The Jersey Shore Dominick Mazzagetti, 2018-06-20 In *The Jersey Shore* Dominick Mazzagetti provides a modern retelling of the history culture and landscapes of this famous region from the 1600s to the present The Shore from Sandy Hook to Cape May became a national resort in the late 1800s and contributes enormously to New Jersey's economy today The devastation of Hurricane Sandy in 2012 underscored the area's central place in the state's identity and the rebuilding efforts after the storm restored its economic health Divided into chronological and thematic sections this book will attract general readers interested in the history of the Shore how it appeared to early European explorers how the earliest settlers came to the beaches for the whaling trade the first attractions for tourists in the nineteenth century and how the coming of railroads and ultimately automobiles transformed the Shore into a major vacation destination over a century later Mazzagetti also explores how the impact of changing national mores on development race relations and the environment impacted the Shore in recent decades and will into the future Ultimately this book is an enthusiastic and comprehensive portrait by a native son whose passion for the region is shared by millions of beachgoers throughout the Northeast

The Birth of the Jersey Shore Randall Gabrielan, 2011-04-26 An encyclopedic collection of profiles of the people who shaped New Jersey's coastline from architects and businessmen to sports figures and entertainers *The Jersey Shore* evokes images of boardwalks and beach resorts but its beginnings were far different In the mid nineteenth century visionary entrepreneurs transformed the sleepy agrarian and maritime communities of the Garden State coast with a series of energetic new visitors and venues Artists politicians athletes entertainers and ordinary residents all played a hand in revitalizing the region Major development of resorts began in Atlantic City in 1854 and it grew into America's Favorite Playground Joel Hayward was principally

responsible for the formation of Ocean County and the Albert brothers popularized Pinelands folk music In the twentieth century construction became more residential and beloved businesses like the Smithville Inn started to cater to long term patrons New Jersey historian Randall Gabrielan traces the stories of the people who turned the Jersey Shore into the summer and residential destination that it is today *Highlands* John P. King, 2001 Seated majestically upon a hill overlooking the Atlantic Ocean Highlands one of New Jersey's most famous and romantic coastal towns has served in turns as sanctuary battlefield resort destination and home to generations of Americans both immigrant and native Its history in many ways mirrors the epic tale of America's evolution an untamed wilderness yielding under the determination and sacrifice of a people laboring to create an enduring community and in Highlands they succeeded Highlands New Jersey chronicles this town's remarkable journey across four centuries of adventure adversity and prosperity from the first New World explorers such as Verrazano and Henry Hudson to the present day men and women who work live and play along these picturesque shores This illustrated volume provides a rare glimpse into the Highlands of yesteryear and introduces readers to a cast of unique characters against a backdrop of major local and nation events such as the Revolutionary War the luxury era of Highlands in the nineteenth century its incorporation in 1900 and the gold rush of 1948 Through these stories and their vivid images the personality and charm of Highlands come to life reminding today's residents and visitors why this setting has served as a source of inspiration for scores of writers artists and businessmen over the years **Sandy Hook's Lost Highland Beach**

Resort Susan Sandlass Gardiner, 2020-10-12 Built by William Sandlass during the Golden Age of the Jersey Shore the Highland Beach excursion resort was an iconic landmark for more than seven decades The resort put Sandy Hook on the map as hordes of tourists were brought by trains ferries and automobiles to soak up the sun and enjoy the plentiful amusements At the once magical playground enjoyed by so many the families dined and relaxed at Sandlass Surf House and Basket Pavilion in the 1890s Teenagers rocked away the night in the resort's Bamboo Room in the 1950s Meet the characters who shaped the land and had the vision for a storied resort wiped away by time technology and politics Author Susan Sandlass Gardiner charts the rise and fall of Sandy Hook's historic resort paradise **Instrumental in War** Steven

Kroker Deborah J Warner Peter Galison *Excavating the Historical Memory of the American Revolution* Shawn Thomson, 2025-07-10 In this book Shawn Thomson excavates Charles Anthon's personal notes to reveal revolutionary memory and the presence of historical melancholy in this era of radical turnover and shifting alliances In these notes Charles Anthon recorded his personal inquiries into all aspects of life in the Loyalist stronghold of Staten Island from October 13 1850 to January 8 1853 Through this written record Anthon provides a counter history of the Loyalists of Staten Island to the grand narrative of the Patriots of the American Revolution Through a close reading of Anthon's notes Shawn Thomson examines how these personal records and historical research hold the places ruins artifacts and most significantly the collective and personal memory of Staten Island Loyalists and New Jersey Whigs Through this close reading Thomson highlights the indelible link between landscape and memory and offers the reader a sense of the Loyalist melancholy of their abandonment on the day of the British evacuation
