Navajo Language

Deborah House

Navajo Language:

The Navajo Language Robert W. Young, 1980 The Navajo Verb System Robert W. Young, 2000 Provides a summary description of the Navajo language and a detailed treatment of the inflectional morphology of its verb system **The Navajo Language** Robert W. Young, 1960* **When Literacy Empowers** Daniel McLaughlin, 1992 Ethnographic research requires many acts of faith Above all those being researched must believe that there is something to be gained from the observations and questions put before them by the ethnographer **Language Shift among the Navajos** Deborah House, 2002-03-01 To experience change on the Navajo Reservation one need only close one's eyes and listen Today an increasing number of Navajos speak only English while very few speak only Navajo The Navajo language continues to be taught but it is less often practiced Deborah House asks why despite the many factors that would seem to contribute to the maintenance of the Navajo language speakers of the language continue to shift to English at such an alarming rate and what can be done about it Language Shift among the Navajos provides a close look at the ideological factors that intervene between the desire of the Navajos to maintain their language as an important aspect of their culture and their actual linguistic practice Based on more than ten years of fieldwork within a Navajo institution and community it points to ideologies held by Navajo people about their unequal relationship with the dominant American society as a primary factor in the erosion of traditional language use House suggests that the Navajos employ their own paradigm Sa'ah Naagh Bik'eh H'zhn to learn both Western language and culture and their own without denigrating either perspective By building on the traditional Navajo belief in harmony and balance she advocates that those who value the language should use and teach it not just in school but also in the home in the ceremonial hogans and among those who cherish their heritage Now is the time when language choices and behavior will influence whether the Navajo language lives or dies House's book carries important lessons for anyone concerned with cultural continuity It is a wake up call for educators youth politicians or family and community members who value Native language and culture It remains to be seen in what language that call will be answered Athabaskan Language Studies Robert W. Young, 1996 Many leading figures in the field of Athabaskan languages contributed to this volume and their range of topics matches Robert Young's interests Four papers deal with northern Athabaskan languages which Young studied in the 1930s The remaining essays focus on aspects of Navajo language and culture Young has specialized in this area for over fifty years in collaboration with his mentor William Morgan Sr Several essays present detailed analysis of verb and sentence structure in Navajo two are studies of Navajo literacy another examines Navajo philosophy and one offers the first study of how children learn the complexities of the Navajo verb Anyone interested in Navajo studies or Athabaskan languages will find these essays invaluable **The Navajo Sound System** J.M. McDonough, 2012-12-06 The Navajo language is spoken by the Navajo people who live in the Navajo Nation located in Arizona and New Mexico in the southwestern United States The Navajo language belongs to the Southern or Apachean

branch of the Athabaskan language family Athabaskan languages are closely related by their shared morphological structure these languages have a productive and extensive inflectional morphology The Northern Athabaskan languages are primarily spoken by people indigenous to the sub arctic stretches of North America Related Apachean languages are the Athabaskan languages of the Southwest Chiricahua Jicarilla White Mountain and Mescalero Apache While many other languages like English have benefited from decades of research on their sound and speech systems instrumental analyses of indigenous languages are relatively rare There is a great deal of work to do before a chapter on the acoustics of Navajo comparable to the standard acoustic description of English can be produced The kind of detailed phonetic description required for instance to synthesize natural sounding speech or to provide a background for clinical studies in a language is well beyond the scope of a single study but it is necessary to begin this greater work with a fundamental description of the sounds and supra segmental structure of the language In keeping with this the goal of this project is to provide a baseline description of the phonetic structure of Navajo as it is spoken on the Navajo reservation today to provide a foundation for further work on the language

Indigenous Literacies in the Americas Nancy H. Hornberger, 1996 CONTRIBUTIONS TO THE SOCIOLOGY OF LANGUAGE brings to students researchers and practitioners in all of the social and language related sciences carefully selected book length publications dealing with sociolinguistic theory methods findings and applications It approaches the study of language in society in its broadest sense as a truly international and interdisciplinary field in which various approaches theoretical and empirical supplement and complement each other The series invites the attention of linguists language teachers of all interests sociologists political scientists anthropologists historians etc to the development of the sociology of language

Navajo/English Dictionary of Verbs Alyse Neundorff, 2006-05-16 Navajo English Dictionary of Verbs lists 350 Navajo verbs in paradigm form conjugated for the Imperfective Perfective and Future modes

Navajo Language Introduction

In today's digital age, the availability of Navajo Language books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Navajo Language books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Navajo Language books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Navajo Language versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Navajo Language books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Navajo Language books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Navajo Language books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Navajo Language books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient

means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Navajo Language books and manuals for download and embark on your journey of knowledge?

FAQs About Navajo Language Books

1. Where can I buy Navajo Language books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Navajo Language book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Navajo Language books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Navajo Language audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores.

Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Navajo Language books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
