, a 17 day voyage to Japan on a Hell Ship and a Japanese POW camp bombed by American planes. *Thunder on Bataan* Donald L.
