Nonviolence Is Not For Wimps Musings Of An Ohio Farmer:

Nonviolence Is Not for Wimps Ralph Dull, 2004-09 Although How to Cope with a Hitler was the beginning motivation to write this book the inclusions grew like Topsy The themes threading their way through the pages are consistent even though interrupted by various personal experiences and musings The themes are related a kinder and gentler everybody active nonviolent solutions to problems improved leadership and improved followers Some proposals in my musings may seem far out but if you can stay with me to the end you may be satisfied My audacity to even consider a Soviet nonviolent response to Hitler need not discredit the other musings herein Gandhi urged his countrymen as they entered jail for the cause of freedom to go as the bridegroom enters the bride's chamber that is with a little trepidation but with great expectation Such is the way we can approach the adventure of applied nonviolence Many examples of effective nonviolence are included in this book as well as a few light hearted comments One approach is to lift up logic and practicality If Will Rogers were still with us he would have a ball commenting on today's world especially the lack of logic in our war making Anyway we have Michael Moore During my writing in early 2003 the air was full of war talk so I couldn't resist doing three chapters on emotions before during and after the invasion of Iraq To add to those musings my wife and I visited Iraq in June 2003 to get a firsthand experience with the people Wars are graphic examples of human failures and frailty so this book is intended to give a nudge to Americans to think for themselves create more friends and lose some foes I'm suggesting that is a more efficient way to reach our long term goals than to bomb and kill and threaten The book may be interesting helpful or provoking entertaining for anyone including readers who differ with me There are musings about what could be throughout the book and parts of my life experience related to the theme are included Please forgive me for being a little flippant intolerant occasionally or letting you finish sentences at times Ralph Dull

Preaching the Gospel of Mark Dawn Ottoni Wilhelm, 2008-01-01 In this engaging treatment of the Gospel of Mark Dawn Ottoni Wilhelm combines biblical scholarship with a close reading of the Gospel text to meet the needs of preachers today Swift and purposeful the Gospel of Mark proclaims God's reign and urges the participation of all God's people in the witness of the good news that God has transformed human reality through Jesus Christ This insightful commentary helps that message come alive while providing pertinent suggestions about how preachers can proclaim this message to today's churchgoers
