Naveki Vmeste Ocherki:

Re-examining the Holocaust through Literature Aukje Kluge, Benn E. Williams, 2009-03-26 In the late 1980s Holocaust literature emerged as a provocative but poorly defined scholarly field The essays in this volume reflect the increasingly international and pluridisciplinary nature of this scholarship and the widening of the definition of Holocaust literature to include comic books fiction film and poetry as well as the more traditional diaries memoirs and journals Ten contributors from four countries engage issues of authenticity evangelicalism morality representation personal experience and wish fulfillment in Holocaust literature which have been the subject of controversies in the US Europe and the Middle East Of interest to students and instructors of antisemitism national and comparative literatures theater film history literary criticism religion and Holocaust studies this book also contains an extensive bibliography with references in over twenty languages which seeks to inspire further research in an international context

Ethno-Nationalism, Islam and the State in the Caucasus Moshe Gammer, 2007-10-22 With the region of the Caucasus with its ongoing and even deteriorating crisis and instability and its strategic and economic importance increasingly at the front of the world's attention this volume presents and discusses some of the complexities and problems arising in the region such as Islamic terrorists and al Qaida Scholars from different disciplines who specialise in the Caucasus analyze key topics such as discussions of grass root perceptions the influence of informal power structures on ethnic conflicts in the Caucasus Russian policies towards Islam and their destabilising influence the influence of Islamic revival on the legal and social situations nationalism and the revival of pre and sub national identities shifts in identity as reflected in demography reasons for the Chechen victory in the first Chechen war the involvement of Islamic volunteers in Chechnya With the situation in Chechnya likely to spread across the entire North Caucasus this cutting edge work will be of great value in the near future and will interest political scientists and regional experts of Russia Central Asia Caucasus Middle East and Turkey as well as NGOs government agencies and think tanks

Security Implications Of Nationalism In Eastern Europe Jeffrey Simon, Trond Gilberg, 2019-06-26 Suggesting that events in Poland during 1980 1981 represent the tip of an iceberg the contributors examine the rise of nationalism in Eastern Europe and its potential consequences for European security They analyze developing problems and trends in the region including the cooling of relations between the USSR and individual countries in Eastern Europe the continuing economic crisis changing social structures the influence of the intelligentsia and the eroding importance of ideology as a key part of Eastern Europe's political culture The second half of the book focuses on the impact of these shifts on political and military relations between the USSR and Eastern European countries and on the efficient functioning of the Warsaw Pact

The Great Friendship Lowell Tillet, 1969 This volume offers the clearest explanation of the process by which the Communist party directs scholarly activity that has appeared to date Tillet has plunged into the brambles of Soviet historiography has found his way skillfully through them and has emerged with a study that will be an important addition to the growing
