American Films and Filmmakers Through the Filter of Soviet Criticism ,1978 *Hollywood's Embassies* Ross Melnick,2022-04-26 Winner 2024 Culbert Family Book Prize

International Association for Media and History Winner 2022 Richard Wall Memorial Award Theatre Library Association Beginning in the 1920s audiences around the globe were seduced not only by Hollywood films but also by lavish movie theaters that were owned and operated by the major American film companies These theaters aimed to provide a quintessentially American experience Outfitted with American technology and accoutrements they allowed local audiences to watch American films in an American owned cinema in a distinctly American way In a history that stretches from Buenos Aires and Tokyo to Johannesburg and Cairo Ross Melnick considers these movie houses as cultural embassies He examines how the exhibition of Hollywood films became a constant flow of political and consumerist messaging selling American ideas products and power especially during fractious eras Melnick demonstrates that while Hollywood s marketing of luxury and consumption often struck a chord with local audiences it was also frequently tone deaf to new social cultural racial and political movements He argues that the story of Hollywood s global cinemas is not a simple narrative of cultural and industrial indoctrination and colonization Instead it is one of negotiation booms and busts successes and failures adoptions and rejections and a precursor to later conflicts over the spread of American consumer culture A truly global account *Hollywood s Embassies* shows how the entanglement of worldwide movie theaters with American empire offers a new way of understanding film history and the history of U S soft power

Anglo-American Stage and Screen Drama Mike Ingham,2023-11-27 *Anglo American Stage and Screen Drama* analyses and discusses the contemporary role of stage and screen drama as a critical forum for progressive thinking in an increasingly polarised geopolitical world The book addresses the cultural politics of socially engaged 21st century stage plays and films and makes the case for drama as a sociopolitical forum in which the complex and contentious issues that confront society can be explored and debated It conceives of Anglophone political drama as a significant intervention in today s culture wars representing the latter as a convenient distraction from the ongoing depredations of neoliberalism In the main part of the book selected case study plays and films

from each of the first two decades illustrate drama's capacity to influence critical debate on social justice issues. All of the case study texts under discussion express a powerful aesthetics of resistance to right wing ideology and promote inclusive and enlightened values. Communist Activities Among Aliens and National Groups United States. Congress. Senate. Committee on the Judiciary. Subcommittee on Immigration and Naturalization, 1950

Hollywood's Blacklists Reynold Humphries, 2008-09-10 Are you now or have you ever been a member of the Communist Party? That question was to be repeated endlessly during the anti Communist investigations carried out by the House Committee on Un-American Activities (HUAC) in the early 1950s. The refusal of ten members of the film industry to answer the question in 1947 led to the decision by studio bosses to fire them and never to hire known Communists in the future. The Hearings led to scores of actors, writers and directors being named as Communists or sympathisers. All were blacklisted and fired. *Hollywood's Blacklists* is a history of the political and cultural factors relevant to understanding the why and the how of the various investigations of the alleged Communist infiltration of Hollywood. What was HUAC? What propaganda role did films play during World War II and the Cold War? What values were at stake in the confrontation between Left and Right that saw the former so resoundingly defeated and expelled from Hollywood? Answers to these and other questions are offered via analyses of the motives of the various players and of the tactics deployed by HUAC to reward collaboration and punish dissent.

Sitcoms and Culture James Shanahan, 2025-06-03 Does it matter what television we watch? Despite their stodgy reputation among many consumers of television, sitcoms or situation comedies have stuck around as a cornerstone of the television landscape. *Sitcoms and Culture* examines sitcoms as cultural artifacts ripe for exploration as they reflect the shifting landscapes of our society. From questions of social change to the portrayal of women and other racial, ethnic and sexual minorities, sitcoms have evolved alongside the major social changes of the last half century. Using an interdisciplinary approach, author James Shanahan

combines research on cultural indicators with an empirical methodology and cultural analysis to examine over 50 years of sitcoms to discern the reality of how these comedies have portrayed life to us across generations of television. *Sitcoms and Culture* helps us gain a deeper understanding of how sitcoms mirror and shape societal norms and of the pivotal role they have played in reflecting and influencing cultural trends.
