North American Free Trade Agreement Labor Industry And Government Perspectives

I. Hussain

North American Free Trade Agreement Labor Industry And Government Perspectives:

The North American Free Trade Agreement Mario F. Bognanno, Kathryn Ready, 1993-10-26 After more than two years of negotiations in December 1992 the governments of Canada Mexico and the United States signed the North American Free Trade Agreement During the months leading up to the signing labor industry environment and religious groups from the three countries actively debated and lobbied their respective trade negotiators to gain support for their particular concerns Lobbying by these groups continues as policy deliberations shift from treaty negotiations to the submission of enabling legislation and ultimately in the United States congressional authorization This volume brings together key spokespeople from labor industry and government and presents the main arguments for and against the Free Trade Agreement as well as views on the Agreement s impact The book is intended for policy makers business managers labor organizations environmentalists academics students and others who have an interest in understanding and exploring the issues surrounding the NAFTA debate

North American Regionalism and Global Spread I. Hussain, R. Dominguez, 2015-02-19 Was the 1993 North American Free Trade Agreement NAFTA designed as a definitive trade agreement or as a stepping stone This book reviews NAFTA s performances on trade investment intellectual property rights dispute settlement as well as environmental and labor side agreements within a theoretical construct

North American Free Trade Agreements James R. Holbein, Donald J. Musch, 1992 Recent updates to this subscription service include DT U S Latin America Trade Recent Trends and Policy Issues DT Proposed U S Colombia Free Trade Agreement Background and Issues DT Excerpts From the 2011 Trade Policy Agenda and 2010 Annual Report of the President of the United States on the Trade Agreements Program DT Trade Promotion Authority TPA and the Role of Congress in Trade Policy DT Intellectual Property Rights and International Trade North American Free Trade Agreements is your definitive trade reference tool with up to date full text versions of NAFTA the full text of the US Canada FTA much of which is incorporated by reference into NAFTA and complete texts of the Annexes and supplemental agreements In one complete easy to use source you will receive coverage of the rapidly changing rules governing trade in North America making it easy for you to locate the information you need to be in compliance with any North American Free Trade Agreement and to take advantage of the allowances These looseleaf volumes provide comprehensive information on all new trading agreements and explain among other topics what NAFTA covers and how its decisions are rendered how the new free trade agreements are being negotiated and what the policy positions are and what government officials and practitioners are saying about these arguments With the heightened emphasis of U S international trade policy in more of Latin America this set has broadened its scope as well The set provides excellent explanatory material to help you use the recently signed U S Chile FTA It looks ahead to the negotiation of the U S Central American FTA and the historic Free Trade Area of the Americas with substantial pragmatic material covering the negotiations As the agreements are concluded and enter into force the editors will keep you informed and operating at the

cutting edge of the law This set provides complete coverage of NAFTA including DT Commentary covering every major chapter of NAFTA DT Panel Decisions under Chapters 11 19 and 20 DT Primary Materials including Mexican laws implementing legislation Federal Register notices and other important sources The COMMENTARY volume also provides useful practical reference sources including DT Summary of NAFTA Legislative History DT Bibliography of NAFTA Materials DT Inclusive List of NAFTA Federal Register Notices The set is invaluable for the researcher interested in U S international trading initiatives and activities in the Western Hemisphere Its decisional information base provides the practitioner with accurate and topical records of decisions being rendered under these agreements PLUS Place a standing order for this looseleaf set and get free access to the complete complement of 122 NAFTA panel decisions in a fully word searchable indexed database

The Impacts of NAFTA on North America I. Hussain, 2010-08-17 Why was NAFTA not extended even after fulfilling several stated objectives Investigating a number of roadblocks and utilizing James Rosenau's state multicentric models the book's conclusions shed light not just on why North American integration is not working but on broader regional experiments

Working in Restructured Workplaces Daniel B. Cornfield, Karen Campbell, Holly J. McCammon, 2001-07-27 What are the contemporary trends in workplace restructuring and the sociological impact on workers' lives Around what concepts will work be organized and groups and individuals motivated in their work into the new century To give you definition and answers to these contemporary questions the editors of the sociological quarterly *Work and Occupations* assembled *Working in Restructured Workplaces* It addresses contradictory influences in contemporary workplace restructuring its impact on workers' lives and the direction and nature of future changes in the workplace This authentic collection of sociological thought and research consists of previous works in *Work and Occupations* and some commissioned specifically for this book to focus on the nature causes and consequences of workplace restructuring The editors introduce a new concept of workplace restructuring to broaden your perspective and then assess implications for workers and their lives The chapters address four major themes Reconfiguring workplace status hierarchies Casualization of employment relationships Restructuring and worker marginalization Comparative labor responses to global restructuring The last two chapters chart new research agendas on the boundaries and durability of workplace restructuring

The International Defense of Workers Kevin J. Middlebrook, 2024-04-23 International trade agreements have often been criticized for limited attention to the rights of workers The North American Agreement on Labor Cooperation NAALC a side agreement to the North American Free Trade Agreement NAFTA stands out for linking labor rights provisions to a U S trade agreement Kevin J Middlebrook provides a comprehensive and systematic examination of the NAALC assessing its efficacy in protecting workers' rights over the entire period it was in effect and demonstrating its broader significance for the role of trade and labor standards in U S foreign policy Placing the NAALC in comparative context Middlebrook considers various ways of promoting workers' rights and how other U S international trade agreements have influenced labor rights abroad He

investigates the origins of the agreement the political controversies among Canada Mexico and the United States over its scope how the agreement operated in practice and its longer term policy legacies Middlebrook emphasizes the tension between state sovereignty and the international promotion of labor rights in the negotiation and implementation of trade agreements as well as how labor movements in one partner country can galvanize action in others Drawing on interviews with high level officials involved in the trade negotiations and previously unexamined primary sources *The International Defense of Workers* is a groundbreaking analysis of the effects of U S trade agreements on labor rights Handbook of Trade Policy for Development Arvid Lukauskas,Robert M. Stern,Gianni Zanini,2013-10-10 There are many textbooks devoted to international trade but few volumes that survey trade theory policy and negotiations in a concise up to date manner from an interdisciplinary perspective This book provides a comprehensive overview of the issues that dominate both academic discourse and the policymaking arena in the field of international trade bringing to bear the insights of economics law and political science It also stands out by virtue of its emphasis on the development implications of trade an increasingly useful perspective given the deepening liberalization of developing and emerging market economies and their growing importance in the world economy The volume examines the full range of trade policy topics that dominate contemporary debates such as rules of origin trade in services competition public procurement and trade facilitation plus emergent controversial topics like trade related labour standards and environmental issues It analyses the international trade architecture and the institutional and practical aspects of policymaking and negotiations at the unilateral multilateral and regional level as well as the effects of trade on economic growth inequality and poverty It also explores the sharp increase in the number of preferential trade agreements and their significance for the global trade system The treatment of each issue is rigorous yet highly accessible to anyone with a basic background in economics law and international political economy Monthly Labor Review ,1994-04 Publishes in depth articles on labor subjects current labor statistics information about current labor contracts and book reviews **Reevaluating NAFTA** I. Hussain,2012-12-05 Depicting NAFTA to be but a stepping stone rather than final product of regional economic integrative efforts a chapter specific 15 year assessment conveys the upsides and downsides of North America s Camelot moment **Understanding the North American Free Trade Agreement** Leslie Alan Glick,2010-01-01 Understanding the North American Free Trade Agreement is an easy to understand summary and analysis of the major provisions and side agreements of this landmark accord It s written in terms designed to address the needs of non experts but also contains the detailed information that the experienced international trade executive or attorney will find indispensable **Global Unions?** Jeffrey Harrod,Robert O'Brien,2012-10-02 This edited collection examines the interaction between industrial relations and international relations in the global economy The role of trade unions has changed significantly in the era of economic globalization and this book analyzes the key developments in union strategy on a local national regional and global level **Problems and Opportunities of the Mexican Maquiladora Industry** Katja

Gehring,2001-05-03 Inhaltsangabe Inhaltsverzeichnis Table of Contents List of Figures and Tables Abbreviations 1

Solidarity and Contention Michael C. Dreiling,2001 First published in 2001 Routledge is an imprint of Taylor Francis an informa company **In the Hurricane's Eye** Raymond VERNON,Raymond Vernon,2009-06-30 The world s multinational enterprises face a spell of rough weather political economist Ray Vernon argues not only from the host countries in which they have established their subsidiaries but also from their home countries Such enterprises a few thousand in number including Microsoft Toyota IBM Siemens Samsung and others now generate about half of the world s industrial output and half of the world s foreign trade so any change in the relatively benign climate in which they have operated over the past decade will create serious tensions in international economic relations The warnings of such a change are already here In the United States interests such as labor are increasingly hostile to what they see as the costs and uncertainties of an open economy In Europe those who want to preserve the social safety net and those who feel that the net must be dismantled are increasingly at odds In Japan the talk of hollowing out takes on a new urgency as the country s lifetime employment practices are threatened and as public and private institutions are subjected to unaccustomed stress The tendency of multinationals in different countries to find common cause in open markets strong patents and trademarks and international technical

standards has been viewed as a loss of national sovereignty and a weakening of the nation state system producing hostile reactions in home countries The challenge for policy makers Vernon argues is to bridge the quite different regimes of the multinational enterprise and the nation state Both have a major role to play and yet must make basic changes in their practices and policies to accommodate each other *The Arthur Andersen North American Business Sourcebook* Arthur Andersen & Co,1994

Historical Dictionary of Inter-American Organizations David W. Dent, Larman C. Wilson, 2013-12-11 The Historical Dictionary of Inter American Organizations covers the changing world of inter American and international organizations that have played an important role in bilateral and multilateral efforts to solve a wide range of problems that have confronted the nations of the Western Hemisphere The Latin American region is clearly more integrated regionally and internationally than in previous decades and is better prepared to confront a broad range of problems trade development illicit drugs terrorism and guerrilla activity health environment democratization trade human rights intervention electoral assistance peacekeeping and conflict resolutions migration border conflicts corruption and energy independence that governments and non governmental organizations face in the 21st century The role of the United States in Latin America has clearly faded since the end of the Cold War and the second edition of this book fills a large void in explaining the complexities of inter American organizations and their activities since the first edition was completed in the late 1990s This updated second edition of Historical Dictionary of Inter American Organizations covers the history of through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 400 hundred cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Inter American Organizations

NAFTA Stories Ann E. Kingsolver, 2001 Ann Kingsolver presents stories people have told about NAFTA young people and old urban and rural with differing political perspectives occupations and other markers of identity that demonstrate their expectations and imaginations of the sweeping trade agreement NAFTA Kingsolver contends both before and after its passage became a catch all in public discourse for tensions related to neoliberal policies and to economic and cultural processes of globalization The storytellers in her book from Mexico Kentucky and California imagined the meaning and possible effects of regional integration on topics ranging from agriculture to the stereotyping of workers to national sovereignty and identity NAFTA became invested with possibilities far beyond the scope of its literal provisions Kingsolver analyzes the metaphorical meanings attributed to NAFTA whether a giant truck in your rear view mirror in Ralph Nader's words or a panacea for what they tell us about the changing relationship between national governments and their publics She finds that rather than strengthening national authority the passage of NAFTA led to intense public questioning and deep political division

[International Bibliography of Economics 1994](#) British Library of Political and Economic Science at the London School of Economics, 1995 The IBSS is the essential tool for librarians university departments research institutions

and any public or private institutions whose work requires access to up to date and comprehensive knowledge of the social sciences Labor and NAFTA Jefferson R. Cowie, John D. French, Scott Littlehale, 1996
