Religion in Human Evolution Robert N. Bellah, 2017-05-08 This ambitious book probes our biological past to discover the kinds of lives that human beings have imagined were worth living Bellah s theory goes deep into cultural and genetic evolution to identify a range of capacities communal dancing storytelling theorizing whose emergence made religious development possible in the first millennium BCE

Apachean Culture History and Ethnology Keith H. Basso, Morris E. Opler, 1971-08-01 This volume grew out of a symposium held at the Annual Meeting of the American Anthropological Association in November 1969 at New Orleans Louisiana The Apachean Symposium was designed to provide an opportunity for scholars engaged in research on southern Athapaskan cultures to report upon their findings and wherever possible to link them to known fact and existing theory The diverse work presented here will add significantly to the knowledge about Apachean cultures and each of contributions also pertains directly to wider spheres of anthropological concern

The Study of American Indian Religions Åke Hultkrantz, 1983 This book is a history of the major works on North American Indian religions from the seventeenth century to the present day It provides the most extensive annotated bibliography of Indian religions ever published in a single work ranging from the earliest missionary observers through the development of Boasian anthropology to the latest writings from the new ethnography and the history of religions With its chronological approach the book far more than a mere bibliography it is an invaluable survey of the centuries old interest in and study of spirituality and offers much needed direction to beginning students and scholars alike By pointing to the masterworks in the field by indicating diverse approaches to the topic by suggesting aspects of study hitherto neglected and by demonstrating the value of native American religious scholarship to the study of world religions The Study of North American Indian Religions can stimulate further study of Indian religions Publisher s description
