Memories Of My Ghost Brother A Novel:

Memories of My Ghost Brother Heinz Insu Fenkl, 2005-05-01 The Ghosts Within Janna Odabas, 2018-11-09 The ghost as a literary figure has been interpreted multiple times spiritually psychoanalytically sociologically or allegorically Following these approaches Janna Odabas understands ghosts in Asian American literature as self reflexive figures With identity politics at the core of the ghost concept Odabas emphasizes how ghosts critically renegotiate the notion of Asian America as heterogeneous and transnational and resist interpretation through a morally or politically preconceived approach to Asian American literature Responding to the tensions of the scholarly field Odabas argues that the literary works under scrutiny openly play with and rethink conceptions of ghosts as mere exotic ethnic ornamentation **Haunting the Korean Diaspora** Grace M. Cho, 2008 Since the Korean War the forgotten war more than a million Korean women have acted as sex workers for U S servicemen More than 100 000 women married GIs and moved to the United States Through intellectual vigor and personal recollection *Haunting the Korean Diaspora* explores the repressed history of emotional and physical violence between the United States and Korea and the unexamined reverberations of sexual relationships between Korean women and American soldiers **Interfictions** Delia Sherman, Theodora Goss, 2007-04-01 Nineteen writers dig into the imaginative spaces between conventional genres realistic and fantastical scholarly and poetic personal and political and bring up gems of new fiction interstitial fiction This is the literary mode of the new century a reflection of the complex ambiguous and challenging world that we live in These nineteen stories by some of the most interesting and innovative writers working today will change your mind about what stories can and should do as they explore the imaginative space between conventional genres The editors garnered stories from new and established authors in the United States Canada Australia and the United Kingdom and also fiction translated from Spanish Hungarian and French The collection features stories from Christopher Barzak Colin Greenland Holly Phillips Rachel Pollack Vandana Singh Anna Tambour Catherynne Valente Leslie What and others A wildly varied cacophony of a book by turns beautiful funny frightening frustrating and baffling but never boring New Haven Review Odd Deep Delightful Atlanta Journal Constitution This idea of playing with genre conventions is interstitiality's charm and what makes it a movement for the hypertext age We want words to do more now and for our time not to have been spent with just one idea Adrienne Martini Baltimore City Paper Delia Sherman was born in Tokyo and brought up in New York City She earned a PhD in Renaissance studies at Brown University and taught at Boston and North eastern universities She is the author of the novels *Through a Brazen Mirror* *The Porcelain Dove* a Mythopoeic Award winner and *Changeling* Sherman co founded the Interstitial Arts Foundation dedicated to promoting art that crosses genre borders Theodora Goss was born in Hungary and spent a peripatetic childhood in various European countries She teaches at Boston University is completing a PhD and is introducing classes on the fantastic tradition in English literature She is the author of a short story collection *In the Forest of Forgetting* **Asian American Society** Mary

Yu Danico, 2014-08-19 Asian Americans are a growing minority population in the United States. After a 46 percent population growth between 2000 and 2010 according to the 2010 Census, there are 17.3 million Asian Americans today. Yet Asian Americans as a category are a diverse set of peoples from over 30 distinctive Asian origin subgroups that defy simplistic descriptions or generalizations. They face a wide range of issues and problems within the larger American social universe despite the persistence of common stereotypes that label them as a model minority for the generalized attributes offered uncritically in many media depictions. *Asian American Society: An Encyclopedia* provides a thorough introduction to the wide-ranging and fast-developing field of Asian American studies. Published with the Association for Asian American Studies (AAAS), two volumes of the four-volume encyclopedia feature more than 300 A to Z articles authored by AAAS members and experts in the field who examine the social, cultural, psychological, economic, and political dimensions of the Asian American experience. The next two volumes of this work contain approximately 200 annotated primary documents organized chronologically that detail the impact American society has had on reshaping Asian American identities and social structures over time. Features more than 300 articles authored by experts in the field organized in A to Z format help students understand Asian American influences on American life as well as the impact of American society on reshaping Asian American identities and social structures over time. A core collection of primary documents and key demographic and social science data provide historical context and key information. A Reader's Guide groups related entries by broad topic areas and themes. A Glossary defines key terms, and a Resource Guide provides lists of books, academic journals, websites, and cross references. The multimedia digital edition is enhanced with 75 video clips and features strong search and browse capabilities through the electronic Reader's Guide, detailed index, and cross references. Available in both print and online formats, this collection of essays is a must-have resource for general and research libraries, Asian American ethnic studies libraries, and social science libraries.

Kori Heinz Insu Fenkl, Walter K. Lew, 2002-05-10 Since the 1930s Korean American writers have come to maintain an important place in our national literature, publishing some of the most exciting fiction of the twentieth century. The stories in this first anthology of Korean American fiction represent the very best work of these writers, including several pieces published for the first time. Contributors include Patti Kim, Chang-rae Lee, Susan Choi, Heinz Insu Fenkl, Leonard Chang, Nora Okja Keller, and Richard E. Kim.

The Nine Cloud Dream, Kim Man-jung, 2019-02-12 Korea's most prized literary masterpiece, a Buddhist journey questioning the illusions of human life, presented in a vivid new translation by PEN Hemingway finalist Heinz Insu Fenkl. Named one of the year's most anticipated books by *The New York Times*, *The Millions*, and *i09*. Often considered the highest achievement in Korean fiction, *The Nine Cloud Dream* poses the question: Will the life we dream of truly make us happy? Written in 17th-century Korea, this classic novel's wondrous story begins when a young monk living on a sacred Lotus Peak in China succumbs to the temptation of eight fairy maidens. For doubting his master's Buddhist teachings, the monk is forced to endure a strange punishment: reincarnation as the most ideal of men. On

his journey through this new life full of material martial and sensual accomplishments beyond his wildest dreams he encounters the eight fairies in human form each one furthering his path towards understanding the fleeting value of his good fortune As his successes grow he comes closer and closer to finally comprehending the fundamental truths of the Buddha's teachings Like Hesse's Siddhartha The Nine Cloud Dream is an unforgettable tale that explores the meaning of a good life and the virtue of living simply with mindfulness For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 800 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

Ethnic Literary Traditions in American Children's Literature M. Stewart, Y.

Atkinson, 2009-11-23 Esteemed contributors expand the range of possibilities for reading understanding and teaching children's literature as ethnic literature rather than children's literature in this ambitious collection

Ends of Empire Jodi Kim, 2004 Ends of Empire examines Asian American cultural production and its challenge to the dominant understanding of American imperialism Cold War dynamics and race and gender formation Jodi Kim demonstrates the degree to which Asian American literature and film critique the record of U S imperial violence in Asia and provides a glimpse into the imperial and gendered racial logic of the Cold War She unfolds this particularly entangled and enduring episode in the history of U S global hegemony one that contrary to leading interpretations of the Cold War as a simple bipolar rivalry was significantly triangulated in Asia The Asian American works analyzed here constitute a crucial body of what Kim reveals as transnational Cold War compositions which are at once a geopolitical structuring an ideological writing and a cultural imagining Arguing that these works reframe the U S Cold War as a project of gendered racial formation and imperialism as well as a production of knowledge Ends of Empire offers an interdisciplinary investigation into the transnational dimensions of Asian America and its critical relationship to Cold War history

the modern miracle of South Korea What Are You? Pearl Fuyo Gaskins,1999-06-15 Many young people of racially mixed backgrounds discuss their feelings about family relationships prejudice dating personal identity and other issues The Cambridge Companion to Asian American Literature Crystal Parikh,Daniel Y. Kim,2015-08-20 The Cambridge Companion to Asian American Literature offers an engaging survey of Asian American literature from the nineteenth century to the present day Since the 1980s Asian American literary studies has developed into a substantial and vibrant field within English and American Studies This Companion explores the variety of historical periods literary genres and cultural movements affecting the development of Asian American literature Written by a host of leading scholars in the field this book provides insight into the representative movements regional settings archival resources and critical reception that define Asian American literature Covering subjects from immigrant narratives and internment literature to contemporary race studies and the problem of translation this Companion provides insight into the myriad traditions that have shaped the Asian American literary landscape **The Greenwood Encyclopedia of Asian American Literature** Guiyou Huang,2008-12-30 Asian American literature dates back to the close of the 19th century and during the years following World War II it significantly expanded in volume and diversity Monumental in scope this encyclopedia surveys Asian American literature from its origins through 2007 Included are more than 270 alphabetically arranged entries on writers major works significant historical events and important terms and concepts Thus the encyclopedia gives special attention to the historical social cultural and legal contexts surrounding Asian American literature and central to the Asian American experience Each entry is written by an expert contributor and cites works for further reading and the encyclopedia closes with a selected general bibliography of essential print and electronic resources While literature students will value this encyclopedia as a guide to writings by Asian Americans the encyclopedia also supports the social studies curriculum by helping students use literature to learn about Asian American history and culture as it pertains to writers from a host of Asian ethnic and cultural backgrounds including Afghans Chinese Japanese Koreans Filipinos Iranians Indians Vietnamese Hawaiians and other Asian Pacific Islanders The encyclopedia supports the literature curriculum by helping students learn more about Asian American literature In addition it supports the social studies curriculum by helping students learn about the Asian American historical and cultural experience Check All That Apply Sundee Tucker Frazier,2001-12-28 Sundee Frazier draws from her own experience to help people from multiracial backgrounds understand their identity and get a sense of God s purpose for their lives Encyclopedia of Asian-American Literature Seiwoong Oh,2015-04-22 Presents a reference on Asian American literature providing profiles of Asian American writers and their works **The Red Years** Bandi,2019-08-15 Though North Korea holds the attention of the world it is still rare for us to hear North Korean voices beyond those few who have escaped Known only by his pen name the poet and author Bandi stands as one of the most distinctive and original dissident writers to emerge from the country and his work is all the more striking for the fact that he continues to reside in North Korea writing in secret with his work smuggled

out of the country by supporters and relatives The Red Years represents the first collection of Bandi's poetry to be made available in English As he did in his first work The Accusation Bandi here gives us a rare glimpse into everyday life and survival in North Korea Singularly poignant and evocative The Red Years stands as a testament to the power of the human spirit to endure and resist even the most repressive of regimes The Martyred Richard E. Kim, 2011-05-31 Written in a mood of total austerity and yet the passion of the book is perpetually beating up against its seemingly barren surface I am deeply moved Philip Roth During the early weeks of the Korean War Captain Lee a young South Korean officer is ordered to investigate the kidnapping and mass murder of North Korean ministers by Communist forces For propaganda purposes the priests are declared martyrs but as he delves into the crime Lee finds himself asking What if they were not martyrs What if they renounced their faith in the face of death failing both God and country Should the people be fed this lie Part thriller part mystery part existential treatise The Martyred is a stunning meditation on truth religion and faith in times of crisis For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators **Journal of Asian American Studies**, 2008 Official publication of the Association for Asian American Studies explores all aspects of the Asian American experience Publishes original works of scholarly interest to the field including new theoretical developments research results methodological innovations public policy concerns pedagogical issues and book media reviews **Many Peoples, One Land** Alethea K. Helbig, Agnes Regan Perkins, 2000-10-30 Celebrating the wealth of quality multicultural literature recently published for children and young adults this valuable resource examines the fiction oral tradition and poetry from four major ethnic groups in the United States Each of these genres is considered in turn for the literature dealing with African Americans Asian Americans Hispanic Americans and Native American Indians Taking up where their earlier volume This Land is Our Land left off Helbig and Perkins have teamed up once again to identify and expertly evaluate more than 500 multicultural books published from 1994 through 1999 Both considered authorities in the field of children's literature the two of them personally selected read and evaluated all the books included here Their insightful annotations help readers carefully consider both literary standards such as plot development characterization and style as well as cultural values as they are represented in these cited works Each entry also indicates the suggested age and grade level appropriateness of the work With the proliferation and ever increasing popularity of multicultural literature for children and young adults this sensitively written volume will serve as an invaluable collection development tool Teachers as well as librarians will find the comprehensiveness and organization of this bibliography helpful as a guide in selecting appropriate materials for classroom use Even students will find this book easy to use with its five indexes identifying works by title writer
