Magic And English Romanticism

William A. Covino

Magic And English Romanticism:

Magic and English Romanticism Anya Taylor, 1979 **A Handbook to English Romanticism** Jean Raimond, Richard Watson, 1992-09-15 **Romanticism and Popular Magic** Stephanie Elizabeth Churms, 2019-01-16 This book explores how Romanticism was shaped by practices of popular magic It seeks to identify the place of occult activity and culture in the form of curses spells future telling charms and protective talismans in everyday life together with the ways in which such practice figures and is refigured in literary and political discourse at a time of revolutionary upheaval What emerges is a new perspective on literature s material contexts in the 1790s from the rhetorical linguistic and visual jugglery of the revolution controversy to John Thelwall s occult turn during a period of autobiographical self reinvention at the end of the decade From Wordsworth s deployment of popular magic as a socially and politically emancipatory agent in Lyrical Ballads to Coleridge s anxious engagement with superstition as a despotic system of mental enslavement and Robert Southey s wrestling with an increasingly alluring conservatism he associated with a reliance on ultimately incarcerating systems of superstition **The Oxford Handbook of British Romantic Prose** Robert Morrison, 2024 The Oxford Handbook of British Romantic Prose is a full length essay collection devoted entirely to British Romantic nonfiction prose Organized into eight parts each containing between five and nine chapters arranged alphabetically the Handbook weaves together familiar and unfamiliar texts events and authors and invites readers to draw comparisons reimagine connections and disconnections and confront frequently stark contradictions within British Romantic nonfiction prose but also in its relationship to British Romanticism more generally and to the literary practices and cultural contexts of other periods and countries The Handbook builds on previous scholarship in the field considers emerging trends and evolving methodologies and suggests future areas of study Throughout the emphasis is on lucid expression rather than gnomic declaration and on chapters that offer not a dutiful survey but evaluative assessments that keep an eye on the bigger picture yet also dwell meaningfully on specific paradoxes and the most telling examples Taken as a whole the volume demonstrates the energy originality and diversity at the crux of British Romantic nonfiction prose It vigorously challenges the traditional construction of the British Romantic movement as focused too exclusively on the accomplishments of its poets and it reveals the many ways in which scholars of the period are steadily broadening out and opening up delineations of British Romanticism in order to encompass and thoroughly evaluate the achievements of its nonfiction prose writers **Magic, Rhetoric, and Literacy** William A. Covino, 1994-07-28 This book presents a selective introductory reading of key texts in the history of magic from antiquity forward in order to construct a suggestive conceptual framework for disrupting our conventional notions about rhetoric and literacy Offering an overarching pointed synthesis of the interpenetration of magic rhetoric and literacy William A Covino draws from theorists ranging from Plato and Cornelius Agrippa to Paulo Freire and Mary Daly and analyzes the different magics that operate in Renaissance occult philosophy and Romantic literature as well as in popular indicators of mass literacy such as The Oprah Winfrey Show

and The National Enquirer Magic Rhetoric and Literacy distinguishes two kinds of magic rhetoric that continue to affect our psychological and cultural life today Generative magic rhetoric creates novel possibilities for action within a broad sympathetic universe of signs and symbols Arresting magic rhetoric attempts to induce automatistic behavior by inculcating rules and maxims that function like magic ritual formulas JUST SAY NO In this connection the literate individual is one who can interrogate arresting language and generate counter spells William Gilbert and *Esoteric Romanticism* Paul Cheshire, 2018 This first annotated edition of William Gilbert's enigmatic poem The Hurricane a Theosophical and Western Eclogue with extended interpretative chapters informed by Gilbert's magical and astrological writings shows how its dark materials fed the imaginations of his friends Coleridge Wordsworth and Southey in their formative years between 1795 and 1798

A History of English Romanticism in the Eighteenth Century Henry Augustin Beers, 1898

A History of English Romanticism in the Eighteenth Century Henry A. Beers, 2019-09-25 Reproduction of the original A History of English Romanticism in the Eighteenth Century by Henry A Beers

The Routledge Research Companion to Nineteenth-Century British Literature and Science John Holmes, Sharon Ruston, 2017-05-18 Tracing the continuities and trends in the complex relationship between literature and science in the long nineteenth century this companion provides scholars with a comprehensive authoritative and up to date foundation for research in this field In intellectual material and social terms the transformation undergone by Western culture over the period was unprecedented Many of these changes were grounded in the growth of science Yet science was not a cultural monolith then any more than it is now and its development was shaped by competing world views To cover the full range of literary engagements with science in the nineteenth century this companion consists of twenty seven chapters by experts in the field which explore crucial social and intellectual contexts for the interactions between literature and science how science affected different genres of writing and the importance of individual scientific disciplines and concepts within literary culture Each chapter has its own extensive bibliography The volume as a whole is rounded out with a synoptic introduction by the editors and an afterword by the eminent historian of nineteenth century science Bernard Lightman

Robert Southey and the Contexts of English Romanticism Lynda Pratt, 2016-04-08 Lynda Pratt's collection of specially commissioned essays is the first edited volume devoted to the multiple connections between Robert Southey 1774 1843 and English Romantic culture A major and highly controversial personage in his own day Southey has until recently been the forgotten member of the Lake School

The Androgyne in Early German Romanticism Sara Friedrichsmeyer, 1983 The androgyne has remained for centuries a quintessential ideal of oneness Relatively obscure in German literature until the end of the 18th century it became in early German Romanticism the paradigm for personal and historical perfection As interpreters of earlier forms of the ideal transmitted through Plato and Bohme through alchemy mysticism Pietism and the entire Hermetic tradition and also as the first to understand it in psychological terms the Jena Romantics occupy a pivotal position in the historical development of the

dream of androgynous wholeness **A History of English Romanticism in the Nineteenth Century** Henry Augustin Beers, 1901 **A History of English Romanticism in the Nineteenth Century** Henry Augustin Beers, 1901 **English Poetry and Prose of the Romantic Movement** George Benjamin Woods, 1916 **English Romanticism and the Celtic World** Gerard Carruthers, Alan Rawes, 2003-05-15 English Romanticism and the Celtic World explores the way in which British Romantic writers responded to the national and cultural identities of the four nations England Ireland Scotland and Wales The essays collected here by specialists in the field interrogate the cultural centres as well as the peripheries of Romanticism and the interactions between these They underline Celticism as an emergent strand of cultural ethnicity during the eighteenth century examining the constructions of Celticness and Britishness in the Romantic period including the ways in which the Celtic countries viewed themselves in the light of Romanticism Other topics include the development of Welsh antiquarianism the Ossian controversy Irish nationalism Celtic landscapes Romantic form and Orientalism The collection covers writing by Blake Wordsworth Scott Byron and Shelley and will be of interest to scholars of Romanticism and Celtic studies **Romancing the Market** Stephen Brown, Bill Clarke, Anne Marie Doherty, 2003-09-02 Romancing the Market is a radical rethinking of marketing understanding The book contains essays by an international selection of the most creative contemporary marketing scholars **Italy and the English Romantics** C. P Brand, 2011-06-09 A fashionable and well informed interest in Italy was a feature of English intellectual life in the first half of the 19th century Most cultured people could read Italian and knew something of Italian literature Young ladies learned to sing in Italian whilst young gentlemen completed their education with a tour in Italy Painters went there to make copies from Raphael architects to sketch the Graeco Roman ruins Men of letters in particular found themselves drawn to Italy and much Romantic literature reflects this interest many works owe their origin to Italian literature In this book which was originally published in 1957 Dr Brand traces the growth and decline of the social fashion which made Italy the goal of so many cultured Englishmen He examines in particular the extent and significance of Italy's fascination for the English romantic writers and traces the effects of the fashion in music painting architecture and political affairs *Apocalypse and Millennium in English Romantic Poetry* Morton D. Paley, 1999-10-07 The interrelationship of the ideas of apocalypse and millennium is a dominant concern of British Romanticism The Book of Revelation provides a model of history in which apocalypse is followed by millennium but in their various ways the major Romantic poets Blake Wordsworth Coleridge Byron Keats and Shelley question and even at times undermine the possibility of a successful secularization of this model No matter how confidently the sequence of apocalypse and millennium seems to be affirmed in some of the major works of the period the issue is always in doubt the fear that millennium may not ensue emerges as a significant if often repressed theme in the great works of the period Related to it is the tension in Romantic poetry between conflicting models of history itself history as teleology developing towards end time and millennium and history as purposeless cycle This subject matter is traced through a selection of works by the major

poets partly through an exposition of their underlying intellectual traditions and partly through a close examination of the poems themselves

Fatal Autonomy William Jewett, 2019-05-15 *Fatal Autonomy* is a subtle gracefully written and politically astute reading of selected plays by the canonical Romantic poets Jewett offers the most original and carefully circumscribed formulations to date of the interaction between language and politics as it is depicted in Romantic drama Julie Carlson University of California Santa Barbara Describing an enduring moral puzzle and explaining how it helped to shape a key moment in the history of poetic drama *Fatal Autonomy* represents Romanticism as a reckoning with the costs of individual agency No moral calculus can ever fully determine the relation of events to an individual's actions and failures to act William Jewett argues that is why the stubborn belief in such a relationship gives rise to tragedy Jewett maintains that tragic drama forces its readers and viewers to confront the ways in which the use of language grants agency The Romantic poets saw a moral challenge in that confrontation and followed its generic implications toward a new kind of poetry *Fatal Autonomy* thus looks to Romantic drama to explain how Romantic poetry came to hold a permanent grip on conceptions of moral life Tracing the source of major strains in British Romanticism to a politically charged body of dramatic poems Jewett focuses on two historical moments 1794-97 which he describes as the political turning point in the careers of William Wordsworth and Samuel Taylor Coleridge and 1819-22 the years in which he believes Percy Bysshe Shelley and Lord Byron wrote their best poetry

The Romantic Tradition in British Political Thought Jonathan Mendilow, 2019-11-21 First published in 1986 It is often suggested that the great first generation of Romantics after the first flush of their revolutionary enthusiasm sold out to the forces of conservatism and reaction This book starts from the thesis that the ideas of Wordsworth Coleridge and Southey did always contain powerful radical and reformist implications that set the tone of liberal and left wing discussion for several generations The message of the French Revolution and Wordsworth's youthful enthusiasm continued to imbue the thought of Carlyle and his disciples Ruskin and Kingsley and its characteristic articulations are still visible in later socialists such as Keir Hardie and Blatchford This thoughtful book not only shows how surprising are the original roots of some great socialist thinkers but also argues for a strong continuity in the English tradition of political thought from the 1780s to the early years of the twentieth century Both students of politics and of literature and Victorian ideas will be stimulated by *The Romantic Tradition in British Political Thought*

Magic And English Romanticism Introduction

In the digital age, access to information has become easier than ever before. The ability to download Magic And English Romanticism has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Magic And English Romanticism has opened up a world of possibilities. Downloading Magic And English Romanticism provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Magic And English Romanticism has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Magic And English Romanticism. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Magic And English Romanticism. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Magic And English Romanticism, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Magic And English Romanticism has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available

and embark on a journey of continuous learning and intellectual growth.

FAQs About Magic And English Romanticism Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
