Like Nobody's Business Andrew C. Comrie, 2021-02-23 How do university finances really work From flagship public research universities to small private liberal arts colleges there are few aspects of these institutions associated with more confusion myths or lack of understanding than how they fund themselves and function in the business of higher education Using simple approachable explanations supported by clear illustrations this book takes the reader on an engaging and enlightening tour of how the money flows How does the university really pay for itself Why do tuition and fees rise so fast Why do universities lose money on research Do most donations go to athletics Grounded in hard data original analyses and the practical experience of a seasoned administrator this book provides refreshingly clear answers and comprehensive insights for anyone on or off campus who is interested in the business of the university how it earns its money how it spends it and how it all works

Nobody's Perfect Anthony Lane, 2009-08-19 Anthony Lane on *Con Air* Advance word on *Con Air* said that it was all about an airplane with an unusually dangerous and potentially lethal load Big deal You should try the lunches they serve out of Newark Compared with the chicken napalm I ate on my last flight the men in *Con Air* are about as dangerous as balloons Anthony Lane on *The Bridges of Madison County* I got my copy at the airport behind a guy who was buying Playboy's *Book of Lingerie* and I think he had the better deal He certainly looked happy with his purchase whereas I had to ask for a paper bag Anthony Lane on Martha Stewart Super skilled free of fear the last word in human efficiency Martha Stewart is the woman who convinced a million Americans that they have the time the means the right and damn it the duty to pipe a little squirt of soft cheese into the middle of a snow pea and to continue piping until there are fifty to sixty stuffed peas raring to go For ten years Anthony Lane has delighted New Yorker readers with his film reviews book reviews and profiles that range from Buster Keaton to Vladimir Nabokov to Ernest Shackleton *Nobody's Perfect* is an unforgettable collection of Lane's trademark wit satire and insight that will satisfy both the long addicted and the not so familiar

Nobody's Nation Paul Breslin, 2009-02-15 *Nobody's Nation* offers an illuminating look at the St Lucian Nobel Prize winning writer Derek Walcott and grounds his work firmly in the context of West Indian history Paul Breslin argues that Walcott's poems and plays are bound up with an effort to re-imagine West Indian society since its emergence from colonial rule its ill-fated attempt at political unity and its subsequent dispersal into tiny nation states According to Breslin Walcott's work is centrally concerned with the West Indies imputed absence from history and lack of cohesive national identity or cultural tradition Walcott sees this lack not as impoverishment but as an open space for creation In his poems and plays West Indian history becomes a realm of necessity something to be confronted contested and remade through literature What is most vexed and inspired in Walcott's work can be traced to this quixotic struggle Linking extensive archival research and

new interviews with Walcott himself to detailed critical readings of major works Nobody's Nation will take its place as the definitive study of the poet

Nobody's Girl Sybil Paige, 2016-05-18 Nobody's Girl is a work of hope The author writes in such a way that you resonate on a primordial level Whether you have experienced trauma or addiction issues or know someone who has The book speaks to all of us And we all have experienced painful situations at some point or another While it deals with some difficult topics the book's story is written to engage and focus on the positive outcome profited from doing the hard but necessary work to get to the other side of any painful issues After a lifetime of hiding behind multiple facades personalities careers sex money drugs alcohol and false bravado Her survivor tools fail her She is faced with having to talk about the truth or die Her ability to speak from a recovery standpoint is not only profound for a newbie in the recovery process but for a survivor of traumatic abuse it is remarkable Without having to engage in the hard explicit detail by detail scenarios we are able to see the application of her newfound tools at work on the PTSD her addition and how she found and used the tools to freedom The book takes us through the process needed for her to find freedom and self realization in a genuine real sense that if we talk about it do the work we can heal and in that process regain hope Hope is the message There is relief Beautifully written and spiritually uplifting
