Noone Of The Ulu:

Noone of the Ulu Dennis Holman,1958 **Distant Archipelagos** Peter Moss,2004-08 He dropped money bags from low flying biplanes on remote rubber plantations and tin mines spent nights in deep jungle longhouses aboard fishing kelongs manned by aborigines far out at sea in mosquito infested swamps collecting malarial parasites and on beaches where giant leatherback turtles came to lay their eggs He accompanied commonwealth troops hunting for terrorists on the Thai Malaysian border flew reconnaissance patrols seeking guerilla camps and escorted Field Marshal Templer on his return visit to the country he had liberated from communist insurrection He met Lady Edwina Mountbatten wife of the architect of India's independence interviewed actors Orson Welles and Sir Donald Wolfit and was conversing with the French Ambassador when a ghost walked into the room He worked with William Holden Susannah York and Capucine on a film in which nearly everyone ended up miscast He helped conceal an escaped prisoner in a hilarious fake jail break trailed the Sultan of Pahang on a regal progress through Malaysia's largest state and befriended one of President Soekarno's infamous red beret parachutists sent on a sabotage mission during the height of Indonesian confrontation Mostly he loved the land and its people so much that he shunned the cocktail circuit and the city life for the simple pleasures of the kampong and the open road learning the language and feeling his way towards what French author Henry Fauconnier had called the Soul of Malaya With *Distant Archipelagos* Peter Moss follows up his account of an Anglo Indian childhood in *Bye Bye Blackbird* by painting a vivid portrait of another vanished world

Noone of the Ulu Sidonie Gabrielle Colette,1958 **The House at the Edge of the Jungle** Mary Morgan,2007-04-01 Featuring a strong coming of age angle this is a well written deftly structured story of cryptic family ties from the author of *Willful Neglect* Publishers Weekly When Victor Cartwright is sent to Malaya on a business trip he invites his sister Isabel to go with him Isabel haunted by memories of her childhood in the jungle has always longed to return to the country where she and Victor were born She was six years old and Victor a baby when they were evacuated back to England just hours before Malaya fell to the Japanese in 1942 But their parents were left behind their fate never known While Victor accepts that their parents met the same end as many others in those last days of the Empire Isabel is sure there is more to the story In Kuala Lumpur on a visit to the house where they lived before the Japanese came the house Isabel has dreamed of for so long she begins to recall those dim and distant days The house is full of ghosts for her exotic and troubling and when Victor meets with an accident there Isabel is convinced it holds some terrible secret She sets off alone to explore the enigma of her parents' lives and through Oliver Bailey an Englishman who once knew them and an even more surprising figure from the past she finally unravels the long hidden mysteries Mary Morgan's *The House at the Edge of the Jungle* is a fascinating tale of past and present Isabel herself as quirky and unpredictable as she is believable and fascinating will keep you steadily turning pages Kirkus Reviews

Arrow of God Chinua Achebe,2016-09-30 My favorite novel Chimamanda Ngozi Adichie A magical writer one of the greatest of the twentieth century Margaret Atwood

African literature is incomplete and unthinkable without the works of Chinua Achebe Toni Morrison The second novel in Chinua Achebe s masterful African trilogy following Things Fall Apart and preceding No Longer at Ease When Things Fall Apart ends colonial rule has been introduced to Umuofia and the character of the nation its values freedoms religious and socio political foundations have substantially and irrevocably been altered Arrow of God the second novel in Chinua Achebe s The African Trilogy moves the historical narrative forward This time the action revolves around Ezeulu the headstrong chief priest of the god Ulu which is worshipped by the six villages of Umuaro The novel is a meditation on the nature uses and responsibility of power and leadership Ezeulu finds that his authority is increasingly under threat from rivals within his nation and functionaries of the newly established British colonial government Yet he sees himself as untouchable He is forced with tragic consequences to reconcile conflicting impulses in his own nature a need to serve the protecting deity of his Umuaro people a desire to retain control over their religious observances and a need to gain increased personal power by pushing his authority to the limits He ultimately fails as he leads his people to their own destruction and consequently his personal tragedy arises Arrow of God is an unforgettable portrayal of the loss of faith and the downfall of a man in a society forever altered by colonialism

Grounded Globalism James L. Peacock,2011-04-01 The world is flat Maybe not says this paradigm shifting study of globalism s impact on a region legendarily resistant to change The U S South long defined in terms of its differences with the U S North is moving out of this national and oppositional frame of reference into one that is more international and integrative Likewise as the South home to UPS CNN KFC and other international brands goes global people are emigrating there from countries like India Mexico and Vietnam and becoming southerners Much has been made of the demographic and economic aspects of this shift Until now though no one has systematically shown what globalism means to the southern sense of self Anthropologist James L Peacock looks at the South of both the present and the past to develop the idea of grounded globalism in which global forces and local cultures rooted in history tradition and place reverberate against each other in mutually sustaining and energizing ways Peacock s focus is on a particular part of the world however his model is widely relevant Some kind of grounding in locale is necessary to human beings Grounded Globalism draws on perspectives from fields as diverse as ecology anthropology religion and history to move us beyond the model advanced by such scholars as C Vann Woodward that depicts the South as a region paralyzed by the burden of its past Peacock notes that while globalism may lift old burdens it may at the same time impose new ones He also maintains that earlier regional identities have not been replaced by the rootless cosmopolitanism of cyberspace or other abstracted systems Attachments to place remain even as worldwide markets erase boundaries and flatten out differences and distinctions among nations Those attachments exert their own pressures back on globalism says Peacock with subtle strengths we should not discount

Hawaiian Legends of Tricksters and Riddlers Vivian L. Thompson, 1990-11-01 According to some of the oldest and least known of Hawaii's legends man became a trickster to survive and later became a riddler to win a place for himself in society Vivian Thompson's tales written for youngsters are based on some of the earliest recorded versions of these legends they instruct and delight readers of today as the oral traditions of old captivated their audiences The first voyagers to Hawaii were filled with terror of the unknown terrain inhabited by evil spirits Fearless fellows tricksters those who could match wits not only against nature spirits and monsters but also against chiefs and kings who held the power of life and death became the heroes of the common people As trickster legends emerged from primitive Hawaii so riddler legends grew from later Hawaii where mental as well as physical skills were admired
