When Mack Bolan is wounded and stops at a Kansas farm to recuperate a deadly hired killer comes to destroy him A Checklist of Vietnam War Literature ,1994 **Spies and Holy Wars** Reeva Spector Simon,2010-11-15
Illuminating a powerful intersection between popular culture and global politics
Spies and Holy Wars draws on a sampling of more than eight hundred British and American thrillers that are propelled by the theme of jihad an Islamic holy war or crusade against the West
Published over the past century the books in this expansive study encompass spy novels and crime fiction illustrating new connections between these genres and Western imperialism
Demonstrating the social implications of the popularity of such books Reeva Spector Simon covers how the Middle Eastern villain evolved from being the malleable victim before World War II to the international techno savvy figure in today s crime novels
She explores the impact of James Bond pulp fiction and comic books and also analyzes the ways in which world events shaped the genre particularly in recent years
Worldwide terrorism and economic domination prevail as the most common sources of narrative tension in these works while military tech novels restored the prestige of the American hero in the wake of post Vietnam skepticism
Moving beyond stereotypes Simon examines the relationships between publishing trends political trends and popular culture at large giving voice to the previously unexamined truths that emerge from these provocative page turners
