Men Against McCarthy:

Men Against McCarthy Richard M. Fried, 1972 *Men Against McCarthy* Richard M. Fried, 1976 Fearing the Worst Samuel F. Wells Jr., 2019-11-26 After World War II the escalating tensions of the Cold War shaped the international system Fearing the Worst explains how the Korean War fundamentally changed postwar competition between the United States and the Soviet Union into a militarized confrontation that would last decades Samuel F Wells Jr examines how military and political events interacted to escalate the conflict Decisions made by the Truman administration in the first six months of the Korean War drove both superpowers to intensify their defense buildup American leaders feared the worst case scenario that Stalin was prepared to start World War III and raced to build up strategic arms resulting in a struggle they did not seek out or intend Their decisions stemmed from incomplete interpretations of Soviet and Chinese goals especially the belief that China was a Kremlin puppet Yet Stalin Mao and Kim Il sung all had their own agendas about which the United States lacked reliable intelligence Drawing on newly available documents and memoirs including previously restricted archives in Russia China and North Korea Wells analyzes the key decision points that changed the course of the war He also provides vivid profiles of the central actors as well as important but lesser known figures Bringing together studies of military policy and diplomacy with the roles of technology intelligence and domestic politics in each of the principal nations Fearing the Worst offers a new account of the Korean War and its lasting legacy **The Achievement of American Liberalism** William H. Chafe, 2003 Alan Brinkley Melvin Urofsky Harvard Sitkoff and other leading scholars explore the liberal tradition in American politics culture and social relations The Press in Times of Crisis Lloyd E. Chiasson, 1995-09-30 Throughout American history the press has been incredibly adept at making the public aware The history of the press in crisis situations is in many ways the story of public attitudes and the story of America This book looks at the press over time and the way it has functioned in times of crisis It considers press coverage of 13 events spanning a time frame that includes the birth of the nation its political economic and social struggles as a young country and its civil war It tells how a young agrarian society grew into an industrial giant and how it changed from isolationist to a world power It relates how this country coped with the growth of socialism two world wars civil unrest and with the problem of world overpopulation The American press has performed various functions throughout the years The Colonial Press served as a vehicle of discussion debate and finally agitation and in the process may have defined itself and laid a groundwork for the press s future roles The press has agitated advocated and persuaded It has been duped it has been unfair and it has misled This volume considers such concepts as advocacy journalism a central theme of the chapters on abolitionists and David Duke and social responsibility a primary part of the chapter on Japanese American internment The press s attempt to lead public opinion is the focus of the chapters on the partisan press the antebellum period and the first Red Scare in 1919 The chapter on Joseph McCarthy looks at the concepts of objectivity and the use and misuse of pseudo news The final chapter on overpopulation deals extensively with agenda

setting **Groupthink or Deadlock** Paul A. Kowert,2012-02-01 The danger of groupthink is now standard fare in leadership training programs and a widely accepted explanation among political scientists for policy making fiascoes Efforts to avoid groupthink however can lead to an even more serious problem deadlock Groupthink or Deadlock explores these dual problems in the Eisenhower and Reagan administrations and demonstrates how both presidents were capable of learning and consequently changing their policies sometimes dramatically but at the same time doing so in characteristically different ways Kowert points to the need for leaders to organize their staff in a way that fits their learning and leadership style and allows them to negotiate a path between groupthink and deadlock **Joseph McCarthy** Arthur Herman,2000 A daring and controversial second look at Senator Joseph McCarthy that declares that many of his notorious accusations were actually true 16 page photo insert *The Colonel and Hug* Steve Steinberg,Lyle Spatz,Marty Appel,2015-05-01 The story of New York Yankees owner Jacob Ruppert and manager Miller Huggins who from 1918 to 1929 partnered to build the Yankees to become and remain the nation s dominant sports franchise **A Companion to Dwight D. Eisenhower** Chester J. Pach,2017-04-07 A Companion to Dwight D Eisenhower brings new depth to the historiography of this significant and complex figure providing a comprehensive and up to date depiction of both the man and era Thoughtfully incorporates new and significant literature on Dwight D Eisenhower Thoroughly examines both the Eisenhower era and the man himself broadening the historical scope by which Eisenhower is understood and interpreted Presents a complete picture of Eisenhower s many roles in historical context the individual general president politician and citizen This Companion is the ideal starting point for anyone researching America during the Eisenhower years and an invaluable guide for graduate students and advanced undergraduates in history political science and policy studies Meticulously edited by a leading authority on the Eisenhower presidency with chapters by international experts on political international social and cultural history **A Companion to Richard M. Nixon** Melvin Small,2013-05-03 This companion offers an overview of Richard M Nixon s life presidency and legacy as well as a detailed look at the evolution and current state of Nixon scholarship Examines the central arguments and scholarly debates that surround his term in office Explores Nixon s legacy and the historical significance of his years as president Covers the full range of topics from his campaigns for Congress to his career as Vice President to his presidency and Watergate Makes extensive use of the recent paper and electronic releases from the Nixon Presidential Materials Project

Senate, 1789-1989, V. 1: Addresses on the History of the United States Senate , Historical Dictionary of the 1950s Bloomsbury Publishing,2000-07-30 Today Americans look back nostalgically at the 1950s an era when television and rock and roll revolutionized popular culture and Vietnam race riots drug abuse and protest movements were still in the future With homes in the suburbs new automobiles and the latest electrical gadgets many Americans believed they were the most prosperous people on earth Yet the era was tainted by the fear of thermonuclear war with the Soviet Union deepening racial tensions and discontent with rigid roles for women and the demands of corporate conformity A sense of rebellion had

begun to brew behind the facade It manifested itself in rock and roll the budding civil rights movement and the appearance of a youth culture eventually exploding in the 1960s Providing a comprehensive overview this book includes entries on the prominent people major events issues scandals ideas popular culture and court cases of the decade that gave rise to the tensions of the 1960s **The Senate, 1789-1989** Robert C. Byrd,1988 **The Republican Right since 1945** David W. Reinhard,2021-10-21 In 1981 a Right Wing Republican at long last resided in the White House presiding over what may prove to be the most fundamental restructuring of American political life since the days of Franklin D Roosevelt Fortunately **The Republican Right since 1945** now provides us with the necessary historical understanding of conservative Republicans David Reinhard s dispassionate yet lively book recounts the Republican Right s political struggles from the death of FDR in 1945 to the inauguration of Ronald Reagan Younger readers will discover that Right Wing Republicans are older than Ronald Reagan or Barry Goldwater and that some conservative Republicans once feared the overextension of American power abroad and the rise of the garrison state at home Those old enough to remember when the Republican Right was called the Old Guard will rediscover the events and personalities of those earlier years thanks to Reinhard s use of more than thirty five manuscript collections and the most recent historical writing Not content to let this history end where traditional manuscript sources run thin Reinhard has brought the story of the Republican Right Wing forward to President Ronald Reagan s inauguration placing Right Wing Republican reaction to the Johnson and the Nixon Ford years within the context of the earlier period and chronicling the electoral triumph of Ronald Reagan and the Republican Right Students of the past and observers of the present will appreciate Reinhard s treatment of the always troubled Nixon Republican Right association challenger Ronald Reagan s battle against President Gerald Ford in 1976 the decline of GOP moderation and the rise of the New Right Moral Majority forces and their relationship to the now ascendant Republican Right Reinhard illuminates the conservative Republican past and thereby makes the current political scene more understandable Thoroughly researched and brilliantly written **The Republican Right since 1945** will fascinate scholars and general readers alike **Testing the Limits** Brian Lewis Crispell,1999 A Floridian who served as a U S Senator from 1950 to 1968 George Armistead Smathers is generally regarded as a playboy politician who wasted his opportunities to achieve legal and political brilliance abandoning his constituency to represent business industry and other wealthy interests in Florida This detailed chronicle of Smathers s life and career reveals that his reputation was sensationalized and largely undeserved Brian Lewis Crispell incorporates lively anecdotes and personal descriptions in addition to details culled from research in newspapers interviews and the archives of Kennedy Johnson Truman and Smathers himself to bring the largely unstudied senator to life The work traces Smathers s political path from the forming of his statewide collection of loyal men a gathering of supporters from the University of Florida who formed his political base through his election to the House his successful 1950 Senate campaign against Claude Pepper and his Senatorial career during the beginning of the civil rights movement and the early Cold War

Crispell highlights the senator's moderate civil rights record, role in the 1960 presidential election and his internationalist position on aid to Latin America. This thoroughly researched account presents Smathers as the quintessential Cold Warrior, a man who significantly influenced his political world. The Senate, 1789-1989: Addresses on the history of the United States Senate Robert C. Byrd, 1988. The Senate 1789-1989 is a four volume work that provides an in depth history of the Senate. The first volume is a chronological series of addresses on the history of the Senate. Volume two follows with a topical series of addresses on various aspects of the Senate's operation and powers. The third volume is a compilation of Classic Speeches 1830-1993. The final volume provides historical statistics about the Senate from 1789-1992. United States Senate website viewed October 1, 2024. Nightmare in Red Richard M. Fried, 1991-03-28. According to newspaper headlines and television pundits, the cold war ended many months ago; the age of Big Two confrontation is over. But forty years ago Americans were experiencing the beginnings of another era of fevered anti communism that came to be known as McCarthyism. During this period the Cincinnati Reds felt compelled to rename themselves briefly the Redlegs to avoid confusion with the other reds, and one citizen in Indiana campaigned to have *The Adventures of Robin Hood* removed from library shelves because the story's subversive message encouraged robbing from the rich and giving to the poor. These developments grew out of a far reaching anxiety over communism that characterized the McCarthy Era. Richard Fried's *Nightmare in Red* offers a riveting and comprehensive account of this crucial time. He traces the second Red Scare's antecedents back to the 1930s and presents an engaging narrative about the many different people who became involved in the drama of the anti communist fervor from the New Deal era and World War II through the early years of the cold war to the peak of McCarthyism and beyond McCarthy's censure to the decline of the House Committee on Un American Activities in the 1960s. Along the way we meet the familiar figures of the period: Presidents Roosevelt, Truman and Eisenhower, the young Richard Nixon, and of course the Wisconsin Senator Joseph R. McCarthy. But more importantly, Fried reveals the wholesale effect of McCarthyism on the lives of thousands of ordinary people, from teachers and lawyers to college students, factory workers and janitors. Together with coverage of such famous incidents as the ordeal of the Hollywood Ten, which led to the entertainment world's notorious blacklist, and the Alger Hiss case, Fried also portrays a wealth of little known but telling episodes involving victims and victimizers of anti communist politics at the state and local levels. Providing the most complete history of the rise and fall of the phenomenon known as McCarthyism, *Nightmare in Red* shows that it involved far more than just Joe McCarthy. *The Eisenhower Years* Michael S. Mayer, 2009. The 34th U.S. president to hold office, Dwight D. Eisenhower won America over with his irresistible "I like Ike" slogan. Bringing to the presidency his prestige as a commanding general during World War II, he worked incessantly during his two terms to ease the tensions of the cold war. Pursuing the moderate policies of Modern Republicanism, he left a legacy of a stronger and more powerful nation. From his crucial role in support of *Brown v. Board of Education* to the National Defense Education Act, *The Eisenhower Years* provides a well balanced study of these politically

charged years Biographical entries on key figures of the Eisenhower era such as Allen W Dulles Joseph R McCarthy and Rosa Parks combine with speeches such as the Military Industrial Complex speech the Open Skies proposal the disturbance at Little Rock address Eisenhower Doctrine and his speech after the Soviet launch of Sputnik to give an in depth look at the executive actions of this administration

Encyclopedia of American Journalism Stephen L. Vaughn, 2007-12-11 The Encyclopedia of American Journalism explores the distinctions found in print media radio television and the internet This work seeks to document the role of these different forms of journalism in the formation of America s understanding and reaction to political campaigns war peace protest slavery consumer rights civil rights immigration unionism feminism environmentalism globalization and more This work also explores the intersections between journalism and other phenomena in American Society such as law crime business and consumption The evolution of journalism s ethical standards is discussed as well as the important libel and defamation trials that have influenced journalistic practice its legal protection and legal responsibilities Topics covered include Associations and Organizations Historical Overview and Practice Individuals Journalism in American History Laws Acts and Legislation Print Broadcast Newsgroups and Corporations Technologies

Brothers at War: The Unending Conflict in Korea Sheila Miyoshi Jager, 2013-07 A comprehensive history of the Korean War that explains how it started and why it still has not technically ended and describes how North Korea continues to stockpile weapons while its people go without the basic necessities of life
