Nye, Mark Resnick, 1974 **Choral Music in Print** Thomas R. Nardone, 1974 *Catalog of Copyright Entries* Library of Congress. Copyright Office, 1960 Choral Arrangements of the African-American Spirituals Patricia J. Trice, 1998-02-12 Although the choral arrangements of the African American spirituals constitute the largest group of folk song arrangements in western literature they have received little scholarly attention This book provides the needed historical and stylistic information about the spirituals and the arrangements It traces the history and cultural roots of the genre through its inception and delineates the African and European characteristics common to the original folk songs and arrangements Ensembles that have perpetuated the growth of the spiritual arrangements from Fisk Jubilee Singers of the 1870s through those currently active are chronicled as well Musicians choral directors and scholars will welcome this first complete text on the African American spiritual genre Annotated listings of titles provide information choral directors need to make ensemble appropriate performance choices Arrangements indexed by title arranger and subject complement the accompanying biographies and repertoire information Well organized and thoroughly researched this text is a valuable addition to music choral multicultural and African American libraries **Choral-Orchestral Repertoire** Jonathan D. Green, David W. Oertel, 2019-12-05 Choral Orchestral Repertoire A Conductor s Guide Omnibus Edition offers an expansive compilation of choral orchestral works from 1600 to the present Synthesizing Jonathan D Green s earlier six volumes on this repertoire this edition updates and adds to the over 750 oratorios cantatas choral symphonies masses secular works for large and small ensembles and numerous settings of liturgical and biblical texts for a wide variety of vocal and instrumental combinations Each entry includes a brief biographical sketch of the composer approximate duration text sources performing forces available editions and locations of manuscript materials as well as descriptive commentary a discography and a bibliography

Unique to this edition are practitioner s evaluations of the performance issues presented in each score These include the range tessitura and nature of each solo role and a determination of the difficulty of the choral and orchestral portions of each composition There is also a description of the specific challenges staffing and rehearsal expectations related to the performance of each work Choral Orchestral Repertoire is an essential resource for conductors and students of conducting as they search for repertoire appropriate to their needs and the abilities of their ensembles *Music by Black Women Composers* Helen Walker-Hill,1995 *From Spirituals to Symphonies* Helen Walker-Hill,2007 Exploding the assumption that black women s only important musical contributions have been in folk jazz and pop Helen Walker Hill s unique study provides a carefully researched examination of the history and scope of musical composition by African American women composers from the nineteenth and twentieth centuries Focusing on the effect of race gender and class *From Spirituals to Symphonies* notes the important role played by individual personalities and circumstances in shaping this underappreciated category of American art The study also provides in depth exploration of the backgrounds experiences and musical compositions of eight African American women including Margaret Bonds Undine Smith Moore and Julia Perry who combined the techniques of Western art music with their own cultural traditions and individual gifts Despite having gained national and international recognition during their lifetimes the contributions of many of these women are today forgotten

Choral Music in Print ,1976 Includes Sacred choral music and Secular choral music *Choral Repertoire* Dennis Shrock,2009-04-07 Choral Repertoire is a comprehensive reference book about choral music in Western culture from Gregorian chant to compositions of the early twenty first century The material in the book covers general characteristics of the major historical eras biographical sketches and discussions of the complete choral output of more than 500 composers and performance annotations of more than 5 000 individual works **Sacred Choral Music in Print** ,1996 **The Musical Times and Singing-class Circular** ,1925 **The Times Do Not Permit** Christine Lucia,2024-10 This biography of Michael Mosoeu Moerane 1904 1980 surveys the unique life times and music of the first classically educated African composer in southern Africa *The Sackbut* ,1929 *The British Catalogue of Music* ,1982 **The Norton/Grove Dictionary of Women Composers** Julie Anne Sadie,Rhian Samuel,1994 Throughout history women have been composing music but their achievements have usually gone unrecognized **Secular Choral Music in Print** ,1996 **Music Education Yearbook** ,1995 *The Musical Times & Singing-class Circular* ,1925
