Noddy's aeroplane picture book Enid Blyton, 1967 Enid Blyton: The Biography Barbara Stoney, 2011-08-26 Enid Blyton is known throughout the world for her imaginative children's books and her enduring characters such as Noddy and the Famous Five. She is one of the most borrowed authors from British libraries and she holds a fascination for readers old and young alike. Yet until 1974 when Barbara Stoney first published her official biography little was known about this most private author even members of her own family. The woman who emerged from Barbara Stoney's remarkable research was hardworking, complex, often difficult and in many ways childlike. Now this widely praised classic biography has been fully updated for the twenty-first century and with the addition of new colour illustration and an extended bibliography of Enid Blyton's books it documents the growing appeal of this extraordinary woman and her writing. The fascinating story of one of the world's most famous authors will once again intrigue and delight all those with an interest in her timeless books.

British Children's Writers, 1914-1960 Donald R. Hettinga, Gary D. Schmidt, 1996 Essays on authors and poets in this volume represent some of the best known writers of children's literature in the twentieth century. This period is marked by certain characteristics such as stories of groups of children bonded together, the emergence of strong female protagonists, the career books and a consciously subdued presence of pain and suffering. Many of these works are valued for the window they provided upon a culture now gone. The Whole Story John E. Simkin, 1996 This work is the only comprehensive guide to sequels in English with over 84 000 works by 12 500 authors in 17 000 sequences. *General Catalogue of Printed Books* British Museum.
