Criminal Case No. 17289

- versus -

DOMINIC CABUAG,
Accused.

MEMORANDUM

Accused, thru counsel, submits this memorandum in compliance with the order of this Honorable Court.

STATEMENT OF THE FACTS

On November 9, 2013 at about 10:00 pm, the accused Dominic Cabuag together with the victim Cayetano Ramos and two (2) other auditing partners had a drinking spree at the accused's residence to celebrate a rather victorious event for their accounting firm. The victim, according to the testimonies of the witnesses, was able to close a deal with one of their firm's most sought for clients. At some point during the drinking spree, Jalim Gania commended the victim for a job well done and made an emphasis on how the victim could be such an asset to their firm. This exclusive commendation of the victim by Jalim was alleged to have infuriated the accused causing the latter to run amok and repeatedly stab the victim which led to the victim's instantaneous death.

When the police responded to the incident, it was alleged that the accused remain in the scene of the crime and invited the police officers to join their celebration as if no killing has just taken place. The accused was also alleged to be talking to the cold body of the victim lying at the ground as if the latter was still alive. Due to this peculiar behavior of the accused, SPO1 Jose Santos, one of the officers who conducted the arrest, ordered the confinement of the accused to the psychiatric institution of the Bureau of Jail Management and Penology where the accused remains until now.

ISSUE

The issue is whether the accused Dominic Cabuag is exempt from liability for the killing of victim Cayetano Ramos by reason of insanity.

BRIEF ANSWER

Yes, the accused is exempt from criminal liability for the crime was committed during the period of his insanity.

Secret Witness Blaine Pardoe,2012-04-18 Every small town has a moment when the real world abruptly intrudes shattering the town's notions of itself and its people For citizens of Marshall Michigan that moment came August 18 1967 Nola Puyear was working downtown at the Tasty Cafe that morning when she received a package She opened it and was instantly killed in a fiery explosion In the months that followed law enforcement and prosecutors wrestled with a crime that to all appearances was senseless Evidence recovered from the blown up restaurant including a bottle of pills that had been tainted with lye suggested a concerted plot to murder Mrs Puyear But why had someone wanted to kill the well liked woman by all accounts a pillar of her close knit community For that matter was Marshall really the quaint paradise it seemed to be Secret Witness brings to light startling new evidence and freshly uncovered facts to address these and other questions that to this day surround one of Michigan's most brutal murders Based on extensive interviews with surviving prosecutors police and witnesses Blaine Pardoe re creates the investigation that pried into Marshall's dark underbelly and uncovered the seamy private lives led by some of the town's citizenry but led to only tenuous theories about the bombing The book also examines the pivotal role played by the Secret Witness program an initiative by the Detroit News that offered rewards for anonymous tips related to violent crimes What's ultimately revealed is the true depth of evil that occurred in Marshall that day Every small town has dirty little secrets This time they were deadly Everything Secret Degenerates United States. Congress. House. Committee on Government Reform,2004 *The Dark Corners of the Lindbergh Kidnapping* Michael Melsky,2018-06-13 This book will follow the same path as volume one by continuing to explore the dark corners of the Lindbergh kidnapping All the topics throughout this volume will be ones that were never properly examined or evaluated anytime in the past And the facts revealed cause the historical account to become very unlikely if not impossible as a result As with the first it is an unorthodox style a book that may not transition from one chapter to the next as is typical There may be places where I repeat certain information and or mention different versions which may not always match up I do this intentionally so the reader will have all of the information necessary to draw a personal conclusion I have been very fortunate to be able to access a number of sources that are either not well known or privately held Each of these has enhanced my knowledge of the case and I have tried very hard to communicate the essential findings of each of these to you in this book In this regard my book is unique and should offer new information to anyone who reads it including the most seasoned researchers *The Fascist Dictatorship in Italy* Gaetano Salvemini,1927 *President's Kill List* Luca Trenta,2024-05-31 From Fidel Castro to Qassem Soleimani the US government has been involved in an array of assassinations and assassination attempts against foreign leaders and officials The President's Kill List reveals how the US government has relied on a variety of methods from the use of poison to the delivery of sniper rifles and from employing hitmen to simply laying the groundwork

for local actors to do the deed themselves It shows not only how policymakers decided on assassination but also the level of Presidential control over these decisions Tracing the history of the US government s approach to assassination the book analyses the evolution of assassination policies and for the first time reveals how successive administrations through private justifications and public legitimations ensured assassination remained an available tool **The Memo Book** Jim

The Harbinger Theory Robert Diab,2015 The Harbinger Theory demonstrates that extreme measures have been

consistently embraced in politics scholarship and public opinion not in terms of a general fear of the greater threat that terrorism now poses but a more specific belief that 9 11 was the harbinger of a new order of terror giving rise to the likelihood of an attack on the same scale as 9 11 or greater in the near future involving thousands of casualties and possibly weapons of mass destruction It explains how the harbinger theory shapes debates about rights and security by virtue of rhetorical strategies on the part of political leaders and security experts and in works of popular culture in which the theory is often invoked as a self evident truth without the need for supporting evidence or authority Freedom of Information Reform Act United States.
