It provides students of fundraising and nonprofit professionals access to the most relevant theories and includes concrete examples of modern fundraising practice. The book contains clear learning objectives, recommended readings, case studies, summary self-test questions and exercises at the end of each chapter. *The Principles and Practice of Fundraising* comprehensively addresses all the major forms of fundraising and critical topics such as donor behavior and fundraising planning. Praise for fundraising principles and practice: Not only will fundraisers benefit from this comprehensive yet accessible text but this should be required reading for all nonprofit practitioners and scholars. Reading this book will provide valuable insight on a vital subject and enhance the success of any fundraising effort. John B. Ford, president, Academy of Marketing Science and professor of marketing, Old Dominion University. This is not just a how-to book. Rather, it provides deep knowledge about the nonprofit sector, its role in society, and the values and psychology of giving that is essential to responsible and effective fundraising. Paul Brest, president, William and Flora Hewlett Foundation and author, *Money Well Spent*. Adrian Sargeant is the world's foremost fundraising scholar. This text will be invaluable to the beginner, but new research findings mean it should also be a must-read for established practitioners. Steve Thomas, co-chair, Resource Alliance and chairman, Stephen Thomas Ltd, Toronto. Designed and written to fill the void in current fundraising and development textbooks for both undergraduate and graduate students studying nonprofit management and leadership, *Fundraising Principles and Practice* surpasses my expectations for a comprehensive approach that will benefit American Humanics programs. Sue Ann Strom, vice president, Academic Partnerships, American Humanics Inc. Sargeant is the accessible academic, and this is typical of his work. It is rigorously researched, clear, concise, well-written, well-presented, and entirely appropriate. Any fundraiser who knows what Adrian knows will outperform the others. It's as simple as that. Ken Burnett, author, *Relationship Fundraising* and *The Zen of Fundraising*. **The Nonprofit Management Handbook** Tracy D. Connors, 1993. Take the trial and error out of nonprofit management by drawing on the experience of top nonprofit experts. Now in paper. Imagine being able to sit down and talk shop with fund-raising professionals, legal experts, management consultants, and nonprofit executives. Think of all the exciting management ideas you could walk away with: ideas that could help you run your nonprofit organization more efficiently and effectively. Fund Raising James M. Greenfield, 1999-04-27. Proper application of the fund development process can define an organization's potential for public support and the direct means to achieve it and can realize even predict with reliability the income an organization can and should expect at any moment in time. James M. Greenfield. As the driving force behind every not-for-profit fund-raising is a key to an organization's success in fulfilling its mission. However, while it's important to develop the skills needed to raise money, it's equally important to know how to allocate it properly in order to meet your goals. Now revised and expanded, this practical resource provides an accessible game plan for not only raising funds but also developing them effectively for increased productivity and profitability. Written by James M. Greenfield, a leading authority in the field, *Fund Raising* takes you step by step through the entire fund development process from planning and marketing to community relations and donor management. Beginning with an examination of philanthropic history and perspective, it goes on to describe the individual elements of the development process as well as the organizational requirements needed for the process to work. With detail and clarity, Greenfield covers such essential bases as the evaluation of program effectiveness, policies and procedures for public solicitation, the fund-raising environmental audit, matching gift programs, donor recognition, special projects, campaigns, and much more. Threaded throughout the book is the theme of friend-raising and relationship building, both vital components of increasing capability and capacity to address the needs of today with an eye toward those of tomorrow. Along with an added in-depth discussion of ethics, the Second Edition introduces new best practices that have developed over the past few years and features updated data, useful worksheets such as economic statistics, demographics, and reports from the American Association of Fund Raising Council. Packed with numerous examples, case studies, and checklists, this exhaustive resource is essential reading for anyone looking to achieve and maintain fund-raising success. There is the current need for a better understanding of how the fund development process can best be utilized and improved so that community benefits can be realized with adequate funding. This book is intended to be a contribution to

that end from the Preface Now revised and expanded this practical resource takes you through the entire fund development process giving you the master plan necessary for realizing the full fund raising potential of your nonprofit organization. Covering everything from accountability and stewardship to public solicitation and donor relations the Second Edition has been updated to include the latest economic figures demographics and reports from the American Association of Fund Raising Council as well as an added in depth discussion of ethics worksheets for performance analysis and new best practices that have developed over the past few years.
