

The background of the book cover is a complex, symmetrical geometric pattern. It features a central square motif with four-pointed stars or 'X' shapes extending from its corners. These stars are composed of nested squares and triangles in shades of brown, tan, and black. The overall design is reminiscent of traditional Navaho weaving patterns, specifically the 'Hopi' or 'Havasupai' styles. The pattern is highly detailed and fills the entire cover.

NAVAHO WEAVING

Its Technic and History

Charles Avery Amsden

Foreword by Frederick Webb Hodge

Navaho Weaving Its Technique History

Carol Williams

Navaho Weaving Its Technique History:

Navaho Weaving Charles Avery Amsden, 2013-01-17 First in depth study of the technical aspects of Navaho weaving plus history of the loom and its prototypes in the prehistoric Southwest analysis and description of weaves dyes and more Over 230 illustrations

Ethnographic Feminisms Lynne Patricia Phillips, 1995 This significant new study contains the work of anthropologists engaged in doing research on gender The editors argue for the creation of an ethnography based feminism that at the same time pays heed to what women in specific circumstances identify as their concerns and also recognizes contradictions inherent in the goals of a feminist anthropology These essays grapple with a range of awkward issues including feminism in international contexts the invisibility of women s working lives and the problems of voice and ethnographic representation Referring to a variety of ethnographic contexts and working from diverse perspectives the contributors examine the multiple dilemmas and conflicts of gender and power A volume which will not only constitute a significant contribution to the social sciences literature both theoretically and substantively but will also place Canadian feminist anthropology on the cutting edge of global feminist anthropology I strongly recommend it Valda Blundell Carleton University

Ethnographic Feminisms Sally Cole, 1995-05-15 This book is written by anthropologists who are currently engaged in research on gender The editors argue for the development of an ethnography based feminism that both pays heed to what women in specific circumstances identify as their concerns and recognizes the contradictions inherent in the goals of feminist anthropology The essays consider a range of awkward issues including feminism in international contexts the invisibility of women s working lives and the problems of voice and ethnographic representation Referring to a variety of ethnographic contexts and working from diverse perspectives the contributors examine the multiple dilemmas and conflicts of gender and power

The Book of Looms Eric Broudy, 2021-09-29 A heavily illustrated classic on the evolution of the handloom The handloom often no more than a bundle of sticks and a few lengths of cordage has been known to almost all cultures for thousands of years Eric Broudy places the wide variety of handlooms in their historical context What influenced their development How did they travel from one geographic area to another Were they invented independently by different cultures How have modern cultures improved on ancient weaving skills and methods Broudy shows how virtually every culture has woven on handlooms He highlights the incredible technical achievement of early cultures that created magnificent textiles with the crudest of tools and demonstrates that modern technology has done nothing to surpass their skill or inventiveness

The Story of Navaho Weaving Kate Peck Kent, 2012-11-01 Illustrated With Photographs Of Blankets In The Collection Of The Heard Museum Of Anthropology And Primitive Art In Phoenix Arizona

Technical Bulletin , 1942

Disruptive Voices and the Singularity of Histories Regna Darnell, Frederic W. Gleach, 2019-11-01 Histories of Anthropology Annual presents diverse perspectives on the discipline s history within a global context with a goal of increasing awareness and use of historical approaches in teaching learning and conducting anthropology The series

includes critical comparative analytical and narrative studies involving all aspects and subfields of anthropology Volume 13 Disruptive Voices and the Singularity of Histories explores the interplay of identities and scholarship through the history of anthropology with a special section examining fieldwork predecessors and indigenous communities in Native North America Individual contributions explore the complexity of women s history indigenous history national traditions and oral histories to juxtapose what we understand of the past with its present continuities These contributions include Sharon Lindenburger s examination of Franz Boas and his navigation with Jewish identity Kathy M Closkey s documentation of Navajo weavers and their struggles with cultural identities and economic resources and demands and Mindy Morgan s use of the text of Ruth Underhill s O odham study to capture the voices of three generations of women ethnographers Because this work bridges anthropology and history a richer and more varied view of the past emerges through the meticulous narratives of anthropologists and their unique fieldwork ultimately providing competing points of access to social dynamics This volume examines events at both macro and micro levels documenting the impact large scale historical events have had on particular individuals and challenging the uniqueness of a single interpretation of the same facts *A Comparative Study of Storage at 32 Degrees and 36 Degrees F. of Apples Grown in the Potomac River Valley* Mark Hughlin Haller, Jacob Martin Lutz, 1941
