thriller an unimpeachable page turner People First published a year after the infamous impeachment trial this propulsive narrative captures the full arc of the Clinton sex scandals from their beginnings in a Little Rock hotel to their culmination on the floor of the United States Senate with only the second vote on presidential removal in American history Rich in character and fueled with the high octane of a sensational legal thriller A Vast Conspiracy has indelibly shaped our understanding of this disastrous moment in American political history Cosmopolitan ,1923 *The Clinton Wars* Sidney Blumenthal,2003-05-23 An invaluable history of an extraordinary presidency and the chronicle of a generation s political odyssey When in 1997 Bill Clinton appointed Sidney Blumenthal as a senior advisor the former writer was catapulted into the front lines of the Clinton wars From his first day in the White House until long after his appearance as the only presidential aide ever to testify in an impeachment trial Blumenthal acted in or witnessed nearly all the battles of the Clinton years This major book part history part memoir is the first inside account we have of the presidency of William Jefferson Clinton The Clinton Wars begins in 1987 when Blumenthal first met Bill and Hillary Clinton His chronicle of Clinton s first presidential campaign and first term draws on his experiences as confidant to both the President and the First Lady and is enriched with previously unpublished revelations about both This remarkable personal interpretation goes far in explaining the polarizing nature of Clinton s presence on the national scene The narrative of Clinton s second term is even more dramatic Blumenthal takes special note of the battle that was waged within the media between the President s detractors and defenders which he expands into a vivid picture of Washington society torn apart by warring factions But he does not neglect the wars fought on other fronts in Kosovo against Congress and for economic prosperity His remarkable book ends with the inside story of the fight to elect Al Gore in 2000 and extend the legacy of the Clinton Gore Administration Every page of this unrivaled authoritative book with its intimate insights into Clinton s personality and politics attests to Blumenthal s literary skill profound understanding of politics and unique perspective on crucial events of our recent past The Clinton Wars is a lasting contribution to American history **Phuchai Phasa Thai Diden Phutthasakkarat 2553** Lucianne Goldberg,1993-09 Fans of the intrigue and scandal that lurk behind the public lives of the wealthy and famous won t be able to turn the pages fast enough This juicy novel of sex and secrets has been called smashing entertainment by Cosmopolitan **Mirage** Soheir Khashoggi,2007-04-01 Amira Badir a young woman from a wealthy family in the Middle Eastern country of al Remal lives a life of luxury in opulent palaces But repressive al Remal discourages intelligence and initiative so her life is also one of stark contrasts wearing designer gowns at home but never stepping outside without being swathed in black veils and accompanied by an escort Amira is not prepared for the sadistic savagery of her new husband nor for the increasing control he exerts over her Fearing for her safety she escapes with her baby to start a new life in the United States But her past and her powerful husband won t give her up easily The Hunting of Hillary Michael D'Antonio,2020-07-28 The Pulitzer Prize winning reporter traces how an industry of lies was created to persecute Hillary Clinton thoroughly researched and incisive Kirkus

Reviews A pioneer for women Hilary Clinton was burdened in ways no male politician ever was Maligned by an avalanche of sexist insults and baseless accusations she couldn't call out her right wing attackers lest she be cast as weak and whiny Nevertheless she persisted And her many achievements in politics and policy are all the more remarkable for the unprecedented smear campaign that attempted to stop her The 2016 presidential election can only be understood in the context of the primal and primitive response of those who just couldn't imagine that a woman might lead For those who seek to understand the experience of the most accomplished woman in American politics The Hunting of Hillary offers insight For those who recognized what happened to her it offers affirmation And for those who hope to carry Clinton's work into the future it offers inspiration and instruction I'm biased But I think Michael D Antonio's book cataloging decades of right wing misogyny and mythmaking is a stunner Hillary Clinton *Las chicas de Madame Cleo* Lucianne Goldberg, 1994 *The Cosmopolitan*, 1923 *Not Exactly the CIA* Roger Phelps, 2020-10-30 This book is a vigorous effort to answer the question How did we get here a question that troubles virtually every American over the age of fourteen How did America lose power in the world How did American democracy become undermined The press industry who once would have been charged with answering this question is not according to Phelps currently capable of doing so Closely read this book allows an answer to emerge to this compelling American question *Madame Tellier's girls, The inheritance, Butter-ball, tr. with an intr. by E. Ellis* Henri René A. Guy de Maupassant, 1897 **Uncovering Clinton** Michael Isikoff, 2011-12-21 I realized something that should have been apparent to me much earlier I was in the middle of a plot to get the president A quarter of a century after Woodward and Bernstein's history making expose All the President's Men stunned the nation by capturing the Nixon presidency in the throes of turmoil Newsweek reporter Michael Isikoff gives us an equally explosive and surprisingly suspenseful behind the scenes account of his investigative role in the scandals that have rocked President Clinton's second term and led to the historic vote for impeachment that will define his presidency Isikoff who is credited with breaking the Paula Jones Kathleen Willey and Monica Lewinsky stories is universally acknowledged as the leading reporter who brought to light the incredible revelations about Clinton's personal and political lives that have consumed this country and shocked the world As a reporter for the Washington Post and Newsweek Isikoff has established himself as an astute observer and chronicler of Clinton's conduct throughout his presidency following a trail of presidential misconduct from Little Rock Arkansas to the Oval Office But Isikoff also unwittingly became a primary character in the unfolding Clinton drama This is a story only he could tell a gripping narrative of how one journalist went from battling skeptical editors and a formidable White House spin machine in his quest for the truth about Clinton to becoming a central participant in one of the biggest scandals in American political history Featuring a cast of bizarre characters who make this book as entertaining to read as a novel Uncovering Clinton is also a nuanced and scrupulously fair account with a wealth of never before told information about the major players and events in the Clinton scandals including The real reasons why some Washington Post reporters and editors

believed Paula Jones's story from the start and why Isikoff's story nonetheless was later killed before it ran. How George Stephanopolous covered for Clinton as Isikoff pursued the Paula Jones story. How Lucianne Goldberg's private notebook and tapes of her phone calls with Linda Tripp show that while Tripp was crying victim to the press she was really plotting to bring down the president and betray Monica Lewinsky and write a book about it all. The real truth behind Hillary Clinton's oft cited vast right wing conspiracy: a coterie of right wing lawyers known as the elves who secretly wrote the Jones legal briefs and arranged to bring the Lewinsky story to Ken Starr's office and to public light. How Linda Tripp manipulated Ken Starr's prosecutors into launching a criminal investigation into the Lewinsky matter while withholding critical information including her repeated contacts with Isikoff. Isikoff had no agenda when he started investigating President Clinton's conduct other than to get at the truth. Now after accomplishing a remarkable case of journalistic detective work Isikoff gives us something even more significant: a work that illuminates the psychologically troubling behavior of a president, an Administration that has enabled his actions, a motley crew of Clinton haters who would stop at nothing to topple the president and a rapidly changing media grappling with the ever shifting boundaries between public and private behavior. Uncovering Clinton will surely be the definitive account of our nation's biggest political scandal since Watergate.

Flunked Jen Calonita, 2015-03-03

Would you send a villain to do a hero's job? *Flunked* is an exciting new twisted fairy tale from the award winning author of the *Secrets of My Hollywood Life* series. Charming fairy tale fun. Sarah Mlynowski author of the New York Times bestselling *Whatever After* series. Gilly wouldn't call herself wicked exactly but when you have five little brothers and sisters and live in a run down boot you have to get creative to make ends meet. Gilly's a pretty good thief if she does say so herself. Until she gets caught Gilly's sentenced to three months at Fairy Tale Reform School where all of the teachers are former super scary villains like the Big Bad Wolf, the Evil Queen and Cinderella's Wicked Stepmother. Harsh. But when she meets fellow students Jax and Kayla she learns there's more to this school than its heroic mission. There's a battle brewing and Gilly has to wonder: can a villain really change? Fairy Tale Reform School is spellbinding and wickedly clever. Gilly is smart, spunky and a hilarious narrator and I cannot wait to read about her next adventure.

Leslie Margolis author of the *Annabelle Unleashed* novels and the *Maggie Brooklyn* mysteries. Fairy Tale Reform School is a fresh and funny take on the enchanted world. And who hasn't always wanted to know what happened to Cinderella's stepmother?

Julia DeVillers author of the *Trading Faces* identical twin series and *Emma Emmet's Playground Matchmaker*.
