**or The Disgospel According to
Maria Dementnaya**

This unusual novel from Russia, written in 1966 and smuggled out to the West, tells us what is happening in Moscow among independently-minded intellectuals. It is entitled *Nikto* or *Nobody* and has more in common with Dostoyevsky, Kafka and post-war European literature than with anything the official Soviet mind could tolerate. It is a novel of ideas and alienation, told in a mixture of reality and fantasy, interspersed with occasional passages of black humour and satire directed against the Soviet regime and with philosophical musings about the fate of Russia, a deeply tragic novel which also succeeds in being extremely funny. But the book is also applicable in many ways to Western Society and forms a fictional and intellectual bridge between the alternative societies of East and West. It is

From Jesus to Marx - Birth and death of a civilization Marcello Caroti, 2023-12-22 This book is an educational text written to introduce our readers to Western Civilization How it was born and how it grew to become the world s leading civilization in the last century for better or for worse The text tells the story of the genesis and decline of our civilization through two revolutionary figures Jesus of Nazareth and Karl Marx The thesis on which the book is based is that just as Christianity erased Greco Roman civilization from the face of the earth Socialism transformed into Progressivism is killing Western Civilization dragging it toward suicide The disease that is overwhelming us is nihilism We affirm that Progressives are the new Christians because as the first Christians did they are the bearers of a disease that is terminal for our society nihilism This book is the history of nihilism starting from Jesus of Nazareth and ending with our Progressives We must point out that although Jesus vision included nihilistic elements it also laid the ethical foundations that shaped Western Civilization In contrast Marx s revelation deeply nihilistic influenced modern Progressivism leading to existential challenges for our civilization In other words our future is a black hole Fom Jesus to Marx by Marcello Caroti is a profound historical and anthropological exploration that starts from the revolutionary figure of Jesus Christ to arrive at the modern ideologies of Karl Marx In this intriguing journey through the centuries the author sheds light on how

the teachings and actions of Jesus influenced not only religious thought but also the social and political currents that have shaped the modern world The book begins by analysing Jesus mission in detail exploring his differences with John the Baptist and how his message of hope and salvation stood out in an era of rigid social and religious divisions The author then traces an intellectual and historical path that connects the doctrines of Jesus with the theories of Marx highlighting how Christianity influenced and shaped Marxist thought With clear language and engaging narrative From Jesus to Marx is not only essential reading for history and anthropology buffs but also for anyone interested in understanding the roots of modern thought and its impact on society The book offers a unique and thought provoking perspective on two of the most influential figures in human history and their lasting impact *The Cornhill Magazine* William Makepeace Thackeray,1919 *The Review of Reviews* Albert Shaw,1891 **The Secret Gospel of Mark Unveiled** Peter Jeffery,2007-01-01 In 1958 Bible scholar Morton Smith announced the discovery of a sensational manuscript a second century letter written by St Clement of Alexandria who quotes an unknown longer version of the Gospel of Mark When Smith published the letter in 1973 he set off a firestorm of controversy that has raged ever since Is the text authentic or a hoax Is Smith s interpretation correct Did Jesus really practice magic or homosexuality And if the letter is a forgery why Through close examination of the discovered manuscript s text Peter Jeffery unravels the answers to the mystery and tells the tragic tale of an estranged Episcopalian priest who forged an ancient gospel and fooled many of the best biblical scholars of his time Jeffery shows convincingly that Smith s Secret Gospel is steeped in anachronisms and that its construction was influenced by Oscar Wilde s Salom twentieth century misunderstandings of early Christian liturgy and Smith s personal struggles with Christian sexual morality **The Works of John Locke, Esq; in Three Volumes** John Locke,1714 **The Bible, that Is, the Holy Scriptures, Etc. (With the Annotations of Fr. Iunius Vpon the Reuelation of S. John.).** ,1599 *The Gospel According to Mark. Translated from the Greek on the Basis of the Common English Version ..* ,1858 *The Englishman's Greek Concordance of the New Testament* George V. Wigram,1903 This work is an attempt at a verbal connexion between the Greek and the English texts of the New Testament The plan proposed was this to present in alphabetical succession every word which occurs in the Greek New Testament with the series of passages quoted from the English translation in which each such word occurs the word or words exhibiting the Greek word under immediate consideration being printed in italic letters Schmid s Concordance to the New Testament was taken as the basis Introduction to the first edition *The liturgy compared with the Bible; or, An illustration ... by Scripture quotations ... of such parts of the Book of common prayer ... as are not direct extracts from the holy Scriptures* Henry Ives Bailey,1835 *Herald of Gospel Liberty* Elias Smith,1908 **Elementary Education Acts** Great Britain. Royal Commission on Education,1888 **The Holy Bible ... According to the Copie, Printed by R. Daniel** ,1645 *Herald and Presbyter* ,1908 **The Gospel According to Renan** Robert D. Priest,2015-02-12 The Gospel According to Renan provides a new and holistic interpretation of one of the non fiction sensations of the nineteenth century

Ernest Renan's *Life of Jesus* (*Vie de Jésus*) Published in 1863 Renan's book aroused enormous controversy through its claim to be a historically accurate biography of Jesus While *Life of Jesus* provoked the ire of the Catholic Church in hundreds of sermons and pamphlets it also sold hundreds of thousands of copies making a fortune for its author and his publisher Based on research into a huge range of print and manuscript sources *The Gospel According to Renan* demonstrates how Renan's work intervened in a remarkable range of debates in nineteenth century French cultural life These went far beyond questions of religion from the role of individuals in history to the meaning and significance of race Through an engaging reconstruction of Renan's intellectual formation Priest shows how Renan's ideas grew out of the context of Parisian intellectual life after his loss of faith in the 1840s Going beyond a traditional intellectual history Priest uses a wide range of new manuscript sources many of which have never been examined by modern historians in order to reconstruct the ways that ordinary French men and women engaged with one of the great religious debates of their age By tracing the legacy of *Life of Jesus* into the early years of the twentieth century Priest finally shows how Renan's work found new political meaning in the heated debates over secularisation that divided French society in the young Third Republic **The Christian Repository** ,1829
