Noel Forster Chelsea Space (London), 2008 **Fine Art and Perceptual Neuroscience** Paul Hackett, 2014-01-10 Over the past decade the integration of psychology and fine art has sparked growing academic interest among researchers of these disciplines The author both a psychologist and artist offers up a unique merger and perspective of these fields Through the production of fine art which is directly informed by neuroscientific and optical processes this volume aims to fill a gap in the literature and understanding of the creation and perception of the grid image created as a work of art The grid image is employed for reasons discussed in the text to illustrate more general processes associated with the integration of vision visual distortion and painting Existing at the intersection of perceptual neuroscience psychology fine art and art history this volume concerns the act of painting and the process of looking More specifically the book examines vision and the effects of visual impairment and how these can be interpreted through painting within a theoretical framework of visual neuroscience

Please Please Me Gordon Thompson, 2008-09-10 The Beatles the Rolling Stones the Kinks the Who and numerous other groups put Britain at the center of the modern musical map Please Please Me offers an insider's view of the British pop music recording industry during the seminal period of 1956 to 1968 based on personal recollections contemporary accounts and all relevant data that situate this scene in the economic political and social context of postwar Britain Author Gordon Thompson weaves issues of class age professional status gender and ethnicity into his narrative beginning with the rise of British beat groups and the emergence of teenagers as consumers in postwar Britain and moving into the competition between performers and the recording industry for control over the music He interviews musicians songwriters music directors and producers and engineers who worked with the best known performers of the era Drawing his interpretation of the processes at work during this musical revolution into a wider context Thompson unravels the musical change and innovation of the time with an eye on understanding what traces individuals leave in the musical and recording process **Colonialism, Maasina Rule, and the Origins of Malaitan Kastom** David W. Akin, 2013-10-31 This book is a political history of the island of Malaita in the British Solomon Islands Protectorate from 1927 when the last violent resistance to colonial rule was crushed to 1953 and the inauguration of the island's first representative political body the Malaita Council At the book's heart is a political movement known as Maasina Rule which dominated political affairs in the southeastern Solomons for many years after World War II The movement's ideology kastom was grounded in the determination that only Malaitans themselves could properly chart their future through application of Malaitan sensibilities and methods free from British interference Kastom promoted a radical transformation of Malaitan lives by sweeping social engineering projects and alternative governing and

legal structures When the government tried to suppress Maasina Rule through force its followers brought colonial administration on the island to a halt for several years through a labor strike and massive civil resistance actions that overflowed government prison camps David Akin draws on extensive archival and field research to present a practice based analysis of colonial officers interactions with Malaitans in the years leading up to and during Maasina Rule A primary focus is the place of knowledge in the colonial administration Many scholars have explored how various regimes deployed colonial knowledge of subject populations in Asia and Africa to reorder and rule them The British imported to the Solomons models for native administration based on such an approach particularly schemes of indirect rule developed in Africa The concept of custom was basic to these schemes and to European understandings of Melanesians and it was made the lynchpin of government policies that granted limited political roles to local ideas and practices Officers knew very little about Malaitan cultures however and Malaitans seized the opportunity to transform custom into kastom as the foundation for a new society The book s overarching topic is the dangerous road that colonial ignorance paved for policy makers from young cadets in the field to high officials in distant Fiji and London Today kastom remains a powerful concept on Malaita but continued confusion regarding its origins history and meanings hampers understandings of contemporary Malaitan politics and of Malaitan people s ongoing problematic relations with the state

Democratization and Military Coups in Africa Kelechi A. Kalu, George Klay Kieh Jr., 2021-11-04 Democratization and Military Coups in Africa Post 1990 Political Conflicts studies the seemingly endless cycle of coups that have occurred in Africa since the Free Officers Coup of 1952 in Egypt Unfortunately after more than three decades of the third wave of democratization that began in the 1990 s military coups remain a firm figure on the African political landscape Although the Organization of African Unity OAU and its successor the African Union AU have developed and implemented anti coup norms they have not deterred coup makers Contributors to this volume analyze the major fault lines in the body politics of African states that have created the conditions for coup making and offer suggestions for ending the cycle of coups Using countries such as Burkina Faso Cote d Ivoire Egypt Mauritania Sierra Leone and Sudan as case studies each chapter studies the causes effects and evolution of military coups in Africa in order to show that eliminating military coups will require identifying and addressing the root causes of the coup in each affected state

The Mining Engineer ,1929 **Studio International** ,1976 Noel Forster, Piers Secunda ,2007-01-01 This exhibition showcases the work of two of Britain s leading abstract artists *Merchant Taylors' School Register, 1851-1920* Merchant Taylors' School (London, England),1923 **National Union Catalog** ,1973 Includes entries for maps and atlases
